Opinion: Let's help Buzzy's rebuild

The Friday *Arizona Republic* last week had a long write-up by movie reviewer Bill Goodykoontz about George Lucas' popular coming-of-age film, "American Graffiti." The film starred the voice of Wolfman Jack, plus Ron Howard, Richard Dreyfuss, Candy Clark, Mackenzie Phillips, Charles Martin Smith, and Cindy Williams. An unknown Harrison Ford appears because he was doing some carpentry work for Lucas and the director asked him to play a teenage drag racer. Of

course, the rest is history, as many of the actors became famous stars, and several have received Oscar nominations and Emmy awards. And George Lucas created "Star Wars."

But many people believe that the true star of the movie was Mel's drive-in, the local fast food joint that the kids all cruised in whatever vehicle they could get the keys to. I've often told out-of-town friends about

Kearny's own version of Mel's drive-in, which, of course, is Buzzy's. On Friday nights after a home football game of our Ray Bearcats, we can see a long snake-like procession of headlights coming up Tilbury Hill, as the Kearny kids cruise from Constitution Hall by the railroad tracks, up to Buzzy's, onto Alden Road and downtown Kearny proper. They then make the turn-around between Cosmic Coffee and the

ARC/NEPC building and continue their loop back past Buzzy's and down Tilbury Hill.

Anytime someone visits us, Buzzy's is on our list. Some people drive into Kearny simply to get Buzzy's Famous Fry Bread. We always tell people Buzzy's has the

best French Fries on the planet. And whenever we get nostalgic for a Butterscotch Milk Shake we'd walk to Buzzy's. With "American Graffiti" celebrating its 40th anniversary I thought it would be appropriate to celebrate the many years we've all enjoyed

Buzzy's. And lend some support to the efforts of many people for Operation Rebuild Buzzy's. Visit Facebook.com to sign up.

Thanks for all the memories, and here's to many, many more in the future.

FROM THE OFFICE OF THE GILA COUNTY TREASURER

In late fall 2012 the Gila County Treasurers office was notified that our existing property tax program was becoming obsolete and would not have a maintenance agreement after December 31, 2012. Gila County does not have on staff a computer programmer who could write such a program, so a decision was made to submit to the public for bid a contract for a new tax system.

After thorough research for the best product and price, a choice was made and the contract was approved by the Board of Supervisors in the spring of 2013. Since that time, the Treasurers' office has been working with this firm on the conversion process of moving all the data from the old system to the new one. The time consuming job of proofing approximately 50,000 secured and unsecured tax records data for the prior seven years is still ongoing. Unfortunately, the technological firm we are working with has just informed the Gila County Treasurer that the date to provide data to the printer for the printing of our 2013 tax bills is going to be later than we hoped despite the many months we have expended in this process.

The Treasurer wishes to inform the public that the 2013 property tax bills will not be mailed in September this year, but as soon as they can be made available. The delinquency date will be moved to accommodate the late mailing. We do not expect the delay to be very long. We are in frequent contact with the printer to ensure we will have top priority when we are ready.

If you have any further questions, please call my office at 1-928-425-3231 ext. 8702, 8703, 8705.

Thank you for your consideration in this matter, and as always my office is here to serve the public.

Lobos hang on to defeat Ash Fork, 44-30

By Nolberto Waddell
Copper Basin News

The trip was a long, the scenery was great and the weather was ideal.

The game between the Lobos and Spartans was ugly.

The game had two different halves: the Lobos dominated in the first half and with the Lobo starters on the bench for most of the second half it was all Spartans in the second half.

The Lobos won the coin toss. Ezekiel Boltarez took the kick-off at the 15 yard line returning the football for a 65 yard touchdown (they played on an 80 yard field) to give Hayden 6 to 0 lead at 11:43 of the first quarter. The Lobos got the ball back after two negative yard plays when a Boltarez tackle jarred the ball loose with Francisco Moreno recovering. The Lobos were unprepared for the Spartans defense and were forced to punt. Two penalties against Hayden moved them back further with Boltarez punting from under the goal post shadows. The kick went off, the Spartans were penalized for roughing the kicker and Hayden lost Boltarez to an injury.

The Lobo coaches adjusted

to the weird defense with Aaron Lagunas scoring from 52 yards to give Hayden a 12 to 0 score at 7:19 of the first quarter. Hayden kicked off, held for three plays and a punt, but soon gave the ball back on a Lagunas fumble. Lagunas quickly made up for the fumble stepping in front of a Spartans pass at the Lobo 29 yard line. Lagunas took the handoff out running the defense for a 51 yard TD. Jacob Manriquez scored the two points for a 20 to 0 Lobo lead at 3:42 of the quarter. The Lobos kicked off, held, forcing a punt that resulted in a fair catch violation against Ash Fork giving the Lobos the ball at the Spartan 31 yard line. Two Lagunas carries resulted in a 19 yard score to give Hayden a 26 to 0 score with 16 seconds left in the first quarter. Hayden kick-off to end the first quarter.

The second quarter started with Hayden holding but a Hayden penalty gave Ash Fork a first and 10. The Lobos defense held forcing a punt resulting in touchback to the 15 yard line. With Lagunas resting, Hayden gave up a safety to cut the Lobo lead to 26 to 2. Hayden kicked off, was penalized for a personal

foul with the Lobo defense getting the ball back at the Hayden six yard line. The Lobo defense held and one play later resulted in a 74 yard touchdown run by Lagunas for a 32 to 2 lead at 5:21 of the second quarter. A kick-off by Hayden went into the end zone and, on the first play, a fierce tackle by Manny Armenta resulted in a fumble recovered by Moreno. But the puzzled officials said they did not see the fumble, giving the ball back to Ash Fork. A tackle by Moreno for a 17 yard loss forced a punt stopping at the Spartan 36 yard line. Brandon Cruz carried for four yards and Lagunas took care of the remaining yards on a 32 yard TD run for a 38 to 2 score at 2:19 of the quarter. Another lobo kick-off, two plays later Hayden had the ball on a Chris Rabago tackle for a forced fumble that he recovered. Hayden gave it right back on a fumble snap. The half ended with the young Hayden players on the field holding Ash Fork out of the end zone.

The second half started with the Hayden first team on the sideline and the Spartans took advantage, taking the kick-off in for a TD, that was called

back for an illegal hit. After a couple passes, Santiago Pina intercepted a pass, but the Lobo offense turned it right back on a fumble snap. An 11 yard Spartan run resulted in another weird official call. The sideline ref said the Spartan runner stepped out of bounds; he dropped his marker on the spot but did not blow his whistle to stop the play or signal to stop the clock. The Ash Fork runner kept on going, the Lobo defenders tackled him drawing a flag from the sideline ref for an illegal hit out of bounds call. After all was done, Ash Fork had a first down at the Hayden 12 yard line. Ash Fork scored two plays later to cut the Hayden lead to 38 to 8 9:55 of the third.

Ash Fork tried an outside recovered by Hayden, drove down the field scoring on a 28 yard pass from Manriquez to Rabago to give Hayden a 44 to 8 lead at 6:36 of the third quarter. The coach had enough; the game was now in the hands of the Lobo reserve squad for the rest of the game with the Ash Fork team taking advantage of the smaller and inexperienced Lobos. The young Lobos held their own until late in the fourth quarter

with the bigger Spartan squad finally scoring three touchdowns in the final minutes of the game with the Lobos holding on for the 44 to 30 win.

The game was ugly with the officials tossing 24 flags, 13 against the Lobos with the majority 15 yard penalties and 11 against the Spartans with only two of the 15 yard violations. On the stats, it looked like an even game but the majority of the Ash Fork yards came in the fourth quarter. The Lobo first team held the Spartans to only 31 yards on the ground; they finished with 120 total rushing and 134 yards on passes with 71 of the yards coming in the second half.

Manny Armenta had a great game on defense recording 13 tackles, caused a fumble and a pass deflect. Ryan Donavon had eight tackles with Francisco Moreno getting seven tackles and recovering two fumbles before leaving the game late in the second quarter with an injury. Juan Hernandez had five tackles and recovered a fumble. Austin White had six tackles. Alex Sims recorded six tackles as did Aaron Lagunas who also had an interception. Brandon Cruz had three tackles and a

pass deflect. Recording two tackles a piece were Jacob Manriquez and Gabriel Mariscal. Before leaving the game early in the first quarter due to an injury, Ezekiel Boltarez had one tackle causing a fumble.

On offense, the Lobos totaled 263 yards with majority coming on Aaron Lagunas runs. Lagunas carried 13 times for 253 yards and five touchdowns. Jacob Manriquez facing pressure from a weird seven man front completed only one pass with Chris Rabago on the receiving end.

The game was ugly, the officiating very questionable, and the time clock operator even worse.

But it's time to put all of Friday's game behind. It's time to get ready for the game, this Friday at Ray High School with kick-off set for 7 p.m. It should be a good one!

Coach Lorona honored at Sept. 6 game in Hayden

Hayden — On Friday, Sept. 6 the man known as Robert Lorona to some, Bob to many others, but, who will always be called Coach by his players, Robert Padilla Lorona, was honored on the field. Coach was honored in recognition of his distinguished service, loyalty and devotion to Hayden High School. The football field that is home to the 1972 A State Football Champions was renamed the Robert P.

Lorona Football Field.

“Welcome families, friends and honored guest to the Lalo A. Serrano Stadium to honor a great man. The stadium will continue to honor Serrano but tonight we are here to dedicate the football field to a man who has devoted his life coaching upon this very field.” These were the words that began the ceremony. Coach Lorona was born and raised in Winkelman and graduated from Hayden High School

before furthering his education at Arizona State University. Coach was shown the measure of the gratitude and fondness that the townspeople of Hayden have for him.

Attending the ceremony were Coach Lorona's wife, Charlotte; son Robert “Pewee” and his wife Ernie with their children Elisa, Rene, Bobby, Melaine; and representing Rick are his children Geremino, Carol Enriques “KiKi”, Tanissa, and

Marcos Sam. His youngest son, also was in attendance with his wife, Mary and their children Kristy and Sam Junior. His daughter Debbie, with her children, Reggie, Gloria, Ron, Amanda; and many great grandchildren were also in attendance. Of course, the honor would not have been complete without the attendance of his 1972 2A State Football Champions.

On that November night in 1972 when his underdog Lobos, in their finest hour,

mauled the Blue Ridge Yellowjackets 22-12 in a game that has long been cherished and remembered, Coach Lorona did something that no other Hayden Coach has been able to repeat; that is, to win a Hayden 2A Football State Championship. Coach Lorona is quoted as having said, “These guys deserved that game. They worked their butts off.”

Lorona wasn't new to the championship circle, having won two previous

crowns with Lobo baseball teams, but this one stands out as one of his finest achievements as a coach.

“I probably was more knowledgeable about baseball, but these guys and I seemed to have the same mentality. Whatever I asked of them, they delivered. We understood each other and still do. Those memories will last forever,” said Coach of his championship team.

Lorona has been awarded

Pastor's Corner: You've Got Something to Give

By Pastor Joe Palmer
Fellowship Baptist Church

The most miserable people in the world are those who are focused only on making themselves happy. As I said last week, we should expect life to be largely happy, but happiness comes in a strange way.

First, our happiness begins by being honest with ourselves and with God about how bad we are and how we need God to save us through Christ Jesus' death and resurrection. A reliance on Christ gives us freedom from guilt and the assurance of heaven after we die. Wrapped up in this gift-package called salvation is also the promise that God loves us and will cause all things to work together for our good.

Second, our happiness continues and grows as we learn to start caring for other people. Christ said that all that God wants us to do is to love God and to love our neighbors as we love ourselves. We know what it means to love ourselves – to look out for our best interests. But do we look out for others' best interests? If we would, our worries would lessen as we change our focus of attention. Our happiness would increase as we joyfully consider that we have done something God enjoys seeing – we have made someone else happy.

Come and join us at Fellowship Baptist Church on Sunday evenings as we watch videos on how to care for people God's way. We can help you help others.

If you would like to talk with me (Pastor Joe Palmer of Fellowship Baptist) about it, email me at joecandzupal@yahoo.com.

St. Joseph Parish welcomes new priest in time for anniversary

By Vicki Clark

Copper Basin News

"So far, so good," says Fr. Matthew Thayil, MSFS, as he settles in as the newest administrator at St. Joseph Parish in Hayden.

Fr. Matthew, who took over the Parish in July, wants to

keep the Parish on course and will work to do that, but more importantly to him is the desire to minister to the people who need him the most.

"There are no major problems within the workings of the Parish that can't be

fixed," Fr. said. So he has set his sights on seeing to the people as their Pastor.

Visiting the sick and homebound is his first priority, followed by perhaps contacting those for whatever reasons are no longer interested in attending

Mass. "Church is not the building, but the people... people welcoming people, that's the message that I want to convey," he said. He added that he is looking forward to when he will be able to reach out to all those who need him. "People turn away from the church for a variety of reasons, because they are unable to attend Mass or maybe they are not interested anymore. I want to be able to help these people if they let me," he said.

He is also very interested in developing "Faith Formation Classes" what he calls the CCD or Catechism program for the youth of the Parish. "It's so important that parents be involved in this process, parents need to pay attention and attend to their duties involving their children," he said. "It can't be left up to the CCD teachers."

Fr. Matthew was born and raised in India and completed high school studies in 1955. After finishing Inter Science in Nirmala College, Musvattupazha, he joined the St. Joseph Mission Home Palai in 1957. Soon after he entered Fransalian Seminary Pune. After finishing his novitiate he made his first vows

Father Matthew Thayil is finding his way at the Parish in Hayden. (Vicki Clark photo)

in May of 1961 and after completing further studies, he was ordained priest on Sept. 21, 1967.

During his many years of ministry Fr. Matthew served in a wide range of capacities largely in the realm of education. Along the way he earned several degrees including a M.A. in English and added a course in Counseling.

In the summer of 1995, Fr. had the opportunity to visit England, France, Switzerland, Italy and the United States. During this visit to the U.S., he had an experience in Pastoral ministry at St.

Patrick Church, Norcross in Atlanta, Georgia for six weeks. He returned to India and continued to work in education till the year 1997. At the end of his term of three years as the Bursar of the Nagpur Province (1997-2000) and at the request of his Superior General, Fr. Matthew was sent to the U.S. for Pastoral ministry again at St. Patrick, Norcross. He soon after had to return to India. He was once again sent to the U.S. as administrator of St. Joseph's Parish in Colfax, Louisiana, in Alexandria Diocese, and after five years of ministry he was transferred to Tyler, Texas to serve in the Wellspring Fransalian Center for Spirituality.

In 2011 Fr. Matthew was transferred to the Diocese of Tucson and was appointed by Bishop Gerald Kicanas as Parochial Vicar at SS. Peter and Paul Church in Tucson. It was from there that he came to St. Joseph Parish in Hayden.

In Fr. Matthew's vast ministry he says he really has not had any real problem dealing with people, and if he did, he learned from the experience.

"I just adjust according to the situation, do what I can, and leave the rest to God," he said. And that's what he plans to do as he tends to his flock at St. Joseph.

many accolades over the years including Coach of the Year after the '72 football victory. Perhaps, the two rewards he most cherishes are his lifetime pass to all Sun Devils sporting events award for recognition of his service while attending ASU and his honorary AIA Lifetime Pass to interscholastic games given for his dedication to high school sports.

Lorona was an outstanding baseball

player in college, but his dream was to be a teacher. When he made it his reality, he returned to the community that inspired his educational journey and gave his time and energy to the student athletes whose lives he touched with his love of sportsmanship and teaching. A home grown product, Lorona decided at a very young age what he wanted to do with his life. He was in the sixth grade when the idea came to him. "I had a man teacher for the first time that year, who also was my coach. I couldn't believe he was getting paid to teach and

play ball with us. I made up my mind that was what I wanted to do," said Coach Lorona.

He returned to his home town in 1952 to teach the sixth grade and to coach baseball, the sport he admits was always his favorite. During his 34 years in the Hayden-Winkelman District, Lorona served his students well. He was a very proud but humble man, a man his players will always call Coach!

Scoping Meetings Proposed Tailings Storage Facility Ray Mine – Pinal County, Arizona
 The U.S. Army Corps of Engineers, Los Angeles District ("Corps") is hosting two public open house scoping meetings regarding a proposed tailings storage facility that Asarco LLC ("Asarco") is proposing for the Ray Mine in Pinal County. These meetings will be held on Tuesday evening, September 24, 2013 at the Ray Elementary School cafeteria from 6:00 to 9:00 PM and on Wednesday evening and on September 25, 2013 in the Performing Arts Center at the Apache Junction High School in Apache Junction, Arizona from 6:00 to 9:00 PM. The Corps will provide a presentation each evening starting at 7:00 PM. To comply with Corps' regulations associated with Section 404 of the Clean Water Act, Asarco has submitted an application to the Corps for the proposed tailings storage facility. Because the proposed tailings storage facility will directly impact waters of the U.S., the Corps has decided to prepare an environmental impact statement (EIS) in compliance with the National Environmental Policy Act (NEPA). The Corps is seeking public comment on Asarco's plans to construct and operate the proposed tailings storage facility that would impact Ripsey Wash and other ephemeral drainages that are tributary to the Gila River. Asarco has stated that this facility is required to support continued long-term copper mining activities at the Ray Mine. Tailings from the Ray Mine concentrator would be transported via a new tailings pipeline that would cross the Gila River near the current Florence-Kelvin highway bridge. Water would be recycled back to the Ray Mine concentrator from the proposed tailings storage facility. The proposed facility is designed to store approximately 750 million tons of tailings and would have a facility footprint of approximately 2,129 acres once completed. The two public open house meetings will allow interested parties to learn more about Asarco's plans, the Corps' regulatory obligations under its 404 permit process, and the plans and schedule for completion of an EIS for the proposed project. The Corps is soliciting public comment on the issues and concerns that should be examined in the forthcoming EIS and requests that any comments on that proposal be submitted in writing to Michael Langley, Senior Project Manager, U.S. Army Corps of Engineers, Los Angeles District – Arizona Regulatory Branch, 3636 North Central Avenue, Suite 900, Phoenix, Arizona 85012-1939 or via email at michael.w.langley@usace.army.mil. The Corps requests that commenters include their full name, physical address and the project title "Ray Mine Tailings Storage Facility Project" with any comments. The official EIS scoping period closes on Monday, October 28, 2013. Comments should be postmarked or emailed by the close of that date. Michael Langley, the Corps' project manager, is available to answer questions about the proposed project and the EIS scoping process, including these two public open house scoping meetings, at telephone number 602-230-6953. Information for the proposed tailings storage facility is available on the Corps' website at <http://www.spl.usace.army.mil/Missions/Regulatory/Projects/Programs.aspx> or contact Michael Langley at the Corps at the aforementioned address and telephone number.
