Obituaries

Verdell Robert Allison passed away on Tuesday, September 10, 2013 at the age of 90.

Services will be held Saturday, September 14, viewing at 10 a.m., and service at 11 a.m. at Oracle Assembly of God. Military graveside service at the Oracle Cemetery will follow with reception at the

Community Center.

Verdell is preceded in death by his parents, Vernon and Lavona Allison; brother, Everett Burton Allison; and sister, Delilah Allison Peterson. He is survived by his wife Frances of 56 years, his children, Dale (Denise) Allison and Mary (Carl) James, grandchildren, Anthony, Michelle, KyLynn,

Verdell Robert Allison

Amanda, Bethany, Julie, Heather, Sarah, Daniel, Ciara, Brittany, Michael, and Robert and great-grandkids, Sydney, Adyn, Alea, Aria, and Adel. He was loved deeply by his immediate family and extended family alike.

Verdell served in WWII in the Marine Corps from 1942-1945, as Second Lieutenant. He was a long time resident of Oracle for 52 years, and worked at Magma Copper

Company for 26 years.

An active member of the Oracle community, Verdell was a little league coach, a coach's assistant or umpire at a moment's notice, and was instrumental in constructing the Johnnie Seballos field in Oracle.

He was a friend to all he met and the first to respond to anyone in need. Many will remember Verdell as the handsome, tall, gentleman

in the shorts, as he walked across town for years with his walking stick and a variety of dogs. Others will remember him as the happy smiling dad and grandpa always present for his family's events at plays, soccer, baseball, softball, and any other school activity. Some will know him as Fran's friendly husband. But he was most commonly known as the nicest man in Oracle.

Manuel C. Laguna

Manuel C. Laguna, 75, passed away at his home in San Manuel on Sept. 14, 2013 with his family by his side.

He was born in Lordsburg, NM on Nov. 6, 1937.

He is survived by his wife, Sally; sons, Richard, Andy (Shawna), Ronnie (Patti), Paul (Lizbeth), Arthur (Charlene), Jesus (Cari), Frank (Jen), Jose (Laurie), Manny (Gracie) and John (Brenda); daughters, Rosie (Julian), Teresa and Julia (Brian); 62 grandchildren and 47 great-grandchildren; six brothers and two sisters.

He is preceded in death by his father Manuel Sr. and his mother Julia; two sons, Steve and Johnny; and two sisters, Isabel and Sally.

Manuel started working in a mine in Lordsburg, NM at a young age. He then went on to work at U.V. Industries in Fierro, NM. During this time he served his Country through the National Guard and retired in 1982. In 1987 he relocated his family to San Manuel, AZ where he worked as an underground miner at BHP Corporation until his retirement in 1998.

He enjoyed being with his family and bussing his grandchildren to and from school. Fishing, camping and hunting, were an all-time favorite. He was a great fan of old Western movies.

Manuel C. Laguna

His favorite phrase was, "Hoping, God willing and if the river don't rise!"

He will forever be in our hearts!

Services will be held Friday, Sept. 20, at St. Bartholomew's Catholic Church in San Manuel. Visitation is at 3 p.m. with the Rosary at 4 p.m. The Funeral Mass will be celebrated at 5 p.m.

Pall Bearers will be Andy, Ronnie, Paul, Artie, Jesus, Frank, Jose, Manny and John. Honorary Pall Bearers are: Julian, Brian, Joe Hernandez and grandsons.

In lieu of flowers, donations can be made to the John Wayne Cancer Foundation. (JohnWayne.org).

Obituary

Pamela Ann Carter

Pamela Ann Carter

Pamela Ann Carter, of Concho, AZ, loving wife, mother, daughter, sister, grandmother, and friend, returned home to our Heavenly Father, September 14, 2013, after a lengthy trial with Cancer. She was 64.

Pamela, affectionately known as "Pam," was born to William Johnson and Johnita Johnson, Oct. 27, 1948, in Oskaloosa, IA. She graduated from Pima High School in 1966 and married Jack Carter in 19...65. Enjoying the country life, they relocated to numerous friendly small towns in Arizona, Montana, and Nevada during their 48 years of marriage. These towns include Pima, Glenbar, Snowflake, Wenden, Salome, Oracle, and more recently Red Lodge, MT, and Elko, NV.

A cowgirl at heart, Pam loved all aspects of her country lifestyle. She was equally at home working cotton fields in Wenden, running her own landscaping company in Oracle, bottle feeding baby lambs in Elko, riding her horse Duke, and one of her proudest accomplishments, being the first female President of the Red Lodge

Rodeo Association. Most importantly, Pam brought her beautiful smile, nurturing compassion, and Johnson intellect to each of her endeavors. Through each phase of life, one constant for Pam was her eternal love for her family. A mother and friend in the truest sense, Pam's family extended beyond the typical and included walking partners, coworkers, neighbors, ward and branch members, and strangers in need.

Pam was an active member of the Church of Jesus Christ of Latter-day Saints. She loved to attend services and took great pleasure in sharing her lovely voice while singing her favorite hymns. To know Pam is to also know her talent and love for decorating. Each of her houses considered itself lucky to have Pam move in and adorn its walls and floors with an awe inspiring assortment of hand crafted art, western relics, and spiritual messages. Much like her decorating skills, Pam had a green thumb that could grow and maintain delicate plants in the harshest environments.

Pam was preceded in

death by William Johnson and her son Jason Carter; and is survived by Johnita Johnson; Jack Carter; and her four children: Penny Whetten, Darcey Whiting, J. Clint Carter, and Tiffany Blank. She is also survived by 17 grandchildren.

Funeral services for Pamela will be conducted Saturday morning, September 21, 2013, at 10:00 a.m., at the Church of Jesus Christ of Latter-day Saints Desert Wells Chapel, 20415 East Chandler Heights Road in Queen Creek.

The family will receive friends Saturday morning from 9:00 a.m. until 9:45 a.m., at the Desert Wells Chapel Relief Society Room.

Pamela will be laid to rest Saturday afternoon at 4:00 p.m., at the Pima Cemetery in Pima, AZ.

Opinion: Let's help Buzzy's rebuild

The Friday *Arizona Republic* last week had a long write-up by movie reviewer Bill Goodykoontz about George Lucas' popular coming-of-age film, "American Graffiti." The film starred the voice of Wolfman Jack, plus Ron Howard, Richard Dreyfuss, Candy Clark, Mackenzie Phillips, Charles Martin Smith, and Cindy Williams. An unknown Harrison Ford appears because he was doing some carpentry work for Lucas and the director asked him to play a teenage drag racer. Of course, the rest is history, as many of the actors became famous stars, and several have received

Oscar nominations and Emmy awards. And George Lucas created "Star Wars."

But many people believe that the true star of the movie was Mel's drive-in, the local fast food joint that the kids all cruised in whatever vehicle they could get the keys to. I've often told out-of-town friends about Kearny's own

version of Mel's drive-in, which, of course, is Buzzy's. On Friday nights after a home football game of our Ray Bearcats, we can see a long snake-like procession of headlights coming up Tilbury Hill, as the Kearny kids cruise from Constitution Hall by the railroad tracks, up to Buzzy's, onto Alden

Road and downtown Kearny proper. They then make the turn-around between Cosmic Coffee and the ARC/NEPC building and continue their loop back past Buzzy's and down Tilbury Hill.

Anytime someone visits us, Buzzy's is on our list. Some people drive into Kearny simply to get Buzzy's Famous

Fry Bread. We always tell people Buzzy's has the best French Fries on the planet. And whenever we get nostalgic for a Butterscotch Milk Shake we'd walk to Buzzy's. With "American Graffiti" celebrating its 40th anniversary I thought it would be appropriate to celebrate the

many years we've all enjoyed Buzzy's. And lend some support to the efforts of many people for Operation Rebuild Buzzy's. Visit Facebook.com to sign up.

Thanks for all the memories, and here's to many, many more in the future.

/s/ **Gerry Kaufhold Kearny**

Oracle School District voters asked to support override funding

On Nov. 5, 2013, Oracle School District voters will be asked to support the continuation of the school district's override funding. Arizona state law allows voters to approve local increases to their district's operating budget each year in the form of overrides. These increases may not exceed 15 percent of the limits established by the state legislature. Funds generated in this manner are used for classroom supplies, academic programs, utilities, salaries, and benefits.

This will not be a new

tax, the question asks for a renewal of the 15 percent increase in the district's funding local voters first approved in 2004 to offset losses in state funding. Beginning next year this aid will begin to expire causing the district to lose around \$270,000 from its budget and then override assistance dwindles to nothing in 2016/2017. Voters have the opportunity to continue this funding so that the district can maintain the current quality of instruction, implement higher state mandated standards, and

continue on our planned path of school improvement.

This override funding is critical to the district. The total Oracle School District budget for 2013/2014 is approximately \$5.6 million, including the existing override the voters are being asked to renew. This budget includes capital outlay monies used for purchasing textbooks, instructional aids, computers, other equipment, furniture, and buses. Voters may be surprised to know that \$1.6 million or 28.6 percent of our total budget is paid directly to the local

high schools our grade 9-12 students attend and is not available for our K-8 students in the Oracle School District. Because of its own fiscal challenges, since 2008 the state has taken \$535,000 from the district by withholding increases in base-level funding, reducing the cash balance, withdrawing funding for full-day kindergarten, and reducing our operating budget. The district has already been notified that this school year the state will take back approximately \$118,000 of our allocated capital outlay funds to help offset state

budget deficiencies.

In Pinal County almost 80 percent of the school districts operate with override assistance from their stakeholders. How much will continuing the override cost the residents in the Oracle School District? Currently, the tax due to the override on each \$100,000 full cash value of a residence is approximately \$27 per year, or \$2.25 per month. Due to variances in property values and student enrollment the amount you will pay may change slightly.

There are numerous benefits provided by the override monies which include: 1) Assistance in providing

development, 2) Purchase of vital student learning materials, 3) Bringing stability to the teaching and classroom aide staff, 4) Maintaining student-teacher ratios, and 5) Maintaining and promoting physical education. Additionally, healthy schools not only help produce productive citizens, but also help create healthy communities. Healthy communities are of course, good for everyone.

For further questions please do not hesitate to contact Oracle School District Superintendent Dennis Blausier in his office at 520-896-3072, by cell 520-404-0875 or by email at dblausier@osd2.org.

Lions' Quail Hunter's Breakfast canceled

Due to the economy, the Lions Club's 51st annual Quail Hunter's Breakfast has been canceled.

Donald E. Wright cited several causes for the cancellation, including the current Lions Club members ages and disabilities.

"We don't have the funds to get it funded," said Lion Wright. "We want to thank all of the community that has support us in the past and hope the future will be kind to us," he continued.

The Quail Hunter's Breakfast has been a long-standing tradition,

the proceeds from which has helped fund activities throughout the community. The Lions Club has relied on the help of new members and volunteers to help orchestrate and carry out the enormous work involved in holding the breakfast, but with the economy being what it is, newer, younger members are not signing up and volunteers are unable to give the time they had in earlier years.

Getting down and dirty with ... worms

From Mrs. Verdugo's and Mrs. Formo's Classes

Mammoth STEM School

The Kindergarten and Preschool classes worked together to harvest worm castings. They learned about plant needs and that earthworms help put nutrients in the soil.

The kindergarteners said that earthworms are long, skinny, and sticky. The ring on the earthworm is closest to its head. They

learned that you have to keep the worms wet or they will die because a worm breathes through its skin.

The Preschoolers said that earthworms eat the compost and that the worms poop creates the nutrients. The compost can be paper, egg shells, veggies, fruits, leaves, or twigs.

The students had a great time working on this science project.

Kids water districts working on gray water issue

Stem Nation

By Araceli Curry
Mammoth STEM School

Ms. Vargas' 6th graders have put together an environmental company called Stem Nation. Each child has a position in the company Araceli Curry is C.E.O, Selena Cruz is C.F.O, Seth Perkins is project manager, Andrea Ortiz is research and development,

Savanna Roan and Jason Del-Rio are in marketing, Pacey Smith-Garcia is community outreach, Raymond Ahumada, Omar Rodriguez and Eliazar Lovio-Gallego are engineers.

Together Stem Nation is trying to save the gray water Mammoth Elementary School is wasting. In just two days they saved 36 liters of gray water in Ms. Vargas' class by just getting a 10 by 8

bucket and putting it in their sink. The plan is to connect a pipe from each classroom and connect the pipes to water hoses and also add an on/off valve so we can store the gray water.

Our company will come up with some fund raisers so we can get the money they need for the materials and for the project to proceed with possible fund raisers the C.F.O of the company will take care of.

Together the company will try to put together a prezi, brochure and much more. The engineers will put together a blue print of the plan and make adjustments to it as well. This is how Stem Nation will try to save Mammoth Elementary Stem School's gray water and make the school more beautiful.

Mammoth-San Manuel Kids District

By Victoria Zazueta
Mammoth STEM School

In 5th and 6th grade we are doing a science project. We have two companies Mammoth/San Manuel Kids District (5th) and the Stem Nation (6th). Mammoth/San Manuel has a Project Manager (Victoria Zazueta), C.E.O (A.J. Castillo), C.F.O (Myleaha Gallego), Marketing (Mari Rodriguez and Ana Ahumada), Engineers (T.J. Madrid, Thalia Tamayo and Perla Garcia), Community Outreach (Ana Ahumada) and Research and

Development (Star Chavez and Jacob Garcia). These tell you what the people are and who they are.

Our two companies are trying to figure what to do with the gray water and what we can use it for. The two companies first made name tags. Then we went with Mr. Madrid to Ms. Uttecht's drain pipe to

sketch a design. When we went in our classroom we drew a plan of our idea. Then we started on our project and prezi. That's as far as we got.

We are currently researching on low water use plants to use our gray water on. We hope to not only save water, but also help make our school more beautiful.

Miners stung by Yellow Jackets 0-42; prepared for Imagine Prep

By Frank Smith
San Manuel Miner

The San Manuel varsity football team made the trip down to Tombstone on Friday night and felt the sting of the Yellow Jackets 42 – 0 as the Miners traveled down to Tombstone last week for a division match – up.

The Miners could not get onto the scoreboard but did not give up and played to the final whistle.

In the first quarter, the Yellow Jackets were forced to punt on their opening drive. The Miners also were forced to punt but lost major yardage on a high snap on the punt that gave Tombstone the ball at the San Manuel 29 yard line. Tombstone would take the ball down to the 11 yard line but after a couple of holding penalties and the stout Miner defense, the Yellow Jackets gave the ball up to San Manuel on downs. The Miners took over at their own 17 yard and turned the ball over three plays as a Tombstone defender intercepted the pass at the Miners 37 yard line.

Tombstone capitalized on the San Manuel miscue and scored eight plays later when running back Dontae Otey took the ball up the middle of the line for a five yard touchdown run, the extra point kick by Erik Villegas was good for a 7 – 0 lead with 7:10 left in the first quarter. Tombstone drove 37 yards in eight plays taking 4:19 on the drive.

The Miners were forced

to punt after five plays on their next drive, giving the ball to Tombstone at their own 25 yard line where nine plays later running back Will Boberg would take the ball in from seven yards out for the touchdown, the extra point kick by Villegas was good for a 14 – 0 Tombstone lead with 8:48 showing in the second quarter. The Yellow Jackets drove 75 yards in nine yards taking 4:55 on the drive.

San Manuel was forced once again to punt the ball away after going four plays; this would give the ball to the Yellow Jackets at their own 28 yard line. Tombstone would score seven plays as Boberg scampered in from 46 yards out for the touchdown, the extra point kick by Villegas was good for a 21 – 0 Tombstone lead with 4:26 left on the clock in the second quarter. The Yellow Jackets drove 72 yards in seven plays taking 2:22 on the drive.

The Miners set up at their own 25 yard line where they lost yardage on the first play of the drive, San Manuel fumbled the ball on the second play – giving the ball back to the Yellow Jackets at the Miners 15 yard line. With Tombstone poised and ready to score on the second play of the drive, Miner cornerback Daniel Medina intercepted a would - be touchdown in the end zone and returned the ball out to the San Manuel 40 yard line.

their own 40 but fumbled the ball on the second play of the drive to give Tombstone the ball back at the Miners 34 yard line. Tombstone score five plays later when Otey capped off the drive with a three yard run into the end zone with :02 left before the half, the extra point kick by Villegas was good for a Tombstone lead 28 – 0 . Tombstone drove 34 yards in five plays taking :46 on the drive.

The Miners went into the half down 28 – 0.

In the third quarter, the

Miners had the opening drive and were lined up at their own 20 yard line when on the third play of the drive – Tombstones cornerback Nick Angarita stepped in on a Miner pass for the interception and returned the ball 40 yards for the

Miner swimmers bring home medals from Knight Invitational

Miner swimmers traveled to Nozomi Aquatic Center in Chandler on Friday, Sept. 13 for the Knight Invitation Swim Meet. All swim teams from high schools 2A and smaller were invited to the meet. Miner girls finished fourth overall with 286 points, and Miner boys finished second overall with 283 points. Medals were awarded for top three finishers in each event and nine Miner swimmers returned home with at least one medal.

Seniors John Bribiescas

and Amara Apuron both came home with three medals each, including a first place. Bribiescas won the 500 Freestyle with time of 6:17.70 and Apuron won the 200 Individual Medley (IM) with time of 2:39.88, which is a new school record. Apuron finished second in the 500 Freestyle and teamed up with Seniors Nicole Primero, Cierra Austin and Megan Garcia to finish second in 400 Freestyle Relay. Bribiescas finished third in the 200 Freestyle and

joined teammates Colten Smith (Senior), Taylor Woods (Sophomore), and Colbey Stratton (Freshman) to finish second in the 400 Freestyle relay with a new school record time of 4:03.47.

In addition to the medals from the relay teams, Nicole Primero finished third in the 100 Backstroke with a time of 1:20.19, Cierra Austin finished second in the 100 yard Freestyle with a time of 1:05.83, and Taylor Woods finished second in the 200

IM with a time of 2:48.79. Sophomore Armando Noriega finished second in the breaststroke with a time of 1:21.03. Head Coach Alex Gort was impressed with boys 400 Freestyle Relay. "The boys relay beat the old school record by eight-seconds with everyone swimming great splits," he said.

Miner swimmers will host a meet on Sept. 24 against Florence High School and Arizona College Prep (Chandler) at the San Manuel pool at 4 p.m.

Junior High Miners start season 2 – 0

By Frank Smith
San Manuel Miner

The San Manuel Junior High football team has started the season at 2 – 0 with wins over San Carlos and Globe, the Miners are led by 14 year Head Coach David Jungbluth. Last season the Miners went 4 – 2 on the regular season and lost in playoffs to make it 4 – 3 overall. The Miners will return four starters in Alejandro Camacho (QB), Max Fisher (L) Jose Damian (RB) and Fabian Russo (FB). The Top Newcomers are Michael Mendibles (L), Diego Sierra (L) Ezra Miller (RB) Andy Salas (DB) Dillon Longoria (RB) and Westlee Tuck (L). Coach Jungbluth said: *This team has a number of returners from last year. The team took a big hit when Ruben Hernandez*

broke his leg this summer. He was expected to do some good things for us on the offensive/Defensive line. The offensive of line will be anchored by Max Fisher. He had a great month of August demonstrating great leadership skills. Michael Mendibles will be our starting center. He also has done a great job leading by example. The backfield is one of the best backfields I have coached. Fabian Russo is a punishing fullback who is not afraid to run over people. Jose Damiai, Ezra Miller and Dillon Longoria are running backs will good speed and a reckless style of running. Hondo Camacho is a returning Quarterback who took over the starting role last year when Frankie

Renteria was lost for the season with a broken finger. I love the speed he possesses and his arm strength will allow us to throw the ball more often. The coaches feel we can have a good season if we stay healthy and not loose anyone to poor grades. The Miners opened the football season with a 50 - 14 win over San Carlos on Aug. 27 in San Carlos. San Manuel was led offensively by the offensive line and running backs Jose Damian, Fabian Russo and Ezra Miller. Jose Damian had 175 yards rushing with four touchdowns, he also had a 75 yard kickoff return for a touchdown. Fabian Russo was a bruiser up the middle running for 160 yards with one touchdown. Ezra miller had a couple two point conversions and

Hondo Camacho hooked up with Rey Martinez for a two point conversion. Jungbluth said, “I thought the offensive line (Michael Menibles, Max Fisher, Cisco Cury, Michael Ochoa, Diego Sierra and Rey Martinez) did a fabulous job firing of the ball to open big holes for the running backs. “Defensively the team struggled in the first quarter giving up two touchdowns, but after the coaches made some adjustments the Miners were able to shut San Carlos down. “The first win of the season is always nice, however; we need to continue to work hard each week if we are going to compete for a championship.” In the game against Globe in San Manuel, the

Miners beat the Tigers 22 – 0. Alejandro Camacho connected on a 60 yard touchdown pass in the second quarter to Reynaldo Martinez to break a 0-0 tie against the Globe Tigers. The two point conversion by Ezra Miller was good for a 8 – 0 Miners lead at the half Jungbluth said, “We struggled to find our rhythm in the first half, we had a difficult time running the ball against their huge front line. Coach Sighting made a great observation telling me that a play action pass would be wide open. He was right.” In the second half the Miners were able to run the ball better. Jose Damian scored on runs of 40 and 10 yards to increase the score 22-0. Jungbluth said, “Coach

David Yonkin gave credit to the Miner offensive line for opening holes. Max Fisher, Michael Mendibles, Cisco Curry, Michael Ochoa, Diego Sierre and Reynaldo Martinez did a great job blocking in the second half.” Jungbluth went on to say, “Defensively the Miners played their best game of the year. Dylan Longoria had over ten tackles from his middle linebacker position. The defensive of line also played very well. I felt the defensive ends did a great job stopping the Quarterback when Globe ran the option. The only score Globe was able to have was a reverse touchdown pass.” The Miners took on Ray in Ray on Tuesday and will return home on Sept. 24 to host Eloy with game time slated for 6 p.m.

Miner swimmers open season in Scottsdale

After several weeks of practices, including morning practices before school, the Miner Swim Team traveled to McDowell Mountain Ranch Aquatic Center in Scottsdale to compete against Scottsdale Preparatory Academy and Scottsdale Christian Academy on Tuesday, Sept. 10. Miners came away from the meet with mixed results. The boys won the meet and girls finished third. Final scores for the girls were Scottsdale Prep 136, Scottsdale Christian 80 and San Manuel 79. Final scores for the boys were San Manuel 120, Scottsdale Christian 101, and Scottsdale Prep 61. For many swimmers on the team, this was their first high school swim meet. Two freshman boys, Colbey Stratton and Michael Garcia,

made an immediate impact by being a part of some winning relays and finishing second in their individual events. A trio of new sophomore swimmers; Mariela Canisales, Angela Navarro, and Carlos Ortega; showed a willingness to accept tough challenges and performed very well at their first meet. Juniors James Duarte and Jared Gonzales both swam in their first meet with a determination that all upperclassmen will appreciate. The Girls Medley Relay team of Amara Apuron, Cierra Austin, Nicole Primero, and Jazelle Sanchez finished second to a tough Scottsdale Prep relay. The meet for the girls would continue like that all day, Scottsdale Prep would win nearly all the events during the day and

San Manuel girls swimmers would finish second or third. Since San Manuel only had eight girls at the meet, it was ultimately the team depth of Scottsdale Christian that allowed them to pull ahead of San Manuel in the team scores on the final relay. The boys team yielded much different results. The 200 Medley Relay was extremely close as the team of Taylor Woods, Armando Noriga, Colbely Stratton and John Bribiescas finished fractions of a second ahead of Scottsdale Prep. As the meet progressed, Senior John Bribiescas won the 200 freestyle by less than a tenth of a second and later went on the win the 500 freestyle. Sophomore Taylor Woods and freshman Michael Garcia finished

first and second in the 200 Individual Medley (IM). Freshman Colbey Stratton finished second in both the 50 Free and 100 Butterfly. Senior Jordan Peasley won the 100 Backstroke followed closely by teammate Taylor Woods. Sophomore Armando Noriga won the 100 Breaststroke by a large margin. The boys 400 Yard Freestyle Relay of Bribiescas, Stratton, Woods, and Garcia went on to win the final event of the meet. Head Coach Alex Gort was pleased with many things he saw at the opening meet. “The freshman and first year swimmers looked great,” he said. Gort went on to explain, “Every year senior swimmers find a way to come through with something special, and at this meet it was John Bribiescas. He sealed the

deal in the anchor leg of the Medley Relay followed only a few minutes later by an exciting win in the 200 Freestyle.”

The Miners next meet will be on Sept. 24 at home against Arizona College Prep (Chandler) and Florence High School beginning at 4 p.m.

touchdown, the extra point kick by Villegas was good for 35 – 0 lead with 11:00 showing on the clock in the third quarter.

The Miners began the next drive from their own 22 yard line but gave up the ball on downs after going three and out. Tombstone set up at the San Manuel 30 yard line and scored when Boberg capped of the drive four plays later from four yards out for the touchdown, the extra point kick by Villegas was good for a 42 – 0 score with 6:55 left in the third quarter. Tombstone drove 30 yards in four plays taking 1:47 on the drive. The AIA imposed running clock began to run on the Miners, the rule states that any team is up by 42 points on another team – the clock will continue to run except for injuries and time outs.

Time had run out on the Miners as they were unable to get on the scoreboard but they will look to re-group and focus on the next job on the punch list.

Offensively; Rushing - Shane Kelly rushed 11

times for 32 yards, Ben Quijada rushed five times for 17 yards, and Richard Romo rushed two times for five yards. Passing - Bryan Valdez went 5 for 16 with 102 yards and two interceptions. Receiving - Alvaro Alvarez had two receptions for 60 yards, Shane Kelly had one reception for 30 yards, Daniel Medina had one reception for 10 yards, and Ben Quijada had one reception for two yards.

Defensively - Shane Kelly had seven tackles, Anthony Garcia had six tackles and one forced fumble, Armando Sierra had five tackles, Jordan Peasley had five tackles, and Daniel Medina had four tackles with one interception returned for 25 yards.

Head Coach Steve Elmore said, “It was a tough game from the start for us littered with penalties, mistakes, missed tackles, and turnovers. We need to rebound this Friday against Imagine Prep and start playing Miner Football like we know it can be played.”

The Miners will host Imagine Prep on Friday at Fred Littau Field; kick off is slated for 6 pm.

Time to show the GLOW

Oracle – It’s that time, again! What time? Time to get your GLOW on at the Triangle L Ranch’s 10th annual Festival of Lights on Friday, Sept. 20 and Saturday, Sept. 21, from 7 p.m. to 11 p.m.

For those not in the know, here’s a little information about GLOW. The backdrop for the festival is the lush, high desert of the Triangle L Ranch, in the light of the full moon. The purpose

is to celebrate night time artistry. There will be dancers, painters, works of art, performances, and a strolling audience, all lit up in this festival dedicated to light, creativity and community.

What to expect? A colorfully lit entry road that leads to the GLOW gate where spectators may purchase tickets and enter the five acres that are set with twinkling lights. The grounds are open for those

who care to stroll and visit the sculpture path and discover light projections, multi-media installations, theatrical performances and more. Interactive exhibits will be available for children, as GLOW is an all-age event.

Food and non-alcoholic beverages will be available for purchase. The 1890s main ranch house is a great place to sit, watch the spectacle, eat a slice of pie, and relax.

For tickets purchased in advance, general admission is \$12.50 per person, per night. For children ages 3-12 years, the price is \$5 per night; and, under three, they get in free. To learn more, visit www.trianglelrancho.com/glow.html online. Visitors may also purchase advance tickets online at www.trianglelrancho.com/tickets.html or at Yikes Toy Store at 2930 E. Broadway

Scoping Meetings Proposed Tailings Storage Facility Ray Mine – Pinal County, Arizona

The U.S. Army Corps of Engineers, Los Angeles District (“Corps”) is hosting two public open house scoping meetings regarding a proposed tailings storage facility that Asarco LLC (“Asarco”) is proposing for the Ray Mine in Pinal County. These meetings will be held on Tuesday evening, September 24, 2013 at the Ray Elementary School cafeteria from 6:00 to 9:00 PM and on Wednesday evening and on September 25, 2013 in the Performing Arts Center at the Apache Junction High School in Apache Junction, Arizona from 6:00 to 9:00 PM. The Corps will provide a presentation each evening starting at 7:00 PM. To comply with Corps’ regulations associated with Section 404 of the Clean Water Act, Asarco has submitted an application to the Corps for the proposed tailings storage facility. Because the proposed tailings storage facility will directly impact waters of the U.S., the Corps has decided to prepare an environmental impact statement (EIS) in compliance with the National Environmental Policy Act (NEPA). The Corps is seeking public comment on Asarco’s plans to construct and operate the proposed tailings storage facility that would impact Ripsey Wash and other ephemeral drainages that are tributary to the Gila River. Asarco has stated that this facility is required to support continued long-term copper mining activities at the Ray Mine. Tailings from the Ray Mine concentrator would be transported via a new tailings pipeline that would cross the Gila River near the current Florence-Kelvin highway bridge. Water would be recycled back to the Ray Mine concentrator from the proposed tailings storage facility. The proposed facility is designed to store approximately 750 million tons of tailings and would have a facility footprint of approximately 2,129 acres once completed. The two public open house meetings will allow interested parties to learn more about Asarco’s plans, the Corps’ regulatory obligations under its 404 permit process, and the plans and schedule for completion of an EIS for the proposed project. The Corps is soliciting public comment on the issues and concerns that should be examined in the forthcoming EIS and requests that any comments on that proposal be submitted in writing to Michael Langley, Senior Project Manager, U.S. Army Corps of Engineers, Los Angeles District – Arizona Regulatory Branch, 3636 North Central Avenue, Suite 900, Phoenix, Arizona 85012-1939 or via email at michael.w.langley@usace.army.mil. The Corps requests that commenters include their full name, physical address and the project title “Ray Mine Tailings Storage Facility Project” with any comments. The official EIS scoping period closes on Monday, October 28, 2013. Comments should be postmarked or emailed by the close of that date. Michael Langley, the Corps’ project manager, is available to answer questions about the proposed project and the EIS scoping process, including these two public open house scoping meetings, at telephone number 602-230-6953. Information for the proposed tailings storage facility is available on the Corps’ website at <http://www.spl.usace.army.mil/Missions/Regulatory/Projects/Programs.aspx> or contact Michael Langley at the Corps at the aforementioned address and telephone number.

Oracle Union Church promotes the arts

By John Hernandez
San Manuel Miner

Trowbridge Hall was the scene of a jazz concert on Sunday, Sept. 8.

The Arizona Jazz Quartet from Tucson entertained a good crowd. The band members were from the College of Fine Arts School of Music at the University of Arizona. Band members were: Moises Paiewonsky, trombone; Tristan Rogers, guitar; Salvador Lopez, bass and Cory Boone on drums.

The concert was part of a series of planned concerts and art displays that are being presented by the Oracle Union Church. There will be another concert (cello and piano) on Sunday, Sept. 29, at 2 p.m.

Artist Risa Waldt also had her water colors on display at the hall.

Waldt is an artist living in Catalina. She is a native Tucsonan who loves the desert where she grew up. In 1973 she began expressing herself in watercolors. She loves to paint the Grand Canyon, wildlife and historical features of Arizona.

She is an award winning member of the Southern Arizona Watercolor Guild. She served as the Guild's President 2003-2004. She is also a member of the National Museum of Women in the arts (Washington D.C.), an associate member of the National Watercolor Society and the American Watercolor Society. She continues to be an active member of the National League of Pen Women and the Arizona Watercolor Association.

Risa's home is the "House of the Red Tails". She named it to honor the red tailed hawks that

circled over her home as it was being built on the west slope of the Catalina Mountains. It was a sign that it was ok to build there. Her House of the Red Tails Gallery is also located in her home. Her artwork can be seen there. To schedule a showing of the Gallery you can contact Risa at 520-825-9601 or Email risa@risawaldt.com.

Risa and her artwork will be at Trowbridge Hall through September on Saturdays 10 a.m. to 3 p.m. and Sundays 12:30 – 3:30 p.m. The Hall is also open Wednesday and Thursday from 10 a.m. – 1 p.m. Trowbridge Hall is located at the historic Oracle Union Church, 705 E. American Avenue in Oracle.

Risa's artwork is also on
