# September is National Preparedness Month! Teaching Youth to Prepare for Disasters

Welcome to Week 3 of a 4-part series on emergency and disaster preparedness. As we discussed in the previous weeks, many people don't think an emergency or disaster will ever happen to them. But as has been stated before it can happen to ANYONE!

This week we are going to focus on teaching kids about being prepared for an emergency or disaster. Most adults don't think about including their kids while forming their family emergency plans but kids should be an active member of the family planning team. Young children can be taught things that are age appropriate in a non-scary way. As they get older you can teach them other ways to stay safe and even prepare for certain emergencies or disasters. No matter what a person's age or physical ability, emergency and disaster preparedness learning

should be an on-going life-long goal.

When something happens, a house fire, a community-wide emergency or disaster or other wide-spread event, kids can get stressed out just like adults. As with adults, knowing what to expect before something happens can help alleviate some of the negative reactions caused by the event. When an emergency or disaster happens, you should limit the information kids might see on the TV or hear adults talking about. Kids can get over-loaded and stressed simply because it is beyond their ability to comprehend what they see and hear. It is important to remember kids are not "little adults". If you do share information with a child about an event use age appropriate language and do not go too deeply into the details of the event. Just give them enough information that they will understand.

Looking for a good resource on how to teach your kids? The Ready.gov website has a bunch of on-line games like Ready2Help (for ages 8 and up) that you can play with kids. The Disaster Master game covers such topics as: make-a-plan, building a kit, learning how disasters could affect you and knowing the facts about disasters. Build-A-Kit talks about what things should go into your emergency and disaster kit. While there are some standard things you should include there are also some suggestions for things that will personalize the kit for each child. Each of these lessons help make teaching your kids a fun learning experience. <https://www.ready.gov/kids>.

Another great program is the Pillowcase Project from the American Red Cross. Designed for kids between the ages of eight and eleven, the Pillowcase Project is an interactive program that helps kids develop an awareness and understanding of different hazards and disasters. This is completed in a non-scary way and teaches kids about safety, coping skills and personal preparedness. All Pillowcase Project presentations are led by trained Red Cross instructors and meet many of the Common Core

State Standards for 3rd through 5th grades. AZ Safety Solutions is a Licensed Training Provider (LTP) for the Red Cross and can bring the Pillowcase Project to your school, scout troop or any other organization that serves kids. There is NO charge for this training no matter where it is provided.

A great program for 4th to 5th graders is STEP

– Student Tools for Emergency Planning. STEP is a classroom-based emergency preparedness curriculum for 4th and 5th graders designed in an easy, ready-to-teach format. Students will learn about disasters, emergencies, and hazards, and how to create a disaster supply kit and family emergency communication plan. It takes approximately one hour to complete this presentation.

Looking for options for older kids? There are options for training older kids too. Some of those options include:

Teen CERT – Teen CERT is the teen version of the national CERT - Community Emergency Response Team program. The Teen CERT training program teaches youth readiness and response skills. Hands-on practice and realistic exercises prepare youth for the unexpected in their community. Newly learned leadership skills will empower youth to safely respond to an emergency and assist victims without endangering themselves or others.

# Lane closures, restrictions announced for Pinto Creek, Winkelman bridge projects

The Arizona Department of Transportation this week announced that daily lane closures on the US 60 Pinto Creek Bridge and lane restrictions on the SR 77 Gila River Bridge in Winkelman will both begin on Sept. 23.

Motorists on US 60 between Miami and Superior should expect daily lane closures for the Pinto Creek Bridge replacement project between 7 a.m. and 5 p.m. Mondays through Thursdays and 7 a.m. to noon on Fridays.

Beginning in October, full closures of US 60 are tentatively scheduled between 9 a.m. and 1 p.m. on Tuesdays and Thursdays for about eight weeks.

Flaggers will be directing traffic. Drivers should plan for delays through the work zone.

The overall project involves constructing a new bridge adjacent to the existing bridge, and then removing the existing bridge. The project is expected to take about two years to complete.

For more information, go to [azdot.gov/PintoCreekBridge](http://azdot.gov/PintoCreekBridge).

Lane restrictions are scheduled to begin Monday, Sept. 23, on SR 77 in Winkelman as crews install temporary signals for the Gila River Bridge replacement project.

Once the new signals are in place, traffic across the bridge will

be restricted to a single lane. The width limit on the bridge during construction will be 15 feet.

Motorists should expect occasional delays, especially during peak traffic hours and during scheduled closures of US 60 west of Miami for the Pinto Creek Bridge replacement project.

In addition to the lane restrictions on SR 77, Quarelli Street will be closed to traffic within the work zone.

The temporary signals will allow crews to rebuild the bridge one lane at a time.

Work is expected to continue into summer 2021.

Drivers should proceed through the work zone with caution, slow down and watch for construction personnel and equipment.

For more information, please visit the project website.

Schedules are subject to change based on weather and other unforeseen factors. For more information, please call the ADOT

Bilingual Project Information Line at 855.712.8530 or go to [azdot.gov/contact](http://azdot.gov/contact) and select Projects from the drop-down menu. For real-time highway conditions statewide, visit ADOT's Traveler Information Site at [www.az511.gov](http://www.az511.gov), follow ADOT on Twitter (@ArizonaDOT) or call 511, except while driving.

We would like to express our deep gratitude and thanks for all the thoughtful expressions of friendship and love that we received during the passing of our husband, father, and Papa, Sam Pyritz. We are so grateful for all the food, flowers, and friendship that truly show how much our dad was loved and appreciated by this great little community.

We want to acknowledge the exceptional care we received at Vistoso Funeral Home and from Doug Harpold. We also want to thank Pastors Nathan and Leasa Hogan and Pastor Clarence Horn for the beautiful words and prayers at the service. Thank you to the San Manuel Elks Club members for hosting a wonderful dinner for family and friends after the service. A special thank you to Amy Whatton and Ruth Wentworth for orchestrating the food delivery and overseeing much of the night. Thank you Mark Cruce for the beautiful pictorial memorial of your papa. Thank you to Pete Reynoso and La Casita for supplying delicious food on different days and your thoughtfulness. Thank you Grace Honea for the pictures of dad and the laminated obituary, your thoughtfulness is greatly appreciated. Thank you to the many friends, who stopped by, brought food, gave money, and remembered Sam with us. You are too many to name and that in itself shows the depth and width of the blessing of friendship Sam enjoyed. You all truly are treasures to our family; your continued thoughts and prayers for our family as we go on without Sammie Joe are greatly appreciated.

Much love,

Folks from Superior attended an open house and comment meeting on the Resolution Copper Draft EIS.

## First hearings held for the Resolution Copper Draft Environmental Status

The Tonto National Forest conducted the first of five public hearings regarding the Resolution Copper Draft EIS in Superior on Tuesday, Sept. 10. A second hearing was held in San Tan Valley on Sept. 12.

The public comment period began on Aug. 9, 2019 when the Tonto National Forest released the statement to the public online. This began the 90-day comment period which will end on Nov. 7, 2019.

The hearing began with an hour long sign in period and open house. During the sign in period, those wishing to make verbal comments registered and received a number. During the open house, members of the Tonto National Forest Staff and SWCA were on hand to speak to those attending. SWCA is the environmental firm that conducted the the research and studies which are presented in the Draft Environmental Impact Statement.

Following the Open House the Tonto National Forest presented a 15 minute video that explained the process and presented some of the data that was found in the plan. The video can be viewed online: <http://bit.ly/ResolutionDEIS>

Superior Mayor Mila Besich briefly addressed those in attendance. She welcomed everyone to the hearing.

“This is the data we have all been waiting to learn,” she said. “The Town of Superior does have concerns about data surrounding water loss, recreation and socioeconomic impacts. The Council will be discussing these topics in order to develop the official comment letter.”

She then invited everyone to attend the Town Council Work Session on Thursday, Sept. 12, to hear the Town’s concerns and proposed mitigations.

Following Mayor Besich’s comments, the Forest Service opened its official comment period. The majority of those commenting requested that the comment period be extended and many explained their hardships in attaining hard copies of the 1400 page Draft EIS document. The San Carlos Apache Tribal Elders spoke out against the destruction of the Oak Flat Campground due to the land exchange and operations of the mine.

# Census address canvassers to begin knocking on local doors

The once-a-decade nationwide census is still seven months away – but Copper Corridor residents can expect a knock at the door and personal visit soon from

US Census Bureau ‘Address Canvassers’ already at work verifying dwellings throughout Gila and Pinal Counties. Dedicated Census staffer Carol was at

work on Saturday of the recent Labor Day Weekend, going door-to-door politely asking residents to verify the street number – and whether the home had additional dwelling units or residents who might have otherwise been missed when the official count begins in April 2020.

Census Bureau staff want to remind and assure local residents they’re being visited by an official representative of the US Census. A team of ‘Decennial Census Address Canvassers’ were hired to verify addresses in preparation for the April Census, and should continue through October – with permanent annual surveyors also possible in Gila and Pinal Counties.

How to know that knock on the door is legit? Census Bureau employees must present an ID badge that includes a photograph of the field representative, a

Department of Commerce watermark, and an expiration date. Workers may also be carrying a Census Bureau phone or laptop, as well as a bag with a Census Bureau logo. Ongoing data collection activities are conducted year-round, either in person or by phone. These include:

- Current Population Survey
- American Community Survey – Housing Unit
- National Crime Victimization Survey
- National Health Interview Survey
- Consumer Expenditure Survey
- Survey of Income and Program Participation
- American Housing Survey

Residents should ask which survey they are responding to and, if they are not sure they are dealing with an official employee, to call 800-923-8282 to speak with a

Among informational tables at the recent Hayden-Winkelman Fiesta: Gila County has a pre-census committee working to promote the 2020 census; the goal is to ensure all Gila County residents are aware of the census -- and participate in April when the census begins. An accurate count and demographic data help our county secure federal funding and congressional representation, and to plan for growth and social services. Junior Chamber volunteers Douglas Ashby and Arizona Bui were assisting during the event - and helped display the Census 2020 banner.

# Miner swimmers win at home against The Gregory School

The Miner Swimmers hosted a swim meet against The Gregory School at the Mammoth Pool on Thursday, Sept. 12. The Miner Girls won the meet 29-9, and the Miner Boys won the meet 24-14.

It was the only home meet of the year and the final home meet for Senior BaiLee Hill. It seems like Seniors step up and BaiLee did in a big way. She won the 20 length 500 Freestyle race in 8:10.26, a time that was over 30 seconds faster than she had ever swam before. A short time later she also won the 100 Backstroke in 1:34.40, also with a

personal best time.

Alyssa Riekofski won the 100 Freestyle with a personal best time of 1:47.21.

The boys won every contested race at the meet. Hunter Hill won both 50 Freestyle and the 100 Backstroke. Evan Apuron won the 100 Freestyle in a School Record time of 50.09, breaking the old school record of 51.62 set by Taylor Woods in 2015. Evan also won the 200 IM.

Head Coach Alex Gort was excited about the way the Miners swam.

"The girls had personal best times in every event and the boys won every race," he said. "To top it off, BaiLee had the meet of her life at her last home meet."

The Miners will compete at the Sahuarita Aquatic Center in Sahuarita at 4 p.m. on Thursday, Sept. 19, against Walden Grove High School.

## San Manuel returns to action following win, bye week

By Andrew Luberda  
San Manuel Miner

The San Manuel football team returns to the field this Friday when it visits Willcox at 7 p.m. Both teams enter the game with matching 1 – 2 records.

The Miners won their first game of the year on Sept. 6, against Tombstone, 26 – 15.

"Our team's performance (versus Tombstone) was good," first-year San Manuel head coach Ernie Ivy told the *Miner*. "We still have work to do, but we are heading in the right direction."

Last week's bye allowed some Miners' players to heal up in addition to preparing for the Cowboys on Friday.

"We (were able) to fine tune our offense and defense," Ivy said.

# Cougars face Jr. Miners; Lady Cougars on the court with Hayden

By **John Hernandez**  
San Manuel Miner

The Mountain Vista Cougars football team played San Manuel on Tuesday, Sept. 10. The Cougars put up a good fight the first half, only trailing the Miners 14 to 6. The Miners dominated in the second half winning 36 to 6.

Mountain Vista has yet to win a game, losing their first two to Superior and Miami.

The Cougars traveled to Globe to play the High Desert Tigers this week.

The Mt. Vista Lady Cougars 6th and 7th grade volleyball team defeated the Hayden Lobos on Monday, Sept. 9, to remain undefeated. Hayden has yet to win a game, although the 8th grade Lobos put a scare into the Lady Cougars by winning the first game of the match. The Lady Cougars then settled down and won the next two games and the match.

On Wednesday, Sept. 11, Oracle's teams defeated High Desert Middle School. Both of the Lady Cougars volleyball teams have a record of 4 wins and 0 losses.

# Kickstarting: Copper Corridor Blight Busters

For the past few years, the communities across the Copper Corridor along with the Copper Corridor Economic Development Coalition and the Southern Gila County Economic Development Corporation have been collaborating on ideas, policies and programs that will help to combat and alleviate blight, abandoned homes and vacancy across the region.

The CCEDC hosted a Rural by Choice Blight Forum that addressed ways to alleviate blight and address policies that actually encourage blight.

A year later the the House of Representatives Committee on Land, Agriculture and Rural Affairs met to address some of the issues facing rural communities regarding abandoned properties and tax laws that encourage blight. These forums connected the local governments to the ADEQ Brownfields programs and ACCHEs health care property lien division.

The CCEDC has successfully helped many homeowners access USDA 504 home repair grants and loans. Those funds have repaired roofs, installed windows, fixed floors and helped to facilitate over \$150,000 in home repairs across the Copper Corridor. Organizations like Rebuild Superior Inc. have started paint programs for homeowners and each community has

instituted some kind of community clean up program. The synergies have been growing and working together has started to pay off of many of the entities.

The Town of Superior and Gila County have successfully utilized the Brownfields grant program with the Arizona Department of Environmental Quality to clean up properties that have been abandoned. There is a limited amount of Brownfields Funding at the state level and, with great need for blight abatement in the region, the the Towns of Superior, Miami, Kearny, Hayden, Winkelman along with the City of Globe and Pinal and Gila Counties are partnering together to apply for a federal "Regional EPA Brownfields Grant"

The Town of Winkelman hosted the kick off meeting for the Copper Corridor Blight Busters in early September. Each of the entities is expected to sign an agreement letter to join the coalition and sign an MOU. If selected the funding will be used to provide phase one and phase two environmental clean ups on properties throughout the region. Gila County has agreed to the partner agency to manage the grant and administration. The grant will be submitted in December and would be awarded in 2020.

The Blight Busters meet in Winkelman.

### NOTICE TO POTENTIAL BIRTH FATHER (A.R.S. § 8-106)

Notice is given to Levi Riley that you have been identified by Ali Super of Tucson, as a potential father of Baby Super born on or around July 5, 2019 in Tucson, Pima County, Arizona. You are informed of the following: 1. Ali Super is the mother of Baby Super and plans to place the child for adoption. 2. Under Section 8-106 and 8-107 of the Arizona Revised Statutes, you have the right to consent or withhold your consent to the adoption. 3. Your written consent to the adoption is irrevocable once you give it and you cannot withdraw your consent. 4. If you withhold your consent to the adoption and wish to oppose the adoption, you must initiate paternity proceedings under Title 25, Chapter 6, Article 1, Arizona Revised Statutes, and serve the birth mother within thirty (30) days after completion of service of this notice. You must comply with the Arizona Rules of Civil Procedure when serving the birth mother. 5. Should you file a paternity action, you have an obligation to proceed to judgment in the paternity action. 6. You have the right to seek custody of the child during your paternity proceedings, though establishment of paternity does not guarantee that you will be granted custody of the child. 7. If you are established as the child's father, you must begin to provide financial support for the child, whether the child is with you or in the mother's custody. 8. If you do not file a paternity action under Title 25, Chapter 6, Article 1, Arizona Revised Statutes, and do not serve the mother within thirty days after completion of service of this notice and pursue the action to judgment, you cannot bring or maintain any action to assert any interest in the child. 9. If you fail to file a paternity action and do not comply with the requirements as set forth in Section 8-106(G) of the Arizona Revised Statutes, you waive your right to be notified of any judicial hearings regarding the child's adoption or the termination of your parental rights and your consent to the adoption or the termination of your parental rights will not be required. 10. The Indian Child Welfare Act (ICWA) may supersede the Arizona Revised Statutes. 11. For the purpose of service of a paternity action under Title 25, Chapter 6, Article 1, Arizona Revised Statutes, service may be made on the mother at Adoption Solutions of Arizona, 1200 N. El Dorado Place Suite B-260, Tucson, AZ 85715 12. You may wish to consult with an attorney to assist you in responding to this notice.

This program is conducted in several modules and takes approximately 20 hours to complete. Some of the topics taught in a Teen CERT class include things like: putting out fires, conducting light search and rescue, assisting those who are injured, setting up medical treatment areas, assisting emergency responders, identifying and anticipating hazards, reducing fire hazards in the home and workplace, and helping to reduce survivor and their own stress levels. Throughout this program, teens also learn leadership skills, critical thinking skills and many other skills they can take into their adult life. Another thing that can be done after completing Teen CERT training is to work with school officials and start an emergency response club. Teen CERT members can also provide first aid coverage at sporting events and other school related venues.

There are many opportunities to assist you in talking to your kids about emergencies & disasters. AZ Safety Solutions can help! # GLOW! opens at Triangle L Ranch

GLOW! opened in Oracle at the Triangle L Ranch on Saturday, Sept. 14. The popular illuminated light show did not disappoint.

The theme was "Mythological" and many legendary beasts, imaginary creatures, gods and goddesses were seen walking the sculpture paths including the Llorona (the crying woman) and a Pookah.

The art was incredible and the entertainment was good. Lots of fun for everyone.

The next GLOW is Saturday, Sept. 21, and the theme is "Intergalactic." So be prepared to see UFOs, alien beings and heavenly bodies. Wear your best Out of this World illuminated costume. The entertainment on the paths will be provided by Ric Volante & Vicki Smith, Oracle Moon Belly Dance, Poi-Zen Fire, Sir T Beckles, hypnopad, Heidi McDonald, and Tarot readings by Felicitas and Chad.

Gila Bend will heat up the night performing from 9-11 p.m. at the Barnyard Stage. Food and soft drinks are provided by the Ore House Hilltop Tavern, the Pie Lady and Orca (Oracle Center for the Arts). Don't forget the costume contest where you can win a night's stay at the Triangle L Ranch and tickets for 2020 GLOW!

For more information or tickets visit [www.trianglelranch.com](http://www.trianglelranch.com) or call (520) 623-6732.
