# Copper Basin Chamber of Commerce, Lead Abatement and Arizona Trail Day

**B**usinesses in the Copper Basin soldiered on through the summer months, but it was not an easy task. Was it the heat? It was a hotter summer, for sure. Was it the loss of the contractors who had finished their work at the Hayden smelter? They had helped our economy for a long time. Many rented homes or RV space; they shopped here; their kids went to school here; they recreated here. But the work they do is cyclical, and when the work is done they go somewhere else.

I have wondered if our four-day school week is a factor. Does it make out of town shopping more attractive to locals? Out of town shopping is not the bargain many think that it is, but when it becomes recreational in nature I can understand the attraction, and the kids can be included.

So what is a local business supposed to do? All of us who live in the Copper Basin should share the concern, for good businesses make it possible for us to live here, not just by providing jobs, but by providing our other needs, including food, our homes, our schools, our streets and water supply, and our health services.

All area businesses, from Aravaipa and

Mammoth to Kelvin and Riverside (and all points in the middle) are invited to an exploratory workshop sponsored by the Copper Basin Chamber of Commerce this Saturday, September 22. It will take place in Ray Hall, the activity center of The Church of the Good Shepherd in Kearny, beginning at noon. A free luncheon is included. Businesses, community organizations, and community minded individuals are invited. The chamber requests only that those coming will call (480) 220-9349 to give their names in order that the right amount of food may be prepared.

There will be introductions at the meal, and then the two-hour workshop on building our local economy will take place. The board of the chamber will be listening and learning as the workshop takes place, which is for all of us, not just chamber members. I hope there will be a good turnout, and that good things will take place.

Owen O'Brien's Kearny Glass and Mirror is moving to the old Circle K building on Tilbury Road in Kearny. Owen will also expanded his towing operation at the same

location. It is a larger space and has more customer parking. The grand opening's date is unknown, but Owen is moving along quickly.

Last week I talk about the lead abatement project in Hayden and Winkelman. Interest is beginning to grow in this free program overseen by Central Arizona Governments (CAG). If you live there, contact Mr. Alan Urban at (480) 474-9300 for information and to register your interest.

This Thursday the Copper Basin Chamber of Commerce is holding a potluck and mixer at the General Kearny Inn at 6 p.m. I hope to see you there, and I hope it sparks interest in the workshop this Saturday.

Coming up: Arizona Trail Day is Saturday, October 6, with at least one person walking on all 400 miles of the trail at one time! There will be events planned at most of the trailheads. If anyone is interested in doing something at our

# Ray posts Homecoming victory in third-straight win

By Andrew Luberda  
Copper Basin News

The Ray football team won its third-straight game last Friday night, defeating visiting El Capitan, 58 – 12. The Bearcats have won each of the last three games

Ray's Romeo Varley with the ball.

in lopsided fashion, which can be attributed to their increasing confidence.

"Although their confidence is high, they know that they were supposed to win these last three games," Ray assistant Jimmy Fessenden said. "They also know these next three games are big."

Ray plays at Hayden and at Arete Prep before hosting Superior in the regular season finale.

"Ray versus Hayden is always a big game," Fessenden

said. "Both teams have their eyes on the playoffs, so that magnifies it. (Friday night) should be a great game."

Up next: Ray visits Hayden this Friday in a game that figures to decide which team will get higher seeding in the playoffs.

"The biggest thing is to not get caught up in the hype of the rivalry," Fessenden said is one of the keys to victory.

"If we execute and play Bearcat football we will do well."

Friday's kickoff is scheduled for 7 p.m.

# Explosive offense leads Hayden to win

By **Andrew Luberda**  
Copper Basin News

The Hayden offense scored 22 points or more in three of four quarters during last Friday's 76 – 36 victory against visiting Arete

Prep.

The win improved the Lobos record to 3 – 1. Hayden scored 24, 22, and 23 points in the first three quarters, respectively.

"Our line dominated on offense," answered Hayden head coach John Estrada, when

asked about his team's performance. "We played well and executed as a team."

The Lobos host Ray this Friday in the next edition of the schools' rivalry.

"It's like any other game," Estrada said.

"Ray is No. 5 in the state. We better be ready

to play."

How can the Lobos notch their fourth win of the year?

"Do our jobs," Estrada responded.

**Up next:** Hayden hosts Ray this Friday, Sept. 21. Kickoff is scheduled for 7 p.m.

## Blessed Sacrament Church to host annual Fiesta Sept. 22

The annual Blessed Sacrament Church Fiesta, for the residents of Mammoth and the Tri-Community, is an event that fosters togetherness while reminding the individual of the importance of human dignity.

It is a commemoration of the ringing of church bell by Roman Catholic Priest Miguel Hidalgo y Costilla on Sept. 16, 1810, which began the call to arms that began the Mexican War of Independence.

Mixed with the seriousness and memorial qualities is an air of fun, with food, games and more.

This year, the Blessed Sacrament Parish Fiesta will be held on Saturday, Sept. 22, at 122 W. Church Dr., Highway 77 in Mammoth. It will start with a 2 p.m. Blessing of the Booths, followed by Joe Arbizo and Conjunto from 3:30 p.m. through 4 p.m. Ballet Folklorico Del Sol will perform from 4:45 p.m. – 5:45 p.m. The Mariachis Corazon de Tucson will perform from 6 p.m. through 8 p.m. and, finally, from 8 p.m. through midnight, Quieres Mas will round out the performances.

All are invited to attend.

# Ray High School has new principal at the helm

By John Hernandez  
Copper Basin News

Carlos Armendariz is the new Ray High School Principal and Athletic Director.

He grew up in the small town of San Luis, Arizona near Yuma. After high school he attended the University of Arizona. This year he will be starting his 35th year in public education, 14 of those years as an administrator including time in the Tucson Unified School District.

Armendariz has goals and plans for the district.

"I would like to offer our students a variety of educational opportunities," he said. "This year we are offering our students a range of online, elective courses, such as artificial intelligence, introduction to veterinary science, creative writing and photography. It's our attempt to provide students with options available to students in larger communities. We realize student's choices, so we are trying to make Ray

Junior and Senior a very viable and attractive choice."

The junior high students will also see some changes.

"We are also offering Spanish and career exploration to junior high students," Armendariz explained. "Ultimately we are trying to prepare students for work, the military or college."

He also wants to attract students who may have left the district for different programs. High school dropouts, too, he plans to target, although he's unsure of how many students have dropped out in the past couple of years.

"We will be reaching out to students who have dropped out of school and trying to provide them with options. We will look at their age and number of credits earned and determine if we can provide them a viable educational plan."
