Vertigo – More Than a Movie

More than an exceptional Alfred Hitchcock movie, vertigo is a label that plagues many a person. It is not, as some might suspect, a fear of heights (acrophobia). The term is used to identify any experience of disorientation. The true definition of vertigo is a sense of spinning, while holding still. This can be associated with the physical spinning of the body in circles or excessive alcohol consumption or perhaps a drug side effect or a viral infection or even crystalline matter that might dislodge and cause disruptive irritation of the balancing fluids of the inner ear.

This particular phenomenon is associated with de-synchronizing the fluid position in the semi-circular canals of the inner ear with the rest of the proprioception efforts of the mind. Proprioception means one's own sense of relative position. The mind gathers information from the semicircular canals of the inner ear and the cerebellum of the brain and visual cues from our eyes to construct a balanced sense of orientation in our environment.

The semicircular canals consist of three circular tubes located in the inner ear, positioned alongside the cochlea which interprets sound. These canals are filled with fluid that shift, much as the fluid in a carpenter's level shifts, to indicate position. The three canals are situated to orient in each of the three dimensional planes. If the fluid position lags behind the actual position of the head as perceived by the eyes and cerebellum, then the mind will produce signals that are disturbingly disorienting.

The term vertigo is often used for any disorientation, including simple dizziness which has more to do with oxygen deprivation to the brain than an inner ear condition. Dizziness can be seen in people with anemia or hypoglycemia or hypothyroidism or asphyxiation by a poison.

A somewhat common cause of vertigo is Meniere's Disease which is little understood and may be precipitated by a viral infection or fluid buildup in the inner ear or poor circulation. It is suspected to have a genetic component to it in some individuals and it may be progressive, meaning that it could lead to deafness.

Another common, and easier to treat, cause of vertigo is the presents of calcium crystals in the semicircular canals.. They may become dislodged and float about the

canals disrupting the fluid movement of the liquid.

A quite simple positional movement of the head (the Epley maneuver) can reposition the crystals with the help of gravity to their appropriate location and resolve the disorientation phenomena.

Motion sickness is certainly a type of vertigo caused by the eyes and the body being de-synchronized.

As with any condition, it is important to identify the

Group forming to help Oracle homebound

By **John Hernandez**
San Manuel Miner

Oracle Village Outreach is a group of Oracle residents looking to form an organization of volunteers to help seniors and other homebound people in Oracle. The outreach group would like to be able to provide services for anyone that is homebound such as providing transportation for medical appointments or grocery shopping, friendly social contact and helping hands for small jobs like light home maintenance, changing light bulbs, etc. Their early focus will be on transportation.

Volunteers helping the homebound is a growing idea. Many rural communities around the country are organizing help

groups to provide much needed support for the elderly and others. On Thursday, Sept. 20, 2018, Oracle Village Outreach will be holding a public meeting at the Oracle Fire District station at 10:30 a.m. They will be discussing their services, volunteer enrollment and outreach in the community. Everyone is invited.

Oracle Village Outreach is a 501(c)3 non-profit organization. They are looking for volunteers and funding. A fundraising sale is planned for Oct. 6, 2018 from 7 a.m. to 2 p.m. at the Oracle Art Station, 1395 W. American Ave.

The governing board for Oracle Village Outreach is Liz LaFarge, President, Virginia Gonzales, Vice President, Dawn Weiss, Treasurer and Susan Ruffini, Secretary.

Optimistic outlook remains for winless Miners

By Andrew Luberda
San Manuel Miner

Junior Caleb Quintero rushed for nearly 200 yards and Santiago Salazar led the San Manuel defense, but it wasn't enough to secure the first win of the season for the Miners, who remain winless after a 26 – 12 loss to visiting Willcox last Friday night.

"I think we played a solid three quarters, but we just didn't finish it," San Manuel head coach Damon Lovato told The Miner. "We dominated the game on both

sides of the ball for three quarters."

Despite the loss, the Miners are maintaining an optimistic outlook for the season, knowing they control their own destiny in the 2A Gila Region.

"We have a log of freshmen and sophomores coming up, learning how to play with the big dogs," senior middle linebacker Michael Ochoa said. "The losses are just learning games for us. We're progressing through them.

"The younger guys' nerves are starting to settle a little bit and we're hitting more."

Added Lovato: "The reality of (our situation) is we can get on a roll in our (region).

According to senior lineman Luis Chavez, the Miners are making progress.

"We just have to keep working toward our goals and continue to come together as a team," he said.

Up next: The Miners host Santa Rita this Friday, Sept. 21. Kickoff is scheduled for 7 p.m.

"If we do our jobs and do what we're coached to do, the results will be in our favor," Lovato said.

Miner swimmers qualify for State Meet

On Saturday, Sept. 15, Miner Swimmers competed in the Wolves Invitational Swim Meet. The meet was designated as a qualifying meet, which was the first opportunity that Miner Swimmers could achieve qualifying times for the Division III State Championship Meet to be held in November. Over 1,000 Swimmers from 50 Schools from all Divisions competed at the meet.

While the Miners showed they could compete with schools of all sizes, the real prize was the potential qualifying times they came home with. The fastest 24 swimmers in each individual event are eligible to compete at Division III State and the Miners swam several

times that are likely to make the cut. Qualifying Times are designated as provisional or automatic. A provisional time will allow a swimmer to enter the State Championship Meet, but only the fastest 24 swimmers will be allowed to compete. An Automatic Qualifying time guarantees that a swimmer can compete at the Championship Meet and is based on the last few years average 8th place time in each event.

Senior Michael Primero-Predgo achieved provisional qualifying times in the 100 Freestyle (54.68) and the 100 Backstroke (1:08.65). Additionally, his lead off leg on a relay was also good enough to earn a provisional qualifying

time in the 50 Free (24.86)

Want to learn to sew?

Teens Sew Cool, in conjunction with the San Manuel Jr/Sr High School's After School Program, delivers a sewing class that meets on Wednesdays from 1-3 p.m. for nine-week sessions in the Fall and Spring. Students in third grade through high school are welcome.

Teens Sew Cool has their own classroom at the school in a wonderful setting to learn. Class size is between 10-12 boys and girls. Each student has a sewing machine to use during class. Fabrics and notions for the various projects are provided to the students at no charge by

Teens Sew Cool program. There is no charge to sign up for the sewing sessions.

During each of the sessions, students learn sewing basics and apply them to make various projects, such as pillows, stuffed animals, tote and cargo bags, raggedy quilts, notepad and binder covers, fleece hats and scarves. In addition to sewing for their own use or as gifts for their family members, each year students complete a community project. Most recently they made stuffed dinosaurs for children going into foster care.

Teens Sew Cool group wants to teach the art of sewing to young people with the goals of giving them a sense of self-esteem, pride of accomplishment and skills for future use in family and possible income production.

Fall session starts on Wednesday, Oct. 10 at 1 p.m. at the San Manuel Jr/Sr High School, 711 S. McNab Parkway in San Manuel. Space is limited to 12 students, so don't wait to sign up.

If you are interested, contact Judy Padgham at jep2@centurylink.net. An application will be sent to you. The first 12 students registered will be able to attend.

2. The Court has set an Initial/Publication hearing on the 20th day of November, 2018 at 2:00 p.m., at the Pinal County Superior Court, 971 North Jason Lopez Circle, Florence, Arizona 85132, before the Honorable DeLana J Fuller for the purpose of determining whether any parent or guardian named herein is contesting the allegations in the Petition.

3. You and your children are entitled to have an attorney present at the hearing. You may hire your own attorney or, if you cannot afford an attorney and want to be represented by an attorney, one may be appointed by the Court.

4. You have a right to appear as a party in this proceeding. You are advised that your failure to personally appear in court at the initial hearing, pretrial conference, status conference, or dependency adjudication, without good cause shown, may result in a finding that you have waived your legal rights and have admitted the allegations in the Petition. In addition, if you fail to appear, without good cause, the hearing may go forward in your absence and may result in an adjudication of dependency, termination of your parental rights or the establishment of a permanent guardianship based upon the record and the evidence presented to the court, as well as an order of paternity, custody, or change of custody in a consolidated family law matter and an order for child support if paternity has been established.

5. Notice is given that DCS is proposing to substantiate any allegations of abuse and/or neglect contained in the dependency petition for placement in the DCS Central Registry. The DCS Central Registry is a confidential list of DCS findings that tracks abuse and neglect. If the court finds your children dependent based upon allegations of abuse and/or neglect contained in the dependency petition, you will be placed in the DCS Central Registry. See A.R.S. § 8-804.

6. If you are receiving this Notice by publication, you may obtain a copy of the Dependency Petition, Notice of Hearing, and Temporary Orders by submitting a written request to: SARAH ANDERSEN, Office of the Attorney General, CFP/PSS, 120 W. 1st Avenue, 2nd Floor, Mesa, Arizona 85210. The assigned case manager is Phoebe Turner and may be reached by telephone at (480) 782-4254.

7. Requests for reasonable accommodation for persons with disabilities must be made to the court by parties at least three working days in advance of a scheduled court proceeding and can be made by calling (520) 866-5400.

8. You have the right to make a request or motion prior to any hearing that the hearing be closed to the public.
