Go Panthers! Our team is rooting  
for Superior High School victories  
in all the sports throughout the year.

# Superior falls to Wildkats; Mogollon up next

By Nathaniel A. Lopez  
Superior Sun

On Friday, Aug. 27, the Panthers faced off against Duncan on the Superior High School football field. Early in the season and only their second game, the Panthers have still not been able to find a win.

Down by 12 for majority of the game, the Panthers were unable to breakthrough on offense. Duncan suppressed Superior's scoring, and kept them off the board. The final score was 0-26.

"I am proud of our team, we played

hard and competed," said head coach Joshua Denhalter. "I got to do a better job of putting our athletes in a position to have success. We have a young team, and our goal is to be the most improved team every week. Duncan is a good team, and while it may not have been obvious on the scoreboard, our players grew from week one to week two. We will keep grinding in week three."

The Superior Panthers will travel to play against the returning state champions, the Mogollon Mustangs, on Friday Sept. 3 at 7 p.m. If you cannot make it in person to support the Panthers, the

game will be viewable via livestream on NFHSnetwork.com.

"The game will be a great measuring

point for us," stated coach Denhalter with hope. "The season is still young, and we will keep getting better."

## Superior Public Library celebrates September 2021 Library Card Sign-Up Month

Since 1987, Library Card Sign-up Month has been held each September to mark the beginning of the school year. During the month, the American Library Association and libraries unite in a national effort to ensure every child signs-up for their library card.

Throughout the school year, public librarians and library staff will assist parents and caregivers with saving hundreds of dollars on educational resources and services for students. From free access to STEAM programs/activities, educational apps, in-person and virtual homework help, technology workshops to the expertise of librarians, a library card is one of the most cost-effective back-to-school supplies available.

Library Card Sign-up Month 2021 Honorary Chair is

Marley Dias.

Marley Dias, the founder of #1000BlackGirlBooks, author, and executive producer is taking on a new role as honorary chair of Library Card Sign-up Month. This September, Dias will join the American Library Association (ALA) and libraries nationwide in promoting the power of a library card.

As honorary chair, Dias will remind the public that signing up for a library card provides access to technology, multimedia content, and educational programming that transforms lives and strengthens communities. "A library card is the ticket you need to travel across the globe. It allows you to experience stories that can connect you to diverse and empowering experiences," said Dias.

Sign up now for a library card.

## OPINION

# Education Critical to Our Future in the Copper Corridor - Visit to Helios Inspires Collaboration

Recently, the mayors and school district superintendents of Globe, Superior, Miami, Hayden, Winkelman and Kearny were all invited to visit the headquarters of Helios Education Foundation in Phoenix. The purpose of the meeting was to learn more about the

current educational attainment of K-12 students across the Copper Corridor region as well as the variety of social and economic factors that affect their ability to learn. The data presented to us was compelling, all the more so because it was the most recent data available and could be correlated through

technology.

In our session, we learned that simple things like our children having enough to eat throughout the month helps to improve their ability to learn. We learned about the effects that the contamination of lead based paint can have on children. Even air quality can be a factor in our students' success. Of course, school funding also directly impacts the educational attainment of our children and youth, as does the lack of funding and declining enrollment that many of our communities here in our region and across the Arizona have experienced over the years.

These and other equally daunting factors can often be construed as insurmountable and render us feeling powerless. The meeting last week reminded me that our region has always been resilient and committed to not only fiercely battling challenges, but also to ensuring that our youth have abundant opportunities for their futures. Our communities have educated doctors, lawyers, engineers, miners, educators, business executives and countless hometown heroes who have become leaders in their professions and

industries.

One of our greatest advantages as a region is the fact that our leaders are at least willing to come together to have a conversation, to dialog on what actions we can take to address these challenges, how we can leverage our resources and how we can best advocate for our schools and education systems.

This local leader, me, Mayor Mila from Superior, sees a bright future ahead when we can all work together. When we come together, we are a formidable force, as there is strength in a group of many working together as one. Collectively, we share values that bind us all together – we all want great futures for our residents, especially for our children and youth. We can help to shape even brighter futures for our students – those who are here today and those who inevitably will come in the future.

The Mayors of Superior, Kearny and Miami left the meeting last week with a simple challenge: let us use our resources to help our students complete FAFSA applications so they can see college is

# Shop Local: Conoco Good to Go Gas Station

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community as a thank you for supporting us through these troubled times. Our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) have been featuring

local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 101 businesses and groups in the Copper Corridor.

It is hard enough making it as a small business in a small town during normal times. But to balance those difficulties during a pandemic adds an entirely different twist to things.

US 60 through Superior, on average has 10,000 cars a day pass through. The residents of Superior often travel for work, medical services, retail options and of course leisure trips. Many passing through don't realize there is a Main Street with other retail options, but they do stop along US 60 for gas and other items.

## US 60 Traffic Alert

FIVE DAY CLOSURE SCHEDULED IN SEPTEMBER

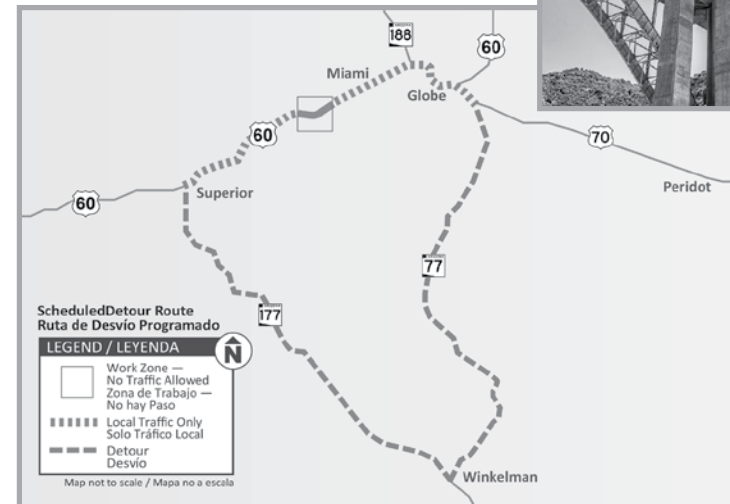

US 60 is scheduled to close to all through-traffic between Miami and Superior in mid-September so crews can shift traffic from the old Pinto Creek Bridge onto the new bridge. The closure is tentatively scheduled to extend from 10 p.m.

Sunday, Sept. 12, through noon Friday, Sept. 17. During those hours, traffic will be detoured to State Routes 77 and 177. Motorists with a destination between SR 177 and Top-of-the-World west of Pinto Creek or between Miami and Pinto Valley Mine Road east of Pinto Creek will be allowed to pass, however no vehicles will be allowed between Top-of-the-World and Pinto Valley Mine Road.

Check the following sources to learn about any schedule changes:

## Alerta de Tráfico - US 60

### SE ESPERA UN CIERRE DE CINCO DÍAS EN SEPTIEMBRE

La US 60 está programada para cerrarse a todo el tráfico entre Miami y Superior a mediados de septiembre mientras que el equipo de construcción cambie el tráfico del puente antiguo hacia el puente nuevo de Pinto Creek. El cierre está tentativamente programado a partir de las 10 p.m. del domingo 12 de septiembre hasta el mediodía del viernes 17 de septiembre. Durante esas horas, el tráfico se desviará a las rutas estatales SR 77 y SR 177. Conductores con destinos entre SR 177 y Top-of-the-World al oeste de Pinto Creek o de Miami a Pinto Valley Mine Road al este de Pinto Creek podrán pasar, pero no se permitirán vehículos dentro de Top-of-the-World y Pinto Valley Mine Road.

Consulte las siguientes fuentes para informarse de posible cambios de horario:

Hours are 9 a.m. to noon Monday, Tuesday, Wednesday, Thursday and Saturday. To be eligible you must show proof of address that you live near or in Mammoth, San Manuel and Oracle and have an income within the federal poverty guidelines. The thrift shop is closed and is not accepting donations. Call 520-487-2010 for more information.

## San Manuel Senior Center Recycling Issues

Folks who are bringing the San Manuel Senior Center cans, please know that the Recyclers will not take the bags of cans if they have trash with them. San Manuel Seniors had 120 lbs of cans when they took them down recently that were not accepted and the recyclers sent back a note that said the group lost \$50 because of this. Please be careful when donating cans for recycling. Thank you and thank you for continuing to save cans and donate them.

## Superior Headstart Registration

Headstart is a free preschool program in your area located at 150N. Lobb Ave. Our program promotes school readiness and prepares your children for kindergarten. In our program your children will receive meals, learning experiences that promote growth in all areas of child development, and individualized services for all children. Headstart is currently accepting applications for the upcoming school year. If you're interested you can start the application process at [www.pgccs.org](http://www.pgccs.org) or you can speak to one of the staff at the site. 520-689-2812 is the number to call for more information.

## Community Input Sought for Superior's General Plan

The Town of Superior is seeking residents' input on the update to the General Plan. This is the plan that will guide the Town's future for the next 10+ years. The General Plan contains visionary goals and policies that will drive decision making for topics including land use, transportation, public facilities, open spaces, housing and other critical community resources. You are invited to participate in an online survey through the month of July. Go online to <https://www.surveymonkey.com/r/SuperiorGenPlan>. Paper copies are available at town hall. Voice your priorities to the town as it grows and develops. For more information, email Amy Garinger ([amy.garinger@kimley-horn.com](mailto:amy.garinger@kimley-horn.com)) or Arlene Diaz-Gonzalez ([adgonzalez@superioraz.gov](mailto:adgonzalez@superioraz.gov)).

attainable for them and let us be ardent promoters of many programs available in our communities. I look forward to including our fellow mayors and moving this challenge across the region. Yes, there is more advocacy work to be done and we are ready for that work.

I applaud Resolution Copper for providing the resources and facilitation for our region to come together to address the education issues, that we have access to the data and leadership at Helios to help us improve our local education systems and increase college enrollment from students in our region.

Without the communities of Arizona's Copper Corridor and all communities connected to the metals extraction industry, this world would not run the way it does. It is time for us to collaborate and build the next generation of leaders and, without quality education in our communities, we are risking everything we all have worked

The current Conoco Gas station has been at the corner of Western Avenue and US 60 for decades. It was a 76 Gas Station, then changed into the Tiger Mart gas station and now today it is a Conoco Good to Go station. This past year the management closed the store and station for two months to complete major upgrades and renovations to the store.

The fuel tanks, fuel lines and pumps were replaced completely. These upgrades help to ensure that the gas station is operating with the latest in safety standards. They also remodeled the interior, upgrading the bathrooms, counter and retail spaces. There is an upgraded beverage station with a variety of coffee and soft drink items and they have added new retail products as well. They are also a vendor for the Arizona Lottery and Tonto Passes can be purchased at the store.

Good to Go also has been giving back to the community and recently donated \$500 to Regenerating Sonora for the Prickly Pear Festival. Their manager Alicia Burke also reported that during COVID they saw a slow down of business and gas sales, due to less people traveling but business is now picking up. She also said that they appreciate everyone being respectful of mask rules and social distancing, to help keep everyone safe.
