## OBITUARY

# Josefina G. Gudino

Josefina G. Gudino, 81, died Saturday, Sept. 19, 2015 at St. Joseph's Hospital in Phoenix. She was born Nov. 30, 1933 to Ramona Zamorano and Vicente Grajeda in Ahualulco, Jalisco, Mexico.

She was preceded in death by her parents, her Godmother and her husband of 61 years, Otilio, who passed away in January 2015.

She attended school in Mexico and was a very serious and dedicated student. For this she was given the honor of being the official Flag Bearer representing her school at parades during all Mexican National Holidays and other official functions. At a very young age she began to learn sewing from her mother, who was an excellent seamstress. Later, as a young adult, she mastered the craft and became an excellent seamstress herself.

She had also received a scholarship to attend college to become a schoolteacher. However, she married the love of her life, Otilio, instead.

Having lost both parents at a very young age, she was raised by her Godmother, Guadalupe C. Banda.

She and Otilio with two of their children, came to the United States in 1956 in order to be close to her Godmother, who had immigrated the year before. She and her husband were

residents of Superior, Arizona since then.

Josefina, LOVED music, dancing and spending time with her family and friends. She was a great cook who loved to make special dishes for her family. She will be specially remembered for making the best tamales in the world!

Her favorite hobbies were attending the Senior Citizen Center and playing bingo and trying her luck at the slot machines at the casino.

She is survived by daughters, Leticia Silvas and Hortensia Gudino; and sons, Jesus (Rachel), and Gabriel (Loretta) Gudino.

Josefina was blessed with eight grandchildren, Mary Elizabeth Silvas Kennedy (Chad), Andrea E. Silvas, Victoria Gudino, Sergio Gudino (Nichole), Rene Gudino (Samantha), Omar and Adrian Gudino, and Paul Meyer. Her "little treasures" were her great-grandchildren, Cayden Kennedy, Ariana, Izabella, and Dorian Gudino. The arrival of a fifth great-granddaughter is expected in October by Rene and Samantha. She also is mourned by her other family members: Carmen Banda-Oberg, of Tucson, Maria Ybarra of Superior, Tony, Julio and Ramon Banda of Phoenix-Mesa area.

Services will be held at St. Francis of Assisi Catholic Church in Superior, Arizona on Friday, Sept. 25. Viewing will be at 9:30 a.m. Rosary will begin at 10 a.m.; Mass will be celebrated at 11 a.m. followed by interment at Superior Cemetery.

Our Josefina leaves a big open wound in our hearts and we will miss her always. May GOD keep YOU by his side forevermore.

## Panthers remain

By Andrew Luberda  
Superior Sun

The sixth-ranked Panthers won their fourth-straight game last Friday night and remain undefeated after defeating winless Arete Prep, 55 – 6.

Superior has steamrolled its first four opponents, who have combined for only three wins so far this season. But don't blame the Panthers for making it look easy; they can only play the teams on their schedule, in order, and so far they're doing what they should – winning by large margins and leaving no doubt.

In Friday's win against the Chargers, Nicolaus Cruz threw for three touchdowns and ran for two more. The junior signal caller now has nine passing touchdowns and seven rushing touchdowns on the season. On Friday he was 5-of-6 passing for 140 yards and rushed for 71 yards on only three carries.

Senior captain Elias Olmos added three touchdowns of his own – one rushing and two receiving – in the victory. He had two catches for 82 yards in addition to a six-yard touchdown run.

Steven Ybarra and Marcos Bueno each had a touchdown in the game.

Jesus Castellanos led the Panthers on defense, recording a team-high seven tackles. Austin Navarrette and Dominic Perea each finished with six tackles against the Chargers. Perea and Olmos also recorded interceptions for Superior, which has only allowed eight points per game in its four wins this season.

The Panthers travel to Ray this Friday to take on the Bearcats in the annual Copper Helmet game. The Cats are coming off a bye and have had two weeks to prepare for the game.

Kickoff is scheduled for 7 p.m.

Superior's Elias Olmos (25) races to catch the ball ahead of the Charger's Matt Wilson (88).

## Cobre Valley Institute of Technology, Ray School Unified District school boards vote to form partnership

A historic step was taken by the Ray Unified School Governing Board on July 29, 2015. The governing board voted unanimously to ask citizens of their school district for approval to join the Cobre Valley Institute of Technology (CVIT). CVIT is a Joint Technological School District (JTED). The CVIT School Board accepted Ray's resolution with 5-0 vote to join CVIT in regular board meeting on August 27, 2015.

Registered voters in the Ray Unified School district will be able to decide at the November 2016 election if they want to be part of CVIT. Should voters approve the request of the Ray governing board to join CVIT, there will be a slight increase in property taxes. The exact amount was not available at press time. The process to include Ray Unified School district into the CVIT district could take up to two years due to the election process.

The primary purpose of the JTED is to deliver premier technical education

programs in partnership with business, industry and community stakeholders in the region. JTEDs develop a skilled workforce by helping students attain technical and employability skills and preparing them to succeed in postsecondary education and develop job skills that can be used right after high school.

The CVIT district is currently serving students from Globe, Miami, Superior, Hayden-Winkelman and San Carlos, offering career and technical education programs on their five member high schools campuses as well as central programs held on community college campuses. CVIT's Central Programs are for college credit and lead toward college degrees and industry certifications. Programs are free to high school age students. # Leo's Grocery: the tradition continues

By Mila Besich-Lira  
Superior Sun

In 1948, a partnership of four people opened what is known today as Leo's Grocery and Meat Market. Those four people were Raymond Lopez, Lalo Garcia, Leo Gonzales and Maria Casillas. The four along with their families operated the grocery store on the corner of Pinal Ave. and Stansberry.

"The store provided a good life for me and my family," explained Raymond "Kito" Lopez, who grew up working in the store that his parents were part owners of. "When the mine closed in 1982, I remember my mom calling me saying it

was the end of the world."

Over the years the business adapted to a shrinking customer base as residents left to find new jobs out of town. Eventually the partnerships changed with the business; Lalo Garcia was one of the last partners to leave the store in 1991 leaving Raymond Lopez as the final owner of the store until he died. Today it is his son, Raymond, who runs the store and plans to continue the legacy. Over the years they have had to adjust their inventory with the demand and needs of the customer, but one of the successes of the store is their meat department.

The store has always been well known – almost famous – for its chorizo. On a busy

weekend they will sell close to 200 pounds of chorizo.

"People come from out of town to buy it," Lopez said. "We have had people ask us to ship it to them, but we have not tried that yet."

The savory Mexican sausage has a secret recipe that is guarded and very few people know it. Lopez explained that over the years there has been a few variations to the recipe and after reviewing the original recipe they plan to follow it to bring back the most authentic version of the recipe. They also sell cleaned and cut tripe for those who do not want to do all the work of cleaning and cutting tripe when making a homemade menudo or you can purchase an

uncut tripe. The store also has marinated beef and chicken for carne asada. It is recommended that you call in advance to order the cut menudo and marinated meats, especially if you have a large order.

Keeping the store open has not been easy for Lopez. When his father passed, he had to make many changes in the building to ensure the building was up to code, costing him a good portion of his pension. But he isn't giving up. Lopez is looking forward to other new businesses opening on Pinal Avenue and building the store up once again.

The store is open Tuesdays and Wednesdays, 9 a.m. to 4 p.m., and Thursday-Saturday, 9 a.m. to 6 p.m.

Antonio Rangel the butcher from Leo's Market along with Raymond "Kito" Lopez look forward to more businesses coming to the Pinal Ave. neighborhood.

# Nature Club Program brings hands-on education to Superior fifth, sixth grade students

Resolution Copper, Boyce Thompson Arboretum and Superior Unified School District are partnering to extend the Nature Club program agreement for two additional years. Celebrating its ninth year, the Nature Club Program allows John F. Kennedy Elementary School 5th and 6th grade students to learn more about wildlife through recreation, research and conservation opportunities at the Boyce Thompson Arboretum. The program is collaboration amongst Resolution Copper,

Boyce Thompson Arboretum and Superior Unified School District.

"The Superior Unified School District along with JFK Elementary School is grateful for the opportunities provided to our students by Resolution Copper as well as the Boyce Thompson Arboretum," said Stephen Estatico, Superior Unified School District Superintendent. "This is a great interactive experience that will hopefully instill a lifelong appreciation for our surroundings."

"When children interact with nature their world changes," said Boyce Thompson Arboretum Education Director Lacey Pacheco. "As they start to internalize their experiences everything makes sense from today's math assignment to what they would like to achieve in the future. This is what I love about this program."

With its inception in 2006, the Nature

Club Program is one of Resolution Copper's longest running community education programs.

"We are proud to support local educational opportunities and are delighted to see the students having fun and learning simultaneously," Resolution Copper project director Andrew Taplin said.

Officials from Superior Schools, Resolution Copper and the Arboretum sign a joint agreement for the JFK Nature Club.

# Mining Rocks to be held at Miami's Bullion Oct. 3

The green in front of Bullion Plaza will be alive with interactive booths, arts and crafts vendors, a kids area, food booths and more on Oct. 3 for Mining Rocks. Displays by local mining companies will be on hand and the mobile visitor center from the Copper Corridor will be open for business. The event opens at 10 am and will continue until 6 pm.

Ever wonder what it's like to run a piece of heavy machinery? Do you have it in you to climb 35 feet up a rock wall? Maybe you're thinking your kids could use a little exercise on an obstacle course. If any of these are on your bucket list, the Mining Rocks festival on Oct. 3 in Miami is the place to be.

Vendors featuring everything from jewelry to copper art work and more will be out on the green. If you've always thought there's nothing to driving a piece of machinery bigger than a bus, this is your chance to see if you're right with a simulator brought on site by Freeport-McMoRan.

The climbing wall and obstacle course will be open from

noon to 4 p.m. and will be free for visitors. Live music by Low Expectations is offered from 2-6 p.m. and food vendors will be on hand all day, with seating for guests.

Head inside to see the art contest entries and see if you can guess how much a spool of copper wire weighs, or just how many pennies are in that jar. It's all part of the fun at Mining Rocks.

Enjoy hamburgers and hot dogs, snow cones and kettle corn just for starters. It's a great way to kick off fall with the Mining Rocks event at Bullion. A portion of the monies raised will go to the Bullion Plaza Museum. Sponsors for the event include Platinum sponsors Freeport-McMoran, Resolution Copper, Capstone, Supervisor Mike Pastor, Gold Sponsor Desert Fox Minerals, and Silver Sponsors Dream Pole Construction, KGHM-Carlota Copper Company, Southwest Gas, Supervisor John Marcanti.

Anyone interested in vendor space is invited to contact the chamber at (928) 425-4495.

The simulators were a favorite for all ages when Freeport held a community appreciation day a few years ago and they will be back in town at the Mining Rocks Festival on Oct. 3 at Bullion Plaza. This will be a great chance to see if you have the "right stuff" to be a heavy equipment operator.
