LETTER TO THE EDITOR

Speaking out against the proposed Pinal Rural District

The supporters of the proposed Pinal Rural Fire Rescue and Medical District (PRFR&MD) are presently attempting to gather enough petition signatures to establish their district. As residing property owners of this proposed district, we strongly oppose its formation and urge others not to sign the petition. Below are some of the reasons for our opposition.

(1) As stated in a previous letter to the editor (August 13, 2014), this proposed district would significantly raise our property taxes. Using our property as an example, our estimated additional taxes would be \$314, an increase of 32%. In other words, if you sign this petition, you are supporting about a 32% increase in your property taxes.

(2) An important original concern was that the Pinal

Rural Fire Rescue Fire Chief, Bud Paine, had very contentious and un-cooperative relationships with all the local fire districts and emergency medical providers. Steve Turcotte (the Admiral), the Organizing Chairman of Board of Directors of the PRFR&MD, announced in a Letter to the Editor sent within two days of the Pinal County hearing on August 6, 2014, that Mr. Paine was resigning and moving to Idaho. Although this removes a major concern for many people, it also demonstrates the very undemocratic and autocratic way in which the proposed PRFR&MD will operate. It also makes us question whether the PRFR&MD backers will be able to get along any better than Mr. Paine did with the neighboring fire districts.

(3) Another important concern is that the proposed

district appears to be run by non-locals. Rod Prast, the new acting Fire Chief, lives in Mesa and the rest of the potential firefighters all appear to live in Tucson. Steve Turcotte also lives in Tucson and is only at his property in Aravaipa Canyon for a few days each month. Therefore, in contrast to the Dudleyville, Mammoth, and San Manuel fire districts, which are all staffed and run by local, community-oriented residents, the new district would be staffed and run by "outsiders" with little real connection to the local community. Additionally, it is unclear how they would be able to respond to emergencies from so far away.

(4) Further, there appears to be less than 500 people in the proposed district. This is in contrast to about 1300 residents in the Dudleyville FD, 1500 residents in the Mammoth FD, and over 4000 residents in the San Manuel FD. As a result, the proposed district does not appear to have enough people to justify one new fire station, let alone the two stations that they are proposing to maintain and staff. There is also a great deal of undeveloped land with no structures (including the Aravaipa Canyon Wilderness!) in the proposed PRFR&MD. On this land, fires are the responsibility of AZ State Forestry Wildland Fire and a helicopter crew would respond to any medical emergencies, making the inclusion of these lands in the proposed district unnecessary.

(5) The fact that one of the strongest PRFR&MD supporters lives in the Dudleyville FD raises additional questions about their motivation for promoting a new district. Some PRFR&MD backers recently lodged an unfounded complaint with the AZ Attorney General against the Dudleyville FD. This shows that at least some of the motivation for this proposed district is to continue their misplaced vendetta against the Dudleyville FD. Their proposed additional station will be on land donated by the above-mentioned supporter in the Dudleyville FD (their existing fire station is actually in the Mammoth FD). What does that indicate about their future plans?

There may be some areas of the proposed district where there is sufficient residential density to justify inclusion in a taxing fire district, such as along Highway 77 and in Aravaipa Canyon. However, it would make more sense for those residents, if they so chose, to join one of the existing fire districts. The additional tax revenue would allow those districts to improve their equipment and training. It appears that the PRFR&MD supporters are bringing in "outside experts" because they think local residents are incapable of increasing the level of available services. If the PRFR&MD backers were sincere in their claim that they want to improve services for our area, instead of proposing an entirely new underfunded district, they would support the commonsense, limited expansion of the existing districts. We strongly urge the property owners of this proposed fire district not to sign the PRFR&MD petitions.

Orzell to run as write-in candidate for Justice of the Peace

Dave Orzell

Kearny Magistrate Dave Orzell has submitted the proper paperwork to be a write-in candidate for the Kearny-Superior Justice of the Peace. That paperwork has been approved by Pinal County election officials and he will be an official write-in candidate. He will face incumbent candidate Larry Bravo who won the Democratic primary election on Aug. 26.

Orzell's name will not appear on the ballot, however voters wishing to elect him will be able to write in his name for the office. Voters will have to correctly spell Orzell's full name on the ballot. Had a write-in candidate not submitted paperwork following the primary Bravo would not have faced an official opponent.

Voters will head to the polls on Tuesday, Nov. 4, 2014 to elect the Justice of the Peace.

Pinal County Sheriff's Report

The Pinal County Sheriff's Report is taken from the daily logs, based on the information provided by deputies. All persons arrested are presumed innocent until proven guilty in a court of law.

Sept. 15

Charles A. Dominguez, 40, Winkelman, was arrested at the Hayden Police Department and was charged with burglary, theft, possession of stolen property and interfering with judicial proceedings. He was transported and booked into the Pinal County Jail in Florence.

Criminal damage was reported in the area of N. Camino Rio and E. San Pedro Rd., Dudleyville.

Theft was reported in the 14000 block of N. Hwy. 177, Kearny.

Sept. 18

Assault was reported in the 27000 block of N. Mineral Creek Rd., Kearny.

Sept. 19

Criminal damage was reported in the area of E. Old Camp Grant Pl. and S. P Z Ranch Rd., Dudleyville.

Sept. 20

A fire was reported in the 25000 block of N. Deen Ln., Kearny.

Ray High School 1914 - 2014: A historical

As Homecoming 2014 approaches, a little history of Ray High School is in order. A little research revealed a little about the old school, which turned into a lot of research and so much information that it became overwhelming. Here are some of the facts, trivia and stories about Ray School, up to the years the schools were closed in Ray and Sonora and classes were moved to Kearny.

One of the first things learned is that the buildings that

become the high school were built much earlier, and were recognized only as a public school. The earliest mention of a school in Ray was in the September 2, 1907 issue of the *Arizona Republican*, today's *Arizona Republic*.

The article stated: "The Ray school house is nearly completed and will be ready for occupancy when the school term begins, which is in about two weeks." The article goes on to say the credit for this accomplishment is given to H.R.

Wiggins, G. Ake, and Arthur Forman for their efforts in getting a school for "the camp".

The school is at the north end of the camp, and can accommodate about twenty students. The new teacher, Miss Margaret Fairholon will be arriving the 10th of the month".

The north end of "the camp" was in the area of what became Zachary Hill, or the school hill to those of us with memories of Ray.

Another bit of information about the early school in Ray was from the 1956 yearbook, which read: "It was not possible to find out exactly when our school was built, but we do know that in 1908 it was just a two room school, which became what is now the study hall. It wasn't even named Ray High, but was called Dunham School and was the only school in the area at that time." Thank you, Ann Ramsey, for the use of your family's yearbooks.

The high school was originally a one-story building. According to the 1956 yearbook, it was heated by wood and coal stoves, with chimneys on both sides of the building. In the March 28, 1911 issue of the *Arizona Republican*, the writer talked about Ray being not such a little town. He referred to it as "quite a town, with some big stores. There are really three towns, Old Town is for the most part residences erected within the last year or two, and Sonora Town. There is no lack of building material in Ray. At the present, the Hercules Company is building a hotel of stone quarried right off the mountain on which Ray is built and moved only a few hundred yards. I understand this hotel is to have 200 rooms. There is a schoolhouse built of the same stone, which certainly makes a handsome building."

From the 1956 Roundup, "The first enlargement that was made to the school is the section that is now the history room and library. Shortly after this addition was completed, the wind blew the roof off the whole building and instead of repairing the damage, a second story was added. The annex building, now the office and science room, was built in 1941. The last addition was a fire escape, just outside the typing room."

Becky Drew was called upon for help in this fact-finding mission, and, she provided newspaper articles, archive websites, and pretty much anything else sought. From the archives of the State Library of Arizona, a plot map from Sanborn Insurance Company from 1915 shows a public school in Ray. Another map from the same company, from 1919, shows the same public school, with the addition of Lincoln Elementary School.

The *Bisbee Daily Review*, in an article from July 26, 1917 stated, "New School for Ray." "In keeping with the prevalent spirit in Ray, that there is nothing too good for her citizens and residents. It was decided at a meeting of the school trustees to build a new and modern school structure, provided a market could be found for the bonds it would be necessary to vote."

"While Ray's school system is one of the best in the county, the number of children of school age has increased so rapidly that the present quarters have become too cramped and it is not possible to give them the proper training. It is planned to ascertain if there can be a market found for the bonds and if a market is found, a bond election will be called."

That new school building was Lincoln Elementary in Ray,

The building that eventually became the High School, c. 1907-1908

look at our local school

which was located within walking distance from the high school on Zachary Hill. It was a beautiful and stately, red brick two-story building with great arched windows on the upper floor, overlooking the mountains.

The bronze cornerstone plaque from Lincoln was recovered from the rubble after the school was razed, and gave the date the school was dedicated at 1918. The plaque also named the Board of Trustees for Ray Schools on April 1, 1917 as L.S. Cates (the General Manager for Ray Consolidated Copper Company) J. Backstein from Sonora, C.M. Kinsey from Ray, and V.O. Wallingham, the architect. This plaque is now at the Florence museum, along with a large wall clock that hung in either the high school or Lincoln Elementary.

Many newspaper articles were found with information about teachers coming to Ray, such as Mr. Charles T. Jennings, who was teaching in Ray in 1917. He traveled to Tempe to be married to Miss Laura Jensen and they both returned to Ray to teach, (*AZ Republican*, June 21, 1917). A Miss Laudermlch was to begin her teaching service in Ray on August 30, 1919. Apparently, this was news worthy of mention in that day.

According to the *Bisbee Daily Review*, the August 23, 1919 edition, there were 1600 students attending school in Ray and Sonora. Both towns had elementary schools, but the only high school was in Ray.

As the research began to take on more depth, this article from the *Tombstone Epitaph*, dated April 13, 1919, was found, which recounts the story of a kidnapping at the Ray School Building:

“Mysterious Bandits Use Ray School Building as Lair: Hold

Ray High School c. 1947

Boy Captive
Phoenix, Ariz.:
April 10

The new \$30,000 school building at Ray, Arizona has a mystery according to advices from there tonight.

Nick Montgomery, a 15 year old son of R.O. Montgomery, chief clerk of the Hercules Copper Company, while passing the school building at night, heard men's voices, investigated, saw two figures entering the school and followed. When he stumbled and fell in the darkness he was discovered, and according to his story, the pair bound him with the belfry rope and shout him in a closet. The school children discovered him in the morning unconscious from exhaustion and cold, after his father had spent the night in a fruitless search.”

The article mentions the new school building, probably referring to Lincoln Elementary. It is known that Lincoln had a bell, which is now in Ray High School.

Joe and Oralia Tovar provided much information. In one of the many conversations with Joe, he mentioned that long-time area resident, Benita Streecker, had once said she was in the first graduating class from Ray in 1921. This seemed unlikely, since the school was built much earlier, but, according to a copy of the Bearcat newspaper from 1962, provided by Rose Bradford, the class of '62 was the 41st graduating class from Ray. This would put the first graduating class at 1921. Why this is so, no definitive answer has been found to explain, yet. However, in “History of Public School Education in Arizona”, it's mentioned that

Ray High School c. 1958

in 1908, there were only five high schools in the Arizona Territory, none of them in Ray.

It wasn't until 1914 that any “distinctly rural” high schools in Arizona appeared, and at that time there was only about 500 high school age students attending high school in the entire state. Most students of the day only attended school through the eighth grade or until the age of 14. Therefore, it may be that there weren't enough students that stayed in school, before 1921, to achieve graduation.

Valerie Kelley provided copies of the commencement programs from Ray High School, classes of 1929 and 1930. The Class of '29's motto was “I am Master of my Fate, the Captain of my Soul.” They graduated 12 students on Thursday, May 16 at the Iris Theater, which was the movie house in downtown Ray. Their class colors were blue and silver. The commencement address was given by Dr. J. W. Clarson, Jr., Dean of the College of Education, University of Arizona.

The Class of 1930's motto was “Success Waits at Labor's

Bearcats come from behind to beat Panthers

By Andrew Luberd
Copper Basin News

The seventh-ranked Ray Bearcats fell behind the tenth-ranked Superior Panthers last Friday, 20 – 0, before scoring 34 unanswered points to grab the lead.

The Panthers tried to make a comeback of their own on Homecoming but fell short as the ‘Cats held on for the 34 – 32 victory.

The win was the Bearcats’ first in sectional play and moves their record to 3 – 1 on the season. They have now won three

games in-a-row after a season-opening loss to second-ranked Pima. The Bearcats sit atop the Section IV standings in a tie for first place with fifth-ranked Gilbert Christian.

The ‘Cats play three of their final four games at home, beginning this Friday ver-

sus Hayden. The Lobos lost last Friday to the Bearcats’ opponent next week, Gilbert Christian, 56 – 20. The ‘Cats can ill afford to look past the Lobos in anticipation of next week’s important sectional matchup.

Friday’s game versus the Lobos is scheduled for 7:00 p.m.

Jr. Bearcats shutout by Jr. Miners

By Andrew Luberd
Copper Basin News

The Jr. Bearcats suffered their second shutout loss of the season last week, losing to the Jr. Miners at San Manuel, 22 – 0.

Poor execution, inconsistent blocking, and the Jr. Miners’ defense contributed to the Jr. ‘Cats not being able to move the ball the offense, according to head coach Frank Lechuga.

After the loss, Lechuga said the team returned to practice later in the week to refocus on blocking and tackling.

“We’re trying to get back to where we were in the two games that we won,” he said. “(We need) to fire off the ball and be aggressive.”

Fullback Romeo Varley played well, late in last week’s game. He was one of only a few bright spots in the game. It was just a matter of too little, too late. Varley’s performance gives the team a reason to be encouraged going into this week’s game versus undefeated Globe.

Ray’s Cole Yocum (15) runs interference for Destry Yocum (5) while Tanner Willis (72) and Anthony Acuna (63) come in for the assist.

Lady 'Cats volleyball wins fourth straight

By **Andrew Luberda**
Copper Basin News

The fifth-ranked Ray girls' volleyball team won its fourth straight match last Thursday,

defeating Hayden, 3 – 0 (25-19, 25-12, 25-13). During the four-match winning streak, the Lady 'Cats have lost only one game.

Against the Lobos, junior Stormee Galka led the team with 14 kills. Senior Sydney

Chenoweth led the team with 16 service points while senior Sabrina Martinez recorded 15 service points. Galka had three service aces.

Elissa Rodriguez led the team with three

digs and Chenoweth was tops with 12 assists.

The Lady 'Cats are 5 – 1 overall and 3 – 1 in sectional play, one game behind sectional leader Joseph City. They'll host Superior on Thursday, September 25 at 5:00 p.m.

RAY HIGH HISTORY

Continued from page 7

Gate." They graduated 14 students, again at the Iris Theater. Mr. J.J. Oaks was Principal the class flower was the pink rose, class colors were old rose and gold. The Iris Theater seemed to be the venue of high school graduations, at least until the high school gym was built in 1952. From then on, all graduations were held in the new gym.

In a 1938 Bearcat newspaper, it was reported that Ray would put its first football team on the field in the fall of 1939. It would be a six-man team, to be coached by Mr. George Rich, a local merchant.

According to Ms. Leonor Lopez in her book, "Forever Sonora, Ray, Barcelona", Ray had its first basketball team in 1923, the Ray Bear Cats. The school gym wasn't built until 1952, so basketball games prior to that were played in downtown Ray, outside on a cement court.

The baseball team was started some time in the 1920's, but, baseball in Ray went back to around 1910. The field was built by the copper mines as a semi-pro field, and teams came from other towns to play Ray's team. Thanks to Dr. Jim Celis for this information.

By the fall of 1954, the Bearcat football team was under the leadership of Coaches G.E. Crandall and Joe Duarte. They were four and three in their conference and won the B East Conference Championship for six-man football. Perry Hatfield and Ronnie Deen remember riding in a flatbed truck to Hayden to play football. The field was down by today's Hayden Golf Course.

They did get to ride a bus to the Superior games, however. It was a bus loaned to the school by the company, used to bring contractors and miners in to work, referred to as "the turtle" which seated 12. Some of the younger players had to sit on the floor of the bus. Ray played six-man football until the autumn of 1956, when they were able to field an 11 man team.

There was only one athletic field and it was used for football, baseball and track. No one recalled any grass on the field; just dirt and lots of rocks. It is also worth noting that in 1952, Ray had its first All State Player. His name was John Brewer and he was the quarterback on the 1952 All-State six-man football team.

Besides football, basketball and baseball,

the boys had track and, later, tennis. Apparently, the boy's "R" Club was started in 1952.

The girls had their sports as well. By 1958, they had volleyball, basketball, tennis, badminton and softball. The Girls Athletic Association, or GAA, was started when Miss Wilhite, a P.E. major from Pepperdine came to Ray in February of 1955. After Miss Wilhite, Edyth Walden, or as she was best known to us all, Edyth Walden Alexander, took it over and sponsored it until her retirement. Mrs. Alexander also coached all the girl's sports teams throughout the years, and was proud of the girls, always referring to them as "my athletes".

The 1923 basketball team was the Bearcats and their colors were maroon and white. Research into when and where the Bearcat Mascot came into being was unfruitful, beyond that point. Each class had their own class colors and flowers, which lends confusion to the issue.

The Superintendent for Ray Schools, at that time, was D.M. Hibner. Mr. Hibner also sat on the State Board of Education and was the Superintendent of City Schools. He was superintendent at Ray from 1924 until his death in 1950.

Mr. Hershel Hooper took over as Superintendent in 1950. He is credited with starting the student government, having a gym built in 1952 along with an addition to the high school, and starting a driver's training course in 1955. Joyce Hughes came onboard as office secretary on November 11, 1954, replacing Mrs. Ettie Crossland.

The high school newspaper was called Bearcat, and goes back, at least, until the school year 1938/39. In 1962, the Ray Bearcat newspaper won, for the first time in school history, the Best of the Bests award at the U of A's annual Journalism Day. The award designated the best mimeographed high school newspaper in the state.

The yearbook was called 'Round Up' and its inaugural year was 1947. In 1958, the name was changed to the Surveyor. The Round Up was also a fundraising event put on by the Ray Teacher's Association to raise money for scholarships. It provided western-style entertainment for the whole community. There were dances, parades in

which the whole community took part, food booths, spitting contests and old movies.

The 1955 Round Up featured, as its main event, a wrestling match between 'Killer Kirk' and 'Murderer Murch', Mr. Steve Kuykendall and Mr. Dan Murchison. The Round Up was the precursor to Kearny's Annual Pioneer Days. The last Round Up (prophetic) was held in the Ray gym in 1963.

The first "R" was built by the class of 1955. It was built on Hercules Hill above the high school in Ray. The Class of '55 willed the R to the class of '56, and the tradition of whitewashing the R continues today.

When did the rivalry with Hayden start? All the yearbooks through the 1950's mention it, but, when it started remains unclear. In the fall of 1961, Ray regained the KCC traveling trophy by beating Hayden 12-6. Had Ray lost, the trophy would have belonged to Hayden permanently.

The twirlers were the Ray Copper Queens. The flag squad was the Ray Copperettes, and the band was the Copper Kings.

They had Homecoming Royalty, Round Up Queens and Attendants, Prom Queens, Senior Day Princesses; they even had a Salad Bowl Princess and attendants. Any ideas what that is?

They had pep squads, glee clubs, choral groups, the Triple Trios, shorthand clubs, drama clubs, chess clubs, and, in 1959, the first Taft's Terrors Science Club was founded, led by Mr. William Taft, who, after retiring from teaching, became Father Taft at the Infant Jesus of Prague Catholic Church. The list of clubs goes on.

The Bearcats had a tradition of ringing the bell at home games, after every Ray touchdown. The story about the bell is not verified, but, it is rumored that the original bell was stolen. The bell at the high school, today, is from Lincoln Elementary School. It was cast on July 8, 1918 and was donated to the school in September, 1988 by the Mike Bidegain family, so that the tradition of the bell could continue.

The last class to graduate from Old Ray was the class of 1960. High school students were then bussed to Kearny. The elementary schools continued until spring of 1963, when all students in Ray and Sonora were

bussed to Kearny and the schools were closed for good.

The first class to graduate from the new school in Kearny was the class of 1961, and they graduated in the cafeteria. Mr. Hooper was still Superintendent. Succeeding Mr. Hooper was Mr. Robert Chastain, who later became Senator Chastain.

Many of the teachers came to the new high school in Kearny to continue teaching. Principal Lewis Crowell, Roy Woods, Edyth Alexander, William Taft, Gudrun Kelso, Mr. and Mrs. Case, Carl McGee, Oscar Avants, Joe Duarte and Wayne Smith, to name a few.

So much has been said, and written, about the closing or destruction of Ray, Sonora and Barcelona to make way for the mine, and, how Kearny became a sort of melting pot because of that. It should be noted that, for many years, before the towns were mined under, Ray High School was a melting pot of its own. The only high school in the area for many years, students from Ray and Sonora were brought together, there, to continue their education, create memories and forget lifelong friendships.

It is hoped that the students of Ray, today, will take a lesson from history. Take an interest in your school. Be proud of the fact that you attend a school so very rich in history and tradition, and, do what you can to preserve those traditions. Find out all you can about our school, be active, participate, and strive to be better, do better and make things better. If you have an interest in something, start a new club or build upon an old tradition.

In the writing of this article, stories were heard from many persons, some of them already mentioned, including former Kearny Mayor Rose Bradford and Nancy Wilkinson, Miss Pinal County 1959. Many photos were shared, including by Dr. Celis. Yearbooks, newspaper clippings, archives and the memories of many Ray alumni were scoured in an effort to learn of the past and to verify what was learned.

How fortunate we are to live in an area so rich in history; but, if we don't take steps to preserve our history, we will lose it. That would be a shame.

Jr. Lady Bearcats Volleyball Roundup

By Andrew Luberd
Copper Basin News

The Jr. Lady Bearcats seventh and eighth grade teams played two matches last week, the first versus San Manuel and later in the week against Hayden.

The seventh grade split its two matches, losing to San Manuel, 2 – 1 (22-25, 25-7, 15-7) and beating Hayden, 3 – 0 (25-21, 25-21, 15-11) “As a team, we let too many balls hit the floor,” Jr. Lady Bearcats head coach Stacy Johnson said about the loss to San Manuel. “(We were) not moving to make a play on the ball.”

In the Jr. Lady ‘Cats game two win, Acacia Baldenergro, Ashlin Baca, and Shaylyn Arbizo were strong at the service line.

Against Hayden, Shelby Yocum stood out from the service line, serving up two aces in a game two win. It was a total team victory in this game as 11 players contributed to the victory.

Julia Lorona, Shaylyn Arbizo, and Acacia Baldenergro, Danella Morales, Julianna Hong, and Emma Cude proved to be too much from the service line during all three games of the match.

After seeing her team split two matches last week, Coach Johnson sees some areas that need improvement.

“There are a lot of skills

that we need to practice and show improvement as a team,” she said. “We definitely need to learn to wait on the ball, stop hesitating, have our arms out and ready, and understand the positions of the game better.”

The eighth grade team won both matches last week, defeating San Manuel, 2 – 1 (17-25, 25-22, 15-13) and Hayden, 3 – 0 (25-7, 25-10, 15-4).

The Jr. Lady ‘Cats came from behind to win game two versus San Manuel, propelling them to win game three and earn the match victory. Ameer Kenyon recorded 11 straight service points before Jori Hudson finished the match with five service points of her own.

Augie-Lou Hing served the winning point in game three to earn the Jr. Lady ‘Cats the match victory.

In the first game against Hayden Tara Lorona executed some pregame serve adjustments to perfection, recording 12 service points in-a-row, including three aces. Riley Cude, Augie-Lou Hing, Julie Meza, and Ameer Kenyon made key contributions during the game.

Hailey Rutter, Destiny Gonzales, and Julie Mesa proved to be too much from the service line for the Jr. Lobos in game two.

The Jr. Lady ‘Cats

continued to dominate at the service line in game three. This time Myranda Figueroa recorded 11 service points in-a-row.

“Both teams need to improve on their three-touch volley skills,” Johnson told the Copper Basin News. “I want to see us get stronger at every practice.”

The Jr. Lady ‘Cats travel to San Carlos on September 24 for a match versus the Jr. Braves.

Thank you, Pastor Albert & wife Rosie, Pastor Louie & wife Virgie from Superior Harvest Church for applying our Lord's healing prayers to our Dakota.

Grateful always,
The Navarro Family

Cards of Thanks

The Hayden Golf Club wishes to express their sincere thank you and appreciation to Maria's Mexican Restaurant, Old Time Pizza, Buzzy's, Gordon's Market, Pete Rios, Hole Sponsors for their donations which in part made our recent tournament a success.

Thanks also to our concession and beverage crew, registrars, score keepers, Vern, to all the golfers who participated. And last but not least, Copper Basin News for running our ad.

Thank you very much.

Cards of Thanks

Your Generosity to St. Francis Parish is
Awesome!

The St. Francis of Assisi Parish extends it heartfelt gratitude to the entire community of Superior, the surrounding communities and all the visitors that were present at our 35th Annual Fiesta. Due to everyone's presence at the 2014 Fiesta "Live in Faith - Vivir en la Fe" it was very successful. The planning, organizing, and scheduling of all events and tasks enabled us to achieve the success of our commitment and labor.

We want to thank our Queen Candidates Alisha Garcia and Sara Sanchez, their parents and family for all the fund raising and support they gave to our Parish.

Thanks goes out to all the individuals that helped with the cleaning of the church grounds, setting up the booths, cleaning of the booths, decorating the stage and the final tear down and clean-up. Thank you to the ticket booth sellers, the cooks, food and game booth helpers, parade chair coordinator and float entries, and the Red Bears at the Beer Garden. Special thanks to the Baile Folklorico Alma de Superior, Billie Jo's Hip Hop group and the St. Francis Choir. A big thanks to the Car Show coordinators, judges and car clubs that participated and who assist in bring a lot of individuals to our Fiesta. Thanks to our local Supetown DJ, the Alma Mexicana Mariachis, and let's not forget the Superior Police and Fire Department. This list goes on.

The 2014 Fiesta was truly blessed by everyone's presence and generosity. May you all Remain Blessed.

Cards of Thanks

On behalf of Jacobo G. Kame and family, we would like to thank all of you who sent flowers, prayers, cards, expressed condolences, and brought food for our family. Our Mom was 91 years at her passing and the majority of "her friends and family" had already preceded her. In our small community, generations continue to carry on traditions for our families and loved ones.

Special gratitude to the Quesada family in the organization and serving at the luncheon after the church services. Thank you to all who brought food and beverages to the luncheon. Thanks to all who attended and shared your memories. Thank you, Father Alex, for your beautiful Mass and all who helped in making her church services so special. Special thanks to Crossings Hospice and all who helped Mom.

We would also like to thank all of the ladies and gentlemen who participated in the novenario, your consistent daily sacrifice of attendance and prayers is deeply appreciated. The Kame family will never forget your expressions of condolences. Our Mom, Luz, will continue to live in our hearts as well as in all of yours. God Bless.

Jacobo G. Kame, Jaime (Catalina) Kame, Kevin (Belinda) Guzman, Jake (Danira) Kame, Roxie (Tudy) Alvarado, Jomiko (Andrea) Kame and all of our families

Ray High School to celebrate 100 years at 2014 Homecoming

Ray High School 2014 Homecoming King and Queen Robbin Newman and Sidney Chenoweth, far right, will be crowned at half-time this Friday night. Attendants include, l to right, Juniors Taylor Ashby and Jeron Coleman, Sophomores August Patterson and Freshmen Chandler Coleman and Martine Aranda.

Vicki Clark | Copper Basin News

Ray High School will be celebrating 100 years during the 2014 Homecoming activities this week. Things got underway Monday with students participating in Spirit Week. Monday was Nerd vs Jock Day, Tuesday was Dynamic Duo Day, today (Wednesday) is Superhero Day and Thursday will be Bearcat Pride Day.

The annual bonfire will be Thursday evening starting at 7:30 p.m. Prior to the bonfire, the Bearcat Booster Club will be having a tri-tip dinner for \$8 a plate.

The parade will start at 4 p.m. Friday Sept 26 with the usual route starting at the library, up Tilbury and across Alden. Students have been working all week on the annual float competition.

Other activities include fireworks both pre-game and at halftime and RHS graduate Erika Flores from Channel 3 News will be on hand to record the events for the news show's Varsity Zone.

More surprises are in the works but need to be finalized.

The Bearcats will host arch-rival the Hayden Lobos with kick-off at 7 p.m. and the 2014 Homecoming Royalty will be crowned at halftime.

Royalty this year includes Queen Sidney Chenoweth and King Robbin Newman; Jr. attendants Taylor Ashby and Jeron Coleman, Soph. attendants August Patterson and Cody Arbizo and Fr. attendants Martina Aranda and Chandler Coleman.

HAYDEN ATHLETES OF THE WEEK

Hayden Booster Club's Athletes of the week for the week of Sept. 8 from left: back, Angelica Cabrera (HS Cheer), Jacob Manriquez (HS Football), Jaden Gonzales (HS Volleyball), Tino Barragan (MS Football); and front, Lita Casillas (MS Volleyball), Ahleah Arbizo (MS Volleyball), Marissa Barragan (MS Cheer), Kirsten Hise (MS Cheer).
