## LETTER TO THE EDITOR

## Resident concerned about Mammoth Council meeting

Mammoth Town Meeting: The town meeting started as usual, led by the Mayor. As usual, no PWD report on water and sewer conditions, and, what the PWD has accomplished for the month.

There was no report on the meat market and the six-month on going renovation financed by the Town; no date when the opening is scheduled or how many man hours were used, and

what this building has cost the townspeople. Or, what line-item in the Town budget the funding is budgeted from.

The reason we do not know these answers is there is never a financial statement given. I understand we are paying a wage to the Town clerk for this job, but, we never receive a financial report. It looks to me that the Town is paying for a dead horse here.

After the Mayor skipped over several items on the agenda, the new water system was talked about. It was stated by the engineer that papers were not filled out correctly and a

\$300,000 grant was lost. As I understand it, this grant was to backup another \$300,000 grant and to act like a down payment. The process looks to be lost at this time due to mismanagement. My experience with grant writing is there must be a financial statement and, with a town like Mammoth, a complete audit.

To use grant funding for other than what it was requested for is illegal. To use grant funding for any other line item in the town is illegal. I am wondering how many funds are left from the first \$250,000 grant the town received?

The Mayor stated the past Town Council and Town clerk got rid of all records and it was impossible to give an audit. My answer to this is all bank records are available and a forensic audit would find this information out. Where are the old computers with the past records? The computers can be opened and all information revealed. There is no excuse for not retrieving all records. The bottom line is if the Town Council and Mayor wanted these records they could be obtained. What is needed is accounts payable, receivables, and all bank statements. A new audit could be completed. I have been there and done that! There are no excuses for poor management.

The Town Librarian gave a good report and has new programs in line for the Town Library. I see that she is doing her best to improve the Town's Library.

The Town Planning and Zoning Chairman gave a good report about ongoing issues and a new member was sworn in as Council member.

There were no motions brought to the floor from any member of the council. Nothing to improve the Town or the well being of the Towns people.

Councilman Brewer gained the floor and was quickly told by the Mayor to be quiet but he remained on the subject and the Mayor threatened to have him removed. The Mayor was drowned out from the audience and shrunk down in his seat. Councilman Brewer continued and asked his questions.

Finally the acting Police Chief Nash was demoted from the police chief job and officer Macintosh was reinstated as Mammoth Police Chief. It seems to me the police officers 'Come and go like the tide here in Mammoth'...

## LETTER TO THE EDITOR

## Speaking out against the proposed Pinal Rural District

The supporters of the proposed Pinal Rural Fire Rescue and Medical District (PRFR&MD) are presently attempting to gather enough petition signatures to establish their district. As residing property owners of this proposed district, we strongly oppose its formation and urge others not to sign the petition. Below are some of the reasons for our opposition.

(1) As stated in a previous letter to the editor (August 13, 2014), this proposed district would significantly raise our property taxes. Using our property as an example, our estimated additional taxes would be \$314, an increase of 32%. In other words, if you sign this petition, you are supporting about a 32% increase in your property taxes.

(2) An important original concern was that the Pinal Rural Fire Rescue Fire Chief, Bud Paine, had very contentious and un-cooperative relationships with the all the local fire districts and emergency medical providers. Steve Turcotte (the Admiral), the Organizing Chairman of Board of Directors of the PRFR&MD, announced in a Letter to the Editor sent within two days of the Pinal County hearing on August 6, 2014, that Mr. Paine was resigning and moving to Idaho. Although this removes a major concern for many people, it also demonstrates the very undemocratic and autocratic way in which the proposed PRFR&MD will operate. It also makes us question whether the PRFR&MD backers will be able to get along any better than Mr. Paine did with the neighboring fire districts.

(3) Another important concern is that the proposed district appears to be run by non-locals. Rod Prast, the new acting Fire Chief, lives in Mesa and the rest of the potential firefighters all appear to live in Tucson. Steve Turcotte also lives in Tucson and is only at his property in Aravaipa Canyon for a few days each month. Therefore, in contrast to the Dudleyville, Mammoth, and San Manuel fire districts, which are all staffed and run by local, community-oriented residents, the new district would be staffed and run by "outsiders" with little real connection to the local community. Additionally, it is unclear how they would be able to respond to emergencies from so far away.

(4) Further, there appears to be less than 500 people in the proposed district. This is in contrast to about 1300 residents in the Dudleyville FD, 1500 residents in the Mammoth FD, and over 4000 residents in the San Manuel FD. As a result, the proposed district does not appear to have enough people to justify one new fire station, let alone the two stations that they are proposing to maintain and staff. There is also a great deal of undeveloped land with no structures (including the Aravaipa Canyon Wilderness!) in the proposed PRFR&MD. On this land, fires are the responsibility of AZ State Forestry Wildland Fire and a helicopter crew would respond to any medical emergencies, making the inclusion of these lands in the proposed district unnecessary.

(5) The fact that one of the strongest PRFR&MD supporters lives in the Dudleyville FD raises additional questions about their motivation for promoting a new district. Some PRFR&MD backers recently lodged an unfounded complaint with the AZ Attorney General against the Dudleyville FD. This shows that at least some of the motivation for this proposed district is to continue their misplaced vendetta against the Dudleyville FD. Their proposed additional station will be on land donated by the above-mentioned supporter in the Dudleyville FD (their

existing fire station is actually in the Mammoth FD). What does that indicate about their future plans?

There may be some areas of the proposed district where there is sufficient residential density to justify inclusion in a taxing fire district, such as along Highway 77 and in Aravaipa Canyon. However, it would make more sense for those residents, if they so chose, to join one of the existing fire districts. The additional tax revenue would allow those districts to improve their equipment and training. It appears that the PRFR&MD supporters are bringing in "outside experts" because they

think local residents are incapable of increasing the level of available services. If the PRFR&MD backers were sincere in their claim that they want to improve services for our area, instead of proposing an entirely new underfunded district, they would support the commonsense, limited expansion of the existing districts. We strongly urge the property owners of this proposed fire district not to sign the PRFR&MD petitions.

# Oracle Historical Society presents the Power Shootout

The Power Shootout took place in 1918, a time when patriotism was at a fever pitch. The United States had entered World War I in April of 1917. The Selective Service Act of 1917 resulted in 2.8 million men being drafted into military service within a two year period. Freedom of speech and other civil rights were curtailed making it illegal to speak out against the government's war efforts. Workers were prevented from strike activity and union organizing was seen as disloyalty to the United States. The anti union rhetoric and war propaganda would allow local law enforcement and mine owners to deport hundreds of mine workers at gunpoint who were seen as union agitators. Many of these workers were Mexican. The Industrial Workers of the World (IWW) were targeted for their anti-war stance and union activities. The Jerome and Bisbee deportations in Arizona were influenced by this.

In Graham County the Power family living in the rugged Galiuro Mountains may have been a target of Graham County law enforcement officials. On the early morning of Feb. 9, 1918 four lawmen, Graham County Sheriff R.F. "Frank"

They were there to arrest brothers John and Tom Power for draft evasion a misdemeanor under the law at that time. Inside the cabin were the father Jeff Power, brothers Tom and John and hired hand

Tom Sisson. Shortly after sunrise, Jeff Power opened the cabin door. What happened next is a matter of conjecture and controversy. Gunfire erupted from both sides. When the firing stopped and the smoke cleared, McBride, Wootan and Kempton lay dead. Jeff Power was dying and the Power boys were injured. Deputy US Marshal Haynes had fled during the shooting

Sisson and the Power boys would flee towards Mexico becoming the target of the largest manhunt in Arizona history up until that time. The story of the Power

Shootout and the aftermath has been told in at least seven different books. The controversy and conspiracy theories are still debated today. Who shot first and why? Was it murder or self defense? Did some of the lawmen have alternative motives for going up to the Power cabin? A new documentary film "Power's War" by Director Cameron Trejo is in production. It hopes to answer many of the questions and tell the story of that fateful day. The historical consultant for the film will be speaking at the Acadia Ranch Museum in

## Mammoth STEM class celebrates local heroes

By Nina Crowder  
San Manuel Miner

The first and second grade students of the Mammoth STEM School had been discussing the tragedy of Sept. 11 and wanted to do something to show appreciation toward our local heroes that are not always thought of or honored. The students invited Mammoth Police Department, Mammoth Fire Department, the Lions Club and the Food Bank. The Lions Club was unable to attend.

The students read the poem, *The Flag* by Samuel Southworth,

to the heroes and then asked some questions.

The students had an enjoyable time asking questions and the representatives from the police department and fire department responding about how difficult and dangerous their jobs are and what to do in case of a fire or other emergency. Joyce McClung from the Food Bank explained to the youth how the Food Bank helps out as well.

The students presented the police and fire department and the Food Bank with a certificate for being the local heroes. The youth showed gratitude and appreciation. All the organizations and individuals who help others thank you for all you do!

The Lady Miners split two matches last week, defeating Hayden on September 16 before losing to Pusch Ridge Christian Academy on September 18.

The Lady Miners swept the Lobos, 3 – 0 (25-23, 25-11, 25-21), coming from behind to win the first game after trailing by 11 points. Kadi Monfred and Felicia Medina led the Lady Miners with seven and six kills in the match, respectively.

After playing shorthanded for most of the early season, the Lady Miners finally had their full complement of players for the first time this season.

“Many of our girls were in the playing rotation and gaining valuable experience,” head coach Al Trejo said.

“We finally had our entire roster back and (their) rust showed in the first game.”

Pusch Ridge swept the Lady Miners later in the week, 3 – 0 (6-25, 6-25, 11-25), dominating all three games in the match. The Miners were simply overpowered by the Lady Lions, a team expected to reach the state playoffs.

Mireya Tamayo was one bright spot against the PRCA, serving up seven aces in the match.

“We showed a lot of poise and improvement,” Trejo said about his team’s performance against the Lady Lions. “(We) played a lot better than the score reflects. We didn’t back down from the tough play by the Lions.”

# Jr. Miners handle Ray Jr. 'Cats, shutting them out 20-0

By **Andrew Luberd**  
San Manuel Miner

San Manuel defeated Ray in Jr. High football last week, 20 – 0. The Jr. Miners are now 2 – 1 on the season.

Benny Laguna returned the opening kickoff 60 yards setting up the Jr. Miners' offense at Ray's 12-yard line. He later cashed in on the good field position, scoring on a four-yard run to give the Jr. Miners an early 6 – 0 lead.

The defenses of both teams controlled play for the remainder of the first half as San Manuel took the 6 – 0 lead to the locker room at halftime.

The Jr. Miners defense continued controlling the Jr. Bearcats' offense in the second half while its offense finally

was able to get on track. Caleb Quintero hit Rey Martinez near the end of the third quarter on a 65-yard pass play, setting up Laguna's second touchdown of the game from five yards out. After a failed PAT, the Jr. Miners led, 12 - 0.

Julian Rodriguez capped off the scoring for the Jr. Miners with a 41-yard touchdown run.

Defensive tackle Mike Ochoa dominated Ray's offensive line throughout the game, according to head coach Dave Jungbluth, who was also pleased with the linebackers and secondary.

"I thought the kids played well defensively last (week)," Jungbluth said after the game. "Our offensive line needs to stay with their blocks longer."

Jr. Miner Julian Rodriguez (23) runs with the football while Javi Tamayo (4) and Michael Ochoa race to back him up. SMHS

Kevin Carter (69) and Michael Ochoa (76) work to bring down the Bearcat ball carrier. SMHS

Jr. Miner Julian Rodriguez (23) is brought down by some Bearcat defenders. SMHS

Miner Swimmers traveled to Canyon State Academy in Queen Creek last Tuesday to compete in a four team swim meet against Poston Butte High School, Arete Preparatory Academy (formerly Mesa Prep) and Canyon State Academy. The Miner Girls team found themselves on the short end of an unexpectedly close three way meet with the final scores of: Arete Prep 112, Poston Butte 107, and San Manuel 93 (Canyon State Academy is a boys only school). The Miner Boys won the meet by a significant margin: San Manuel 130, Arete Prep 107, Canyon State 86, and Poston Butte 29.

The Miner Girls were unable to win any events at the meet, but several second place finishes by Junior Theresa Sweeney, Freshman Raya Woods, Senior Jazelle Sanchez and Senior Fernanda Vasquez kept the Miners close against two very large teams from much larger schools.

The proper timing system and array of officials made this meet a State Qualifier Meet. Freshman sensation Will Newman wasted no time putting his name on the list of state qualifiers in the 200 Individual Medley (2:14.39) and the 100 Backstroke (1:00.63), winning both races and shaving fractions of a second off the school records in each. Sophomore Colbey Stratton won both of his individual events, the 50 Free (25.79) and the 100 Butterfly (1:05.45) and is within reach of state qualifying times in both events. Individual wins for Junior Taylor Woods in the 100 Freestyle (57.38) and Junior Jacob Christian in the 500 Freestyle (6:28.71) were keys to the victory for

the boys.

The Boys Medley Relay started the meet off with a win for the Miners. This week the team of Will Newman, Taylor Woods, Colbey Stratton, and Sophomore Robert Sweeney won the opening event. Winning the medley relay is important. Since it is the first event at high school swim meets and involves four swimmers each swimming a different stroke, it sets the tone for the whole meet.

The 400 Free Relay is the closing event at high

school swim meets, and winning the final relay often will determine the winner of the meet. This year the boys have a very solid 400 Freestyle relay team of Stratton, Christian, Newman, and Woods. We will get a chance to see just how good they are at some of the large invitational meets in October.

Miner Swimmers will compete in a meet against Florence and Combs at the Merrill Ranch Pool in Florence on Thursday, Oct. 2 at 4 p.m.
