Using the Town of Kearny's Ambulance Service

A person falls in their driveway. Someone experiences chest pain while working in the yard. In a medical emergency seconds matter. If they go by ambulance, and should their condition change, the ambulance crew can notify the hospital of their condition and the hospital can be ready to help them.

When using the Town of Kearny's ambulance service, make sure you request to be transported. If an ambulance is called and you refuse to be transported then Medicare, Medicaid, AHCCS and possibly your private insurance will not pay and you will be responsible for the full charges for ambulance services. If you are transported, then your insurance including Medicare or Medicaid will pay a portion of the ambulance billing and you will not be responsible for any of the remaining amount, unless you have a private/employer insurance. Be sure to review the insurance's terms to receive care at a minimal cost to you.

The Town of Kearny wants to ensure experiences with the ambulance service are beneficial and sustainable for the community. Costs to ensure an ambulance service remains in our town and surrounding areas are calculated into the transportation of a patient. Costs that include

state regulated training, equipment, supplies, readiness, mileage, staff and more. In 2016, there were 77 refusals at a total cost to patients of approximately \$91,630. Each year following has increased, with a projected 30% increase in 2019. That is 102 projected refusals at a cost of approximately \$130,458. While you have every right to refuse service, the Town of Kearny wants to prevent high outstanding debts these refused transport patients would be obligated to pay.

When an ambulance is called, the patient will be given paperwork to READ thoroughly and sign. The paperwork states:

"IN ORDER TO PROCESS A CLAIM FOR BENEFIT, I AUTHORIZE THE TOWN OF KEARNY'S AMBULANCE SERVICE TO RELEASE ANY INFORMATION REGARDING MY MEDICAL HISTORY, SYMPTOMS, TREATMENT OR EXAMINATION RESULTS. A PHOTOCOPY OF THIS AUTHORIZATION SHALL BE CONSIDERED AS EFFECTIVE AS THE ORIGINAL AND SHALL BE CONSIDERED VALID FOR THE DURATION OF THE CLAIM. I UNDERSTAND I HAVE THE RIGHT TO RECEIVE A COPY OF THIS AUTHORIZATION.

I, ALSO, UNDERSTAND THAT IF MY INSURANCE DENIES PAYMENT, I AGREE TO BE PERSONALLY RESPONSIBLE FOR PAYMENT. I ALSO UNDERSTAND THAT IF MY INSURANCE OR MEDICARE WILL NOT PAY SHOULD I REFUSE TO BE TRANSPORTED, I WILL BE PERSONALLY RESPONSIBLE FOR PAYMENT. ALL PATIENT INFORMATION WILL BE KEPT CONFIDENTIAL. I, ALSO, ACKNOWLEDGE THAT I HAVE RECEIVED A COPY OF THE TOWN OF KEARNY'S AMBULANCE SERVICE HIPAA NOTICE OF PRIVACY PRACTICE'S BROCHURE."

The Town of Kearny's ambulance services from the top of the divide, to Aravaipa and communities in-between, such as, Kelvin, Riverside, Kearny, Hayden, Winkelman, ASARCO (both Ray and Hayden), Piper Springs, Dudleyville, the Apache Sky Casino and Aravaipa. These are great partners and the Town of Kearny ambulance crew is proud to serve such a great area and the residents of Kearny.

Please feel free to call the Kearny Town Hall, at (520) 363-5547, Monday-Thursday from 7 a.m. to 5:30 p.m. if you have any questions.

Representatives from the Town of Winkelman, Gila County and the Arizona Department of Transportation last week broke ground to officially signal the start of construction. The bridge is slated to be completed by mid-2021.

Mila Besich | Copper Area News

REMINDER: Lane restrictions begin Sept. 23 for the SR 77 Gila River Bridge replacement project

Lane restrictions are scheduled to begin Monday, Sept. 23, on State Route 77 in Winkelman as crews install temporary signals for the Gila River Bridge replacement project.

Once the new signals are in place, traffic across the bridge will be restricted to a single lane. The width limit on the bridge during construction will be 15 feet.

Motorists should expect occasional delays, especially during peak traffic hours and during scheduled closures of US 60 west of Miami for the Pinto Creek Bridge replacement project.

In addition to the lane restrictions on SR 77, Quarelli Street will be closed to traffic within the work zone.

The temporary signals will allow crews to rebuild the bridge one lane at a time.

Work is expected to continue into summer 2021.

Drivers should proceed through the work zone with caution, slow down and watch for construction personnel and equipment.

For more information, please visit the project website.

Schedules are subject to change based on weather and other unforeseen factors. For more information, please call the ADOT Bilingual Project Information Line at 855.712.8530 or go to azdot.gov/contact and select Projects from the drop-down menu. Hayden wins third-straight, remains undefeated

By Andrew Luberda
Copper Basin News

The Hayden football team remained undefeated so far this season after winning its third-straight game, defeating Arete Prep on the road last Friday night, 36 – 30.

“We played well,” Lobos head coach

John Estrada told Copper Basin News. “Our team showed a lot of fight and heart. We had to step it up and deal with adversity, which really defined our team. We have a lot of work ahead of us and our kids are up for the challenge.”

The Lobos’ rushing attack was too much for the Chargers.

Hayden senior running back

Jorge Rodriguez rushed for three touchdowns, including runs of 70, 12 and two yards. Gibby Carmelo, also a senior, added 10 and 13-yard touchdown runs.

“Once again, our line dominated the trenches,” Estrada said. “It did one heck of a job.”

The Lobos winning streak is on the

line this week, a challenge made more difficult by facing rival Ray in Kearny.

“Rivalry games are always rough,” Estrada said. “The better team that night will come out on top. We’ve work extremely hard for this game. Our boys will be ready.”

Up next: At Ray this Friday, Sept. 27. Kickoff is scheduled for 7 p.m.

Short-handed Ray wins third-straight

By Andrew Luberda
Copper Basin News

After starting the season with consecutive losses, the Ray football team won its third-straight game by a lopsided margin, defeating El Capitan last Friday night, 64 – 26, despite only 10 players making the trip to Colorado City.

“Our goal was to just get out of El Capitan without any injuries and, of course, the win,” Ray assistant coach

Jimmy Fessenden told Copper Basin News.

Bearcats’ senior quarterback Jayden Lagunas threw for 369 yards and four touchdowns in addition to rushing for 38 yards and a touchdown. Junior Alex Bravo, who finished with seven receptions for 271 yards and four scoring grabs, also threw a touchdown in the win.

Sophomore Tracon Naranjo and senior Erik Manriquez, who also caught four passes for 57 yards and a touchdown, each

had a pick-six in the game. The Cats had a total of six interceptions in the game, including a pair by Naranjo and three by junior Johnny Chester. The Ray defense also recovered two fumbles. Bravo, Lagunas, Naranjo, and Johnavon Pace each finished with double-digit tackles.

The Bearcats’ winning streak gives them confidence entering their rivalry game with Hayden, the 2019 1A State Runner-up.

“Our rivalry game with Hayden is always

huge,” Fessenden said. “We are fighting to make playoffs, so we are focusing on that rather than the rivalry.”

“Hayden has a balanced attack, so we are looking find a way to neutralize that with game-planning. We have the athletes to do just that. We just need to focus and play hard for all four quarters and we will do well.”

Up next: Versus rival Hayden this Friday, Sept. 27. Kickoff is scheduled for 7 p.m.

First hearings held for the Resolution Copper Draft Environmental Impact Statement

The Tonto National Forest conducted the third of five public hearings regarding the Resolution Copper Draft EIS in Kearny on Tuesday, Sept. 17. The fourth hearing was held in Globe on Sept. 19. The public comment period began on Aug. 9, 2019 when the Tonto National Forest released the statement to the public online. This began the 90-day comment period which will end on Nov. 7, 2019.

The hearing started with an hour long sign in period and open house. During the sign in period those wishing to make verbal comments registered and received a number. During the open house members of the Tonto National Forest Staff and SWCA. SWCA is the environmental firm that conducted the the research and studies which are presented in the Draft Environmental Impact Statement.

Following the Open House the Tonto National Forest presented a 15-minute video that explained the process and presented some of the data that was found in the plan. The video can be watched online:<http://bit.ly/ResolutionDEIS>

The public comment period at the Kearny meeting included comments from young adults from the Town of Queen Creek who asked that the Forest Service consider more regenerative types of growth and to protect the community of Dripping Springs or at least make sure those residents are relocated. Several Superior residents who are members of the Retired Miners and Concerned Citizens coalition spoke on the length of the DEIS. Henry Munoz of Superior asked why the USGS was not consulted in this document. A resident of Dripping Springs expressed his concerns about water in and the the potential losses of water in their area due to the proposed tailings site. One resident of Tucson commented that it was unfair that a public hearing was not held in Tucson regarding the DEIS for Resolution Copper; she is concerned for the loss of sacred land at Oak Flats and other environmental concerns. The hearing in Kearny did not include many comments from the San Carlos Apache Tribal members, however they did attend the public hearing in Globe to express their concerns.

Residents and anyone concerned about the project are encouraged to file their comments to the Tonto National

Folks were encouraged to ask questions at the third hearing on the Resolution Copper Draft Environmental Impact Statement held last week in Kearny.
Mila Besich | Copper Area News

Forest. Comments can be mailed in to Resolution EIS Comments, PO Box 34468, Phoenix, AZ 85067-4468 or you may file your comments online at www.ResolutionMineEIS.US. You may also submit your

comments at the final public hearings scheduled for Oct. 8, 2019 at the Queen Valley Recreation Hall, 1478 E. Queen Valley Dr., Queen Valley, AZ. The hearing will begin at 5 p.m. with registration and an open house.

Daily lane closures on the US 60 Pinto Creek Bridge postponed until early October

Daily lane closures on US 60 between Miami and Superior for the Pinto Creek Bridge replacement project have been tentatively rescheduled for Monday, Oct. 7, while pre-construction requirements are completed.

The Arizona Department of Transportation will send out an additional lane closure notice before work begins. Full Tuesday/Thursday closures of the Pinto Creek

Bridge are tentatively scheduled to begin in mid-October.

For more information, go to azdot.gov/PintoCreekBridge.

Drivers should proceed with caution, slow down and watch for construction personnel and equipment. Schedules are subject to change based on weather

and other unforeseen factors. For more information, please call the ADOT Bilingual Project Information Line at 855.712.8530 or go to azdot.gov/contact and select Projects from the drop-down menu. Kickstarting: Copper Corridor Blight Busters

For the past few years, the communities across the Copper Corridor along with the Copper Corridor Economic Development Coalition and the Southern Gila County Economic Development Corporation have been collaborating on ideas, policies and programs that will help to combat and alleviate blight, abandoned homes and vacancy across the region.

The CCEDC hosted a Rural by Choice Blight Forum that addressed ways to alleviate blight and address policies that actually encourage blight.

A year later the the House of Representatives Committee on Land, Agriculture and Rural Affairs met to address some of the issues facing rural communities regarding abandoned properties and tax laws that encourage blight. These forums connected the local governments to the ADEQ Brownfields programs and ACCHEs health care property lien division.

The CCEDC has successfully helped many homeowners access USDA 504 home repair grants and loans. Those funds have repaired roofs, installed windows, fixed floors and helped to facilitate over \$150,000 in home repairs across the Copper Corridor. Organizations like Rebuild Superior Inc. have started paint programs for homeowners and each community has

instituted some kind of community clean up program. The synergies have been growing and working together has started to pay off of many of the entities.

The Town of Superior and Gila County have successfully utilized the Brownfields grant program with the Arizona Department of Environmental Quality to clean up properties that have been abandoned. There is a limited amount of Brownfields Funding at the state level and, with great need for blight abatement in the region, the the Towns of Superior, Miami, Kearny, Hayden, Winkelman along with the City of Globe and Pinal and Gila Counties are partnering together to apply for a federal "Regional EPA Brownfields Grant"

The Town of Winkelman hosted the kick off meeting for the Copper Corridor Blight Busters in early September. Each of the entities is expected to sign an agreement letter to join the coalition and sign an MOU. If selected the funding will be used to provide phase one and phase two environmental clean ups on properties throughout the region. Gila County has agreed to the partner agency to manage the grant and administration. The grant will be submitted in December and would be awarded in 2020.

The Blight Busters meet in Winkelman.

Local church to host special blessing for pets in Kearny, surrounding areas

A special service for the blessing of animals will be held in Kearny on Oct. 4, 4 p.m., next to Old Time Pizza. Good Shepherd United Methodist Church is sponsoring the service for the people of the Copper Basin and the animals they love.

The Rev. Carol Hosler, retired Episcopal priest assisting Jimmy Nelson, pastor of Good Shepherd Church, said, "The Blessing of the Animals is an opportunity for both pets and the people they own to receive God's blessing."

She explained that the date for the event was chosen because Oct. 4 is St. Francis of Assisi Day.

"St. Francis was a 12th century friar in France particularly remembered for his love of God's creation, especially the four-legged creatures, and the birds of the air and the fish of the sea. It is a custom for many people to gather at this time to thank God for the animals who are important in their lives. Good Shepherd is offering this experience as a gift to the people of the Copper Basin and their significant pets," Hosler said.

The citizenry, human and animal, great and small, will gather at 4 p.m. on Alden Street next to Old Time Pizza. There will be a brief time for prayers

of thanksgiving and then Pastor Carol will bless each animal and its owner.

"The unconditional love we receive from our pets," she said, "is surely something worthy of our thanks as we dedicate ourselves to keep them safe and healthy."

Good Shepherd Church will provide free popcorn to the humans who gather and special treats for the pets.

Cobre Valley Institute of Technology offers programs at CAC Aravaipa Campus for high school students

Students, college officials and CVIT officials are proud of the program now being offered at CAC-Aravaipa.

By **John Hernandez**
Copper Area News

On Monday, Sept. 9, Central Arizona College Aravaipa Campus held a Start Up reception for the Cobre Valley Institute of Technology (CVIT) Welding program. The three-year welding program offers high school students beginning as sophomores to get a start on becoming certified welders while earning high school and college credits. It is a partnership between local high schools (Superior, Ray, Hayden and San Manuel), CAC Aravaipa and CVIT. Twenty-four students from Ray and Hayden are currently being bused daily to CAC for the class.

Attending the reception were Mike O'Neal, Director of CVIT; Pete Guzman, Superintendent of CVIT; Professor Samuel Colton CAC Aravaipa Campus Faculty; Maria Munoz, CAC Aravaipa Campus Director; James Busch, Workforce Development Director CAC; Jeff Gregorich, Hayden School District Superintendent; Carlos Armendariz,

Principal Ray High School; and the students of the initial CVIT welding program.

The reception included a visit to the welding classroom to meet with students and welding instructor Samuel Colton. Pete Guzman, Superintendent of CVIT spoke to the students. He told them that when he started the program that he was told they were wasting their time.

"You're the first class. I am commending you. I will be here in the Spring to congratulate you that make it," Guzman said.

Following the class visit was a tour of the welding shop/lab.

The students in attendance were from Ray High School: Kenny Bailey, Zander Winsor, Alonzo Ruiz-Lopez, Drake Levitt, Christian Day, Nicholas Harmon, Sean Harmon, Eric Manriquez, John Warren, Gilberto Arbizo and Mark Rodriguez.

Hayden High School: Pablo Acuna, Pablo Torrez, Randy Christiansen, Vincente Gallegos, Vincent Cruz, Emiliano Camarena, Diego Rubal, Rene Arbizo and Damion Arbizo.
