PCSO warns of a Jury Duty Scam

Pinal County, AZ – The Pinal County Sheriff's Office wants to let the community know of a scam impacting people in the county.

On Sept. 19, 2017, we received a call from a victim who was defrauded out of hundreds of dollars. The victim states a person called claiming to be with the Pima County Sheriff's office and informed the victim that the victim missed jury duty and a warrant was being issued for the victims' arrest. The person gave very specific instructions for the victim to pay \$861.90 to avoid arrest. The victim was instructed to get a green dot card, load the money and provide him with the PIN number. The victim did as instructed.

After hanging up the phone the victim checked the website for the Pima County Superior Court <http://www.sc.pima.gov/>.

gov/, the victim discovered Pima County has a juror scam alert on the website.

Pima County Superior Court issued a warning after receiving several reports of the same scam. According to the warning released, someone falsely claiming to represent the Court has been calling Pima County residents advising they are being contacted for "failure to appear" for jury duty. The caller advises them that because they failed to report for jury duty one or more fines is owed. Sometimes the caller asks for the entire amount of the fines, but sometimes informs them they may take care of the fines at a reduced rate by paying money, or a "retainer bond," to the caller. The caller can be quite forceful and threatening.

The caller is not from the Superior Court or the Pima County Sheriff's Office. The public should be aware that the Court and law enforcement officers will NEVER contact a person by telephone or email and demand payment of a fine to avoid being arrested for failing to appear for jury service. Do not make any payments, provide credit card information or any other personal information, and never give out your social security number.

The Pinal County Clerk of Superior Court does not send out Failure to Appear notices nor do they call if you do not

show up for jury duty. If you receive a document from the Pinal County Clerk of Superior Court for failing to appear to jury duty, then it is a forged document. If you have questions call (520) 509-3555.

If you received a notice from Pima County, the notice would be mailed and would read:

FAILURE TO APPEAR NOTICE: Our records indicate you failed to appear as instructed for jury service on the date noted above. **SECOND SUMMONS NOTICE:** You must immediately call the jury office at 724-4222 to reschedule your jury service. Failure to contact the jury office may result in further action being brought against you by this Court as prescribed by Arizona law. WWW.SC.PIMA.GOV/JURY

Because this is a nationwide issue, if you receive a call from a scammer please file an online report with the Federal Trade Commission by going to www.ftc.gov and following the "File a Consumer Complaint" link. City of Tucson residents may also file a local Tucson Police Department report at any TPD substation, Monday through Friday, 8:00 a.m. to 5:00 p.m., or by calling 520-791-4444, option #2.

If you have received a similar phone call and believe you've been scammed, please call the Pinal County Sheriff's Office at (520) 866-5111.

Local utilities warn about the dangers lurking below – Arizona 811 and fellow state utilities stress the importance of calling before you dig

PHOENIX – Across the state, many shared utility services that communities rely on run through corridors directly underneath them. These include: natural gas, electricity, communications, water and more. Too often, homeowners completing Do it Yourself projects in their yard do not realize that many of these utilities may be buried just a few inches below ground. Arizona 811, Arizona Public Service, Southwest Gas and SRP want to warn customers of the dangers associated with digging into a utility line and encourage customers to know what's below – call 811 before you dig.

Unfortunately, too many people in the United States will dig this year without first having underground utility lines marked. Digging into these lines can cause, serious injuries and make for costly repairs. In 2016, more than 2,000 incidents of hit utility lines were reported in Arizona. Underground power lines, while well insulated, can be easily damaged by a shovel or pick and create a shock or flash hazard. This not only poses a safety risk but can also cause an interruption of service to customers.

Southwest Gas reminds the public that a natural gas leak can be detected by a distinct sulfur-like odor, like rotten eggs, even if it's faint or momentary. Unusual hissing or roaring coming from the ground or an above-ground pipeline, bubbling water and discolored plants or grass surrounding a pipeline, can also be signs of a leak.

Contact Arizona 811 from anywhere in Arizona at least two full working days prior to digging. Arizona 811 will send the homeowner's utility companies out to the site to locate and mark the underground lines, pipes and cables at, or near, a planned dig site. Customers can also make an 811 ticket request easily online using E-Stake.

Do you know what the

utility markings on the ground mean? In the United States, uniform color codes for temporary marking of underground utilities are:

· RED – electric power

lines, cables, conduit and lighting cables

· ORANGE – telecommunication, alarm or signal lines, cables or conduit

· YELLOW – natural gas,

oil, steam, petroleum or other gaseous or flammable material

· GREEN – sewers and drain lines

· BLUE – drinking water, irrigation and slurry lines

· PURPLE – reclaimed water

· PINK – temporary survey markings, unknown/unidentified facilities

· WHITE – proposed excavation limits or routes

Mine Agreement At Last

The United Steelworkers announced last Thursday, September 21, that a collective bargaining agreement was ratified covering ASARCO copper mine operations in Arizona and Texas, including the Ray Mine and the Hayden Smelter. The agreement covers about 2,000 workers.

The agreement has been a long time coming. The original contract ended in June of 2013 but was extended until it was terminated in June, 2015. The workers stayed on the job without a contract while negotiations continued. The new agreement will expire on Nov. 30, 2018.

I haven't read the agreement, but I understand there was some give and take. The miners will pay more of their insurance themselves, but the mine is restoring some of the bonuses. The short period of the agreement seems to bring a "breathing period" for both ASARCO and the unions to focus on a longer term agreement in the future.

Grupo Mexico, which owns ASARCO and several copper mines in Mexico and South America, controls 70 percent of the railroads in Mexico. Last August it reported consolidated sales for the first six months

Oracle State Park has busy weekend

By John Hernandez
San Manuel Miner

The rangers at Oracle State Park were busy this weekend. The park hosted a talk and slide show featuring Michael Weasner. Michael gave a presentation and answered questions about the recent Eclipse. Thirty five people attended his presentation. It was followed by an evening of sky viewing.

The Sonoran Desert Mountain Bicyclists (SDMB) biking

group spent the weekend at the park. They camped at the Granite Overlook Trail Loop group use area Friday and Saturday nights. They were there to help set up for the Peppersauce Roundup.

SDMB is an advocacy group that strongly supports all cycling opportunities in Tucson, Southern Arizona and worldwide. They are an all-volunteer 501(c)3 non-profit organization devoted to the promotion of the sport of mountain biking. This organization believes in using the sport to promote low impact outdoor recreation,

conservation, and mountain biking opportunities that are environmentally and socially responsible. To learn more about Sonoran Desert Mountain Bicyclists visit their website: www.sdmb.org. You can also like them on Facebook.

Sunday morning the SDMB cyclists went on a social ride at the park led by one of the park rangers. Before the ride, Jim Walsh, President of Friends of Oracle State Park talked to them and thanked them for coming. Park Manager, Vince Micallef, told them that they were the first bike group to camp at the park for an event. He thanked them and invited them for a tour of the new campsite area after their ride.

Oracle State Park would like to make the park a destination for mountain bikers.

Miner swimmers swim well at invitational, qualify for State Meet

On Saturday, Sept. 23, Miner swimmers competed in the Hawks Invitational Swim Meet. The meet was designated as a qualifying meet, which was the first opportunity that Miner Swimmers could achieve qualifying times for the Division III State Championship Meet to be held in November. Sixteen teams participated at the meet. Miner Girls finished 5th in the team standings with 186.5 points while the Miner Boys finished in 9th place with 100 points.

While the Miners showed they could compete with schools of all sizes, the real prize was the potential qualifying times they came home with. The fastest 24 swimmers in each individual event are eligible to compete at Division III State and the Miners swam several times that are likely to make the cut.

Senior Raya Woods started things off with a great 200 Freestyle finishing in 4th place with a time of 2:23.59. Raya also finished in 5th in the 500 Freestyle in a time of 6:24.8. Both times

will likely be among the top 24 Division III times at this point in the season.

Junior Darien Apuron came in 3rd in the 200 IM in a time of 2:27.93 and 2nd in the 100 Fly with a School Record time of 1:03.16. Both times are good enough to qualify Darien for the Championship Meet in November.

Junior Gianna Sweeney finished the 50 Freestyle in a time of 26.67 in a tie for 3rd place. Gianna swam a quick 100 Breaststroke to finish 2nd with a time of 1:14.66. Both times

are good enough to expect that Gianna will be competing at the State Championship.

Junior Michael Primero-Predgo had the meet of his life. He finished 2nd in the 100 Freestyle with a sizzling time of 55.15 and swam 1:09.4 in the 100 Backstroke. If swimmers' times this year are similar to last year's results, Michael can also make plans to compete at the State Championship Meet.

It was Freshman Evan Apuron that had the

San Manuel's Valenzuela crushes own record in win

By Andrew Luberd
San Manuel Miner

A week after setting a school record with 345 rushing yards, San Manuel running back Christian Valenzuela shattered it and set a new state record in the process in the ninth-ranked Miners' 78 – 13 victory against Tombstone last Friday.

Valenzuela, a senior, rushed for 514 on 16 carries and nine touchdowns, also believed to be a 2A state record.

Numbers like those being put up by the Miners' 5-foot-6, 185-pound Player

of the Year candidate are normally only achieved in video games.

"Everyone has been executing their blocks and it's paying off," said Valenzuela, crediting his offensive line for his success. "We've been working on that in practice."

"He's is a man-child," San Manuel head coach Dan Williams told the San Manuel Miner. "Defenders can't arm tackle him, they can't tackle him low, and they can't try to tackle him high. He's a beast."

The Miners held a 57 – 13 lead at halftime, causing a running clock in the second half, when San Manuel outscored

Tombstone, 21 – 0.

A running clock is the Arizona Interscholastic Association's version of the mercy rule in football. The clock continues to run unless a team calls a timeout.

The Miners' defense was also impressive against the Yellow Jackets, the fourth opponent in six games to be held to 15 points or less.

"We've been a lot more focused and aggressive this year," said senior middle linebacker Gabe Velasquez, who had a game-high 18 tackles on Friday. "We've also had better communication, which

has helped a lot."

One of the Miners' season goals is to secure a playoff berth, and they know in order to achieve it they must remain focused on one game at a time.

The next step on the journey is at Benson this Friday.

"We just have to stay focused and stay disciplined," said Christian Velasquez, who was named the Arizona Cardinals High School Player of the Week on Monday. "We're looking forward to a chance at making the playoffs and then a state championship."

Kickoff on Friday is scheduled for 7 p.m.

Kids' Closet busy dressing kids for school

By John Hernandez
San Manuel Miner

Fall is in the air. It's a little bit nippy in the mornings and folks are reaching for their sweaters and sweatshirts.

Kids, too, are getting ready for fall. Thanks to the awesome volunteers from the

SaddleBrooke Community Outreach, some lucky kids in the Copper Corridor have a brand new sweater or hoodie to wear.

The Kids' Closet was busy this week providing clothing for kids from First Avenue Elementary School in San Manuel and Rice Elementary School from the San Carlos Unified School District. The

many volunteers from Kids' Closet helped the children select and try on clothing, everything from shoes and socks to jeans and sweatshirts, which the kids are happy to receive. They provided close to 100 wardrobes for the kids.

Kids' Closet is one of the programs provided by SaddleBrooke Community

Outreach. They provide new wardrobes for kids Head Start through 8th Grade in 10 school districts in the Copper Corridor. They have started their winter wardrobe campaign which runs September to the middle of December.

Thank you, Kids' Closet, for helping all of our communities!

GILA

Continued from page 4

result was that the mines had a reliable and trained workforce, and the workforce could support families and town activities, including schools. Yes, we don't want the old company town, but do need the re-engagement of the towns and the mines. Maybe this new agreement will be the breather we all need.

The Kearny Town Council, at the meeting of Monday, September 18, approved a contract with Police Chief Wallace Kenney, and also entered into an intergovernmental agreement with the San Manuel Fire Department to provide dispatch services for their use. In return, the San Manuel Fire Department will pay \$7,500 per year to Kearny for expenses.

The Town Council also approved the submission of three grants. The first is request to the San Carlos Apache Tribe for the costs of a new ambulance; the second is to Arizona State Parks and Trail for monies to rebuild the Mescal Mountain Park facilities after they were vandalized; and the third is to Fire House Subs (yep, the Valley sandwich place) for metal shelters for some of our fire equipment.

Kudos to the Kearny Police Department for enforcing the local codes, especially for wrong-side parking and for speed violations. These are simple matters of keeping the public safe. Local laws exist for local

betterment, and there are some others which the town will soon begin enforcing more closely.

We're almost into October. Groups, businesses, and individual are being asked

by the Copper Basin Chamber of Commerce to help with the Great Pumpkin and Trick or Trunk on Saturday, October 28, on Alden Road in Kearny. Chamber Director Kellie Towne is eager to get us all involved.

SWIMMING

Continued from page 9

most memorable swims at the meet. Evan was still wearing a cast on broken left arm and was able to swim a time of 58.42 in the 100 Butterfly to finish 5th. In the final individual event of the meet, Evan won the 100 Breaststroke with remarkable time of 1:07.51 against a good field of mostly upperclassmen. Both times are good enough

to qualify for the State Championship and by then he hopes to have his cast off. For his outstanding swims, Evan was named Dynamite Swimmer of the Meet.

The Girls Relay Team of Star Chavez, Gianna Sweeney, Darien Apuron, and Raya Woods looked very sharp. They finished 3rd in the 200 Freestyle Relay (1:56.79)

and 2nd in the 400 Free Relay(4:20.59). Both times have a chance of being ranked in the top 16, a requirement for relays to qualify for the State Championship Meet.

"It is a big accomplishment to get great swims at a qualifying meet this early in the season, and we look forward to seeing how Miner Swimmers are ranked in Division III Standings," said Coach Alex Gort.

Miner Swimmers will host a triangle meet on Thursday against Amphitheater High School and Pusch Ridge Christian Academy on Thursday at the San Manuel Pool. The meet begins at 4 p.m.

If an application for such a hearing is filed, it too, must comply with the requirements of A.R.S. § 13-4311(E) and (F), and must be filed in the Superior Court in Pinal County. Notice of the order to show cause hearing must be served upon the Attorney for the State at least five (5) working days before the hearing is held. Under A.R.S. § 13-4306(G), an owner of property may obtain the release of seized property by posting with the Attorney for the State a surety bond or cash in an amount equal to the full fair market value of the property, as determined by the Attorney for the State. The State may refuse to release the property if: the bond or cash tendered is not in an amount equal to the full fair market value of the property; or the property is retained as contraband or as evidence; or the property is particularly altered or designed for use in conduct giving rise to forfeiture. If you post bond or cash in lieu of the property, the bond or cash and not the property will be subject to forfeiture. If you wish to post a bond or cash in lieu of the property, you may contact the Attorney for the State. If no Notice of Pending Forfeiture is made within sixty (60) days after the seizure of the property for forfeiture, any owner or interest holder may request release of the property, pending further proceedings pursuant to the forfeiture statutes, to be commenced within seven (7) years after actual discovery by the State of the last act giving rise to forfeiture. The request should be addressed to the Attorney for the State and should show that the requestor is an owner or interest holder. If the Attorney for the State declines to authorize release of the property by the seizing agency, the request may be addressed to the Superior Court for the County of Pinal. Any attempt to hide, transfer, convey, or sell any interest in any property seized for forfeiture, or to deposit it with a third party, place it beyond the jurisdiction of the Court, diminish its value or commingle it with other property may result in forfeiture of other property of equal value. If the property is conveyed, alienated, encumbered, disposed of, received, removed from the jurisdiction of the Court, concealed, or otherwise rendered unavailable for forfeiture, these acts may constitute facilitation of money laundering and money laundering, for which you may be criminally liable. Additionally, you may be sued for the fair market value of the property together with reasonable investigative expenses and attorney's fees, in addition to other criminal and civil remedies for fraud. SMARRCO rail car donated to train museum

San Manuel Arizona Railroad Company employees Ty Dahlin (front) and Ron Lewellen with the rail car given to train museum. John Hernandez | Miner

By John Hernandez
San Manuel Miner

A San Manuel Arizona Railroad Company (SMARRCO) rail car has made its last run on the rail lines.

SMARRCO and its owner Capstone Mining Corporation donated a rider car to the Arizona Railway Museum in Chandler, Arizona, this September. The rider car is unique and has an interesting history.

Magma Copper Company in San Manuel had 185 specially built cars, three of which were rider cars, to haul ore from the mine to the mill and smelter. The rider cars could still be loaded with ore but had a special cab built in for the brakeman.

This car was built in the late 1950s or early 1960s. SMARRCO began operating in 1955 and copper production started in 1956 in San Manuel. Over the years it traveled thousands of miles back and forth between the town of San Manuel and the mine. It hauled hundreds of thousands of tons of ore which were

turned into copper and byproducts such as silver, gold and molybdenum.

At SMARRCO, the rider car was picked up by a crane and set down on the tracks so it could be hauled on the rail line. It made one last run towards the mine and along the San Manuel Railway line and

Copper Basin Railway line on its way to Chandler. It will be on permanent display at the Arizona Railway Museum, 330 E. Ryan Road, Chandler, Arizona. The museum is dedicated to the railroads of Arizona and the Southwestern United States.

The SMARRCO rail car is lifted onto the tracks for its final journey to the Arizona Railway Museum in Chandler.

All hitched up for one last trip.

On the side.

Ron Lewellen in the brakeman's seat.
