PCSO warns of a Jury Duty Scam

Pinal County, AZ – The Pinal County Sheriff's Office wants to let the community know of a scam impacting people in the county.

On Sept. 19, 2017, we received a call from a victim who was defrauded out of hundreds of dollars. The victim states a person called claiming to be with the Pima County Sheriff's office and informed the victim that the victim missed jury duty and

a warrant was being issued for the victims' arrest. The person gave very specific instructions for the victim to pay \$861.90 to avoid arrest. The victim was instructed to get a green dot card, load the money and provide him with the PIN number. The victim did as instructed.

After hanging up the phone the victim checked the website for the Pima County Superior Court <http://www.sc.pima.gov/>,

the victim discovered Pima County has a juror scam alert on the website.

Pima County Superior Court issued a warning after receiving several reports of the same scam. According to the warning released, someone falsely claiming to represent the Court has been calling Pima County residents advising they are being contacted for "failure to appear" for jury duty. The caller advises them that because

they failed to report for jury duty one or more fines is owed. Sometimes the caller asks for the entire amount of the fines, but sometimes informs them they may take care of the fines at a reduced rate by paying money, or a "retainer bond," to the caller. The caller can be quite forceful and threatening.

The caller is not from the Superior Court

Superior defense

By Andrew Lubarda
Copper Area News

The sixth-ranked Superior football team continued its dominance on both sides of the ball in a 38 – 0 at No. 10 Hayden last Friday.

Superior improved to 5 – 0 while Hayden is now 3 – 2.

The Panthers' defense was especially impressive in the win, shutting out its second-straight opponent. Superior defeated Ft. Thomas two weeks ago, 60 – 0.

"Our defense is fast and attacks the football well," Superior head coach Ryan Palmer said. "When we play assignment football and are fundamentally sound, we are tough to move the ball on."

"Our speed ultimately proved too much for Hayden," he added. "Our defense played one of their best games of the season."

The defense had six sacks against the Lobos, including three by junior Cedric Mendoza, who also had five tackles.

It's been feast or famine for the Lobos so far, this season. In their three wins, the Lobos are averaging almost 43 points per game but in their two losses, zero.

"We had some opportunities to score but couldn't pull the trigger," Hayden head coach John Estrada said. "Superior's defense gave us problems all night."

The Panthers' 38-point scoring total snapped a three-game streak of scoring 60 points or more, but the offense still filled the stat sheet.

Junior quarterback Steven Ybarra threw for 302 yards and three touchdowns in addition to 73 rushing yards and a touchdown. He also led the team on defense with nine tackles and an interception.

Senior receiver Marcos Bueno was on the receiving end of all three of Ybarra's scoring tosses and finished with 216 yards on 10 catches.

"We've just all been working together," Ybarra said about the Panthers' offensive success. "We're trying to reach one goal and that's to win a state championship."

Superior hosts rival Ray on Friday.

"This team has potential to be great," Palmer said. "(It) is a long way from it. We still have a lot to prove."

Hayden plays at NFL Yet.

"We need to move on from Friday's game," Estrada said. "Learn from our mistakes, continue to work hard, and take one game at a time."

Kickoff for both games is scheduled for 7 p.m.

Panthers!**

State board considers U.S. 60 name change

By Ted Lake
Special to Copper Area

The Arizona State Board on Geographic and Historic Names will meet Monday, Sept. 25, at the State Capitol in Phoenix and on its agenda is an application to change that portion of Highway 60 called the Jefferson Davis Highway and designate it instead as

the Governor Rose Mofford Highway in honor of the 18th Governor of our state. Mofford passed away in September of last year in Phoenix at the age of 94 after complications from a fall in her home.

The application for the name change was filed by Miami, AZ native Roberto Reveles. Reveles in his request says the proposed

name would memorialize Rose Mofford's unique place in Arizona History as the Globe native who became the first woman to serve as Governor of our State from April 4, 1988 to March 6, 1991. This, he said, when combined with her other official responsibilities, totaled 50 years in service to the public

Reveles has been urging local government officials and community leaders to support his request by sending a statement to that effect to Mr.

Ryan Ehrfurth, the State Board's Support Staff at rehrfurth@azlibrary.gov., His postal address is Mr. Ryan Ehrfurth, Arizona State Library, 1901 West Madison Street, Phoenix, Arizona 85009

Reveles who served in the U.S. Force for 4 years also served for 20 years on the Washington, D.C. staffs of Arizona Congressmen such as Stewart Udall, Morris Udall and George Senner. He also serve as an Executive of Home Stake

Mining In San Francisco for 10 years before his retirement. He now lives in Phoenix and is involved in Independent Government and Community Relations.

At Gold Canyon east of Apache Junction along US Highway 60 is a monument erected by the Daughters of the Confederacy in 1943 in honor of Davis.

Total Maximum Daily Load for 3 reaches of Queen Creek, Arnett Creek, and 2 Unnamed Drainages

Public Notice # 17-10

The Arizona Department of Environmental Quality (ADEQ), in accordance with Section 303(d) of the Clean Water Act, has developed a Total Maximum Daily Load (TMDL) analysis for 3 reaches of Queen Creek located near Superior, Arizona. TMDLs for Arnett Creek and 2 unnamed drainages have also been developed. ADEQ has determined through sample collection and data analysis that the six separate stream reaches are impaired for dissolved copper.

A TMDL defines the total amount of a particular constituent or pollutant which can be introduced into a water body without causing an exceedance of state surface water quality standards. The TMDL process enlists the participation of stakeholder groups and other interested parties to assist in identifying possible sources of pollution, to allocate loads of those pollutants in accordance with the objectives of the analysis, and to identify the most reasonable measures that should be implemented in order for the stream to achieve surface water quality standards.

A public meeting will be held at the Superior Jr/Sr High School; 100 Mary Drive, Superior, AZ 85273, on October 4, 2017 at 6:00 PM to discuss the draft TMDL report and to answer any questions from interested parties. ADEQ will release a draft version of the TMDL for Queen Creek, Arnett Creek and the 2 unnamed drainages on October 4, 2017 and will accept written comments until 5:00 pm (MST) on November 13, 2017. Written comments should be sent to: Arizona Department of Environmental Quality Attn: Kyle Palmer, 1110 W. Washington Street, Phoenix, AZ 85007 or electronically mailed to: palmer.kyle@azdeq.gov

This TMDL may be reviewed at the following locations: ADEQ Records Center (first floor) 1110 W. Washington Street, Phoenix, Arizona 85007 (602) 771-2300 or The ADEQ website <http://www.azdeq.gov/node/672>

Responses to written comments received during the public comment period will be addressed and summarized in a public notice in the Arizona Administrative Register during the month of December, 2017.

If you have further questions about the Queen Creek, Arnett Creek, and 2 unnamed drainages TMDL, please contact the project manager, Kyle Palmer at 18002345677, ext. 771-4540 (inside Arizona only) or (602) 7714540.

RESOLUTION NO. 573
A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF SUPERIOR AMENDING THE LAND USE ELEMENT OF THE TOWN'S GENERAL PLAN WHEREAS, the Town Council has, at its regularly scheduled meeting on September 14, 2017, studied and considered Resolution No. 573, a resolution approving amendments to the Land Use Element of the General Plan; and **WHEREAS,** the Town Council has determined that it is in the best interest of the Town to enact these amendments to the Town's General Plan to enhance the quality of life and to protect the health, safety, and welfare of its citizens; and **WHEREAS,** a timely and properly noticed public hearing upon Resolution No. 17-03 was held by the Planning and Zoning Commission of the Town of Superior during its scheduled meeting held on April 6, 2017, at which hearing the Commission did recommend to the Town Council adoption of the amendments to the Land Use Element of the General Plan. **NOW, THEREFORE, BE IT RESOLVED** that the Town Council of the Town of Superior, in a regularly scheduled session assembled on the 14th day of September, 2017, resolved to approve Resolution No. 573, a Resolution of the Town Council amending the Land Use Element of the General Plan as follows: **SECTION I: LDR - Low Density Residential Purpose:** The Low Density Residential category designation accommodates semi-rural large lot development with generous distances to streets and between residential dwelling units and a viable semi-rural character setting. This category also occurs where extension of urban infrastructure services may be limited and agricultural uses may continue. The density range of this land use category is between zero (0) to two (2) dwelling units per acre (du/ac). Zoning: Four (4) of the current Town of Superior Zoning Districts can be applied to meet the purposes of the LDR designation. These are:
 AR (Agricultural Residential) One (1) residence per four and one-half (4.5) acres.
 RR (Rural Residential) One (1) residence per two (2) acres.
 ER (Estate Residential) One (1) residence per one (1) acre.
 SR (Suburban Residential) One (1) residence per one-half (½) acre.
SECTION II: MDR - Medium Density Residential Purpose: The Medium Density Residential category designation provides for a suburban lifestyle with planned single and multiple-family residential neighborhoods, which include open space, recreation and cultural opportunities, including schools, churches and neighborhood facilities. Medium density residential areas comprise the majority of residential land in the Town. The density of this land use category is between two (2) to eight (8) du/ac. Zoning: Three (3) of the current Town of Superior Zoning Districts can be applied to meet the desired development density levels of the MDR designation. These are:
 R1-8: five (5) residences per acre)
 R1-5: seven (7) residences per acre)
 R-2: eight (8) residences per acre
SECTION III: HDR - High Density Residential Purpose: The High Density Residential category designation provides for multi-family dwellings that may be multi-story buildings. This category would provide for townhouses, condominiums and apartments. Substantial common open space, recreational amenities and on-site support facilities would serve residents. The density range of this land use category is between eight (8) and twenty (20) du/ac. Zoning: Two (2) of the current Town of Superior Zoning Districts can be applied to meet the intent of the HDR designation. These are:
 R-2: Eight (8) residences per acre.
 R-3: Twenty (20) residences per acre.
SECTION IV: DMU - Downtown Mixed Use Purpose: The Downtown Mixed Use designation is intended as a mixed-use category which will allow a range of employment, retail, and residential uses. These uses will encourage infill development to foster a solid block face of viable uses, revitalization of existing structures to promote adaptive reuse of the existing building inventory, and selected redevelopment locations where existing structures cannot be revitalized in the downtown. The ability to mix compatible uses will promote and maintain the character of downtown Superior. Development in the Downtown Mixed Use designation will leverage existing capacities of infrastructure and public facilities and assist in upgrading where necessary. Zoning: Seven (7) Zoning Districts can be applied to meet the goals of the Downtown Mixed Use land use designation:
 R1-5: Seven (7) residences per acre.
 R-2: Eight (8) residences per acre.
 R-3: Twenty (20) residences per acre.
 PD: Planned Development.
 C-1: Neighborhood Commercial
 C-2: General Commercial.
 TC: Town Center.
SECTION V: The Zoning Administration of the Town of Superior is hereby given the authority to make any non-substantive changes to the Land Use Element of the General Plan of the Town of Superior. These non-substantive changes will include such things as grammatical errors, error in mathematical calculations, erroneous references from one section of the General Plan to another section, changes in formatting, clarification of Tables, or any other such changes provided a report is given to the Planning and Zoning Commission and the Town Council indicating which changes are to be made. **SECTION VI:** Severability. If any section, subsection, subdivision, sentence, phrase or portion of Resolution No. 573 or the application to any person or place is held to be unconstitutional or invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this General Plan amendment. The Town Council declares that it would have recommended adoption of these revisions of Resolution No. 573 and each section, subsection, sentence, clause, or phrase of this Resolution in spite of the fact that one or more of the same be declared unconstitutional or invalid. **PASSED AND ADOPTED THIS 14th DAY OF SEPTEMBER, 2017. Head Start Happenings: Smokey the Bear pays a visit to the preschool

Quote by Walt Disney “Our greatest natural resource is the minds of our children.”

Wow, the Superior Head Start is well into its second month of the Head Start program. Classes began in August and the children are adjusting to the routine. Many of the children who returned after participating in the summer duration Head Start Program walked in with confidence knowing the teacher and teaching staff by name. The children are learning that the Head Start classroom is a place to learn and play. The children are introduced daily to different centers and toys such as games, art, housekeeping, blocks, reading books, music and movement activities and are exhibiting confidence as they become comfortable with their classroom.

The children review daily classroom safety agreements, about personal space and awareness and about having a healthy body.

On Monday, the children were visited by Smokey the Bear and Ms. Linda Sullivan. Ms. Sullivan presented a fire safety training.

The children learned how to tell a good fire from a bad fire.

One child said, “When you put too much wood in the fireplace, it’s a bad fire, be-

cause Mommy and Daddy didn’t do it.”

The children were eager to meet Smokey the Bear many of whom greeted him with a high five, a smile, a hug and or a bump of the knuckles. The children sang the ABC song and finger plays and posed for photos with Smokey the Bear.

Smokey the Bear and Ms. Sullivan presented each of the children with a bag filled with fire safety information and gift to remember their participation in a school readiness activity. The visit coincided with the children’s first Fatherhood Activity.

Dads and family members play an important role in a child’s development and learning when they actively participate in their child’s education. The children selected a free reading book to add to their personal library as part of their Fatherhood Activity.

This week the children are participating in Superior Panthers’ Spirit Week dress up activities with Friday being Black and Orange Day! On Oct. 9, the children will begin Fall Break. On Oct. 18, the U of A Dental team will be on site to conduct a free dental screening. On Oct. 30, the children will participate in a walking field trip to the Superior Senior Citizens Center as part of Silly Dress Up Day.

Superior Head Start students with Smokey the Bear.
