

A woman in a vibrant, multi-colored Mexican folk costume is captured in a dynamic dance pose. Her dress is primarily blue with wide, colorful stripes in red, yellow, green, and purple. The skirt is full and flared, with intricate patterns and lace detailing. She is wearing black high-heeled shoes. In the background, other people in similar costumes are visible, along with festive decorations like colorful streamers and a blue and yellow umbrella. The setting appears to be an outdoor event, possibly a fiesta, with a clear sky and some buildings in the distance.

Slump in global economy - layoffs hit local area

By Mila Besich-Lira
Copper Area News

Sept. 1, the first day of the last quarter of 2015, Copper is selling at \$2.31 a pound and 381 mine workers are looking for a new job.

Last week both ASARCO and Freeport McMoRan made announcements that they would lay off workers and reduce production at their operations in the Copper Corridor. The recent crumbling of the stock market in China has reduced the prices for commodities like copper and oil. This has left most investors worried and the trickle down effect of the slump in China has affected the main industry of the Copper Corridor.

ASARCO plans to shut down the concentrator at Hayden indefinitely and will reduce its stripping and leaching output. This reduction affected 211 jobs at the Ray Pit and Hayden operations. Freeport McMoRan will reduce its production and is expected to lay off 170 from Miami pit operations. The rod plant and smelter will not be affected by the reduction as this time.

It is unknown at this time if the majority of those laid off were from the Copper Corridor area or if they were workers from the metropolitan areas.

Following the announcements of the lay offs, Ray Unified School district announced that anyone with students at RUSD who was affected by the lay offs should go to the cafeteria to apply for the free and reduced lunch program. Pinal County and the Department of Economic Security have many resources to help those who may be looking for assistance during this time.

Fiesta plans continue for St. Francis of Assisi

By Yolanda Najera Ewing

The Fiestas Patrias of St. Francis of Assisi Church on Main Street take place Saturday and Sunday, Sept. 12 and 13, celebrating community and the hard won Mexican independence through a revolutionary war.

The war began on the night of Sept. 15, and near dawn on Sunday, Sept. 16, 1810. Miguel Hidalgo y Costilla, a 57-year-old priest from an old family of Mexican-born Spaniards, gathered his parishioners in the small town of Dolores in the state of Guanajuato, and urged them to rise up in arms - even with stones, slings, sticks or spears - in order to defend their faith and dignity.

St. Francis Fiestas Patrias will begin with a car show where cars will be moving in beginning at 7 a.m. The show opens at 11 a.m. and features DJ Supetown, David Sinteral who will be performing during the entire car show. There will also be performances by J. Rydah and Grind King Z. The car show is set to end at 5 p.m. with a car hop. The awards for the event will be announced and presented at 6 p.m.

Saturday's schedule of events includes the opening of the food booths at 9 a.m. The Fiesta Parade will begin at 11 a.m. on Main Street. Past Fiesta Queens and their Court are asked to enter individual floats and should contact Parade Chair Melissa Torres at 520-827-0475 or the Church Office at 520-689-2250. Game booths will open at 3 p.m. Mass will be celebrated at 5 where the 2015 Fiesta Queen will be crowned. Formal presentation of the 2015 Queen and her Court is set for 6 p.m. when the performance by Mariachi

Alma Jalisco will also begin. The St. Francis Church Choir will perform at 7 p.m. Dancers will begin performing at 7:45 p.m. Mariachi Alma Jalisco will again take the stage at 8:15 p.m., and the band, "Primo," will take over from 9 p.m. to 1 a.m.

On Sunday, food booths will open an hour later at 10 a.m. There will be a horseshoe tournament at 1 p.m. with

the game booths opening up at 2 p.m. Mariachi Alma Jalisco will start playing at 5 p.m., and other entertainment will begin at 6 p.m. Mariachi Alma Jalisco will return to the stage at 7 p.m.

Although the St. Francis Fiestas Patrias last only two days, what Hidalgo began that fateful night in Dolores lasted a little more than 10 years. What he intended, and accomplished, was to launch his flock against the Spaniards born in Spain and living in Mexico, who had been exploiting the wealth of the Mexican people with the greatest injustice for 300 years. Within a month, he was joined by more than 50,000, mainly indigenous

men, from the poorest levels of society. Attracted by his religious magnetism and by other less noble motives, Hidalgo's "Army" devastated the cities of San Miguel, Celaya, and Guanajuato; they were on the verge of entering Mexico City when Hidalgo ordered them to retreat. A few months later, in July of 1811, Hidalgo was tried by the Spanish Inquisition, condemned by the civil authorities, and executed. However, by then the seed had begun to sprout. It took the form of a long and violent social earthquake, almost without precedent in New Spain or the Americas: the Mexican War of Independence - a truly popular movement led by armed parish priests.

According to witnesses present at the original event, Hidalgo and his followers had shouted "¡Mueran los gachupines! Viva la Virgen de Guadalupe!" ("Death to the Spaniards! Long live the Virgin of Guadalupe!"). To this day residents of Mexico City, as well visitors, congregate annually on the Zócalo (central plaza of Mexico City, and the site of the ceremonial heart of the Aztec nation) to participate in the ritual of "El Grito" (The Cry). Mexico's presidents have stood on the main balcony of the National Palace to ring "Hidalgo's Bell" from Dolores, and lead the patriotic cry of "Long Live the Hero's of the Nation! Long Live the Republic!", and every year thousands of voices have shouted in reply "¡VIVA!"

Panthers dominate Apaches in opener

By Andrew Luberda
Superior Sun

The sixth-ranked Panthers looked even more impressive in their season opener last Friday night than expected, dominating Ft. Thomas on both sides of the ball and cruising to a 58 – 0 shutout victory.

Junior quarterback Nicolaus Cruz threw for two touchdowns and ran for another to lead Superior's offensive attack, completing eight of 11 passes for 164 yards and rushing for 71 yards on just four carries. Cruz' backup, freshman Steven Ybarra, completed both of his pass attempts for 47 yards and a touchdown.

Running back Edgar Galindo rushed for 52 yards and two touchdowns in the win.

Team captain Elias Olmos along with Michael Bueno and Austin Navarrette combined for more than 200 yards receiving on nine receptions. Olmos (1) and Bueno (2) accounted for the Panthers' three receiving touchdowns.

The Panthers' defense forced four turnovers – three fumbles and an interception – in the game. Junior Dominic Perea led Superior with 6 tackles.

The Panthers scored 52 points in the first half of last Friday's game, displaying the firepower many expected from one of the state's best offenses.

Superior will host Duncan this Friday in their home opener. The Wildkats defeated Phoenix Day School for the Deaf last week, 52 – 14.

Kickoff is scheduled for 7 p.m.

Help wanted: leaders sought for Superior Little League

By Mila Besich-Lira
Superior Sun

It is that time of year. Most residents and parents are thinking of football, cooler weather and the holidays. Baseball and Little League are the last things on our minds.

However in order to host a successful season, it is important that the Superior Little League conduct its annual board elections in September.

The elections for the 2015-16 season will be held on Sept. 24, 2015 at 7 p.m. at the Superior Junior/Senior High school multipurpose room. Elections are required each year as per the league charter and by-laws.

For more information on the election process and positions available, please contact Arlene Diaz-Gonzalez at 480-309-4049.

It may not count as far as the regular season is concerned, but the Lowry High School girls golf team earned some bragging rights over its eastern Nevada counterparts.

The Lady Bucks traveled to Spring Creek on Monday for the preseason icebreaker tournament with league rivals Elko and Spring Creek. It was the first time this year that the golfers were able to play a full 18 holes in one day.

Lowry took the top spot with a four-player total of 376 to beat Elko by five strokes. The Lady Bucks were led by freshman Tatyana Carlson, who shot an 81 to tie for low honors with Spring Creek's Mikal Jerman.

"That was a great round for Tatyana," said LHS head coach Todd Milton. "That is the best score she has ever shot."

Elsie Rose and Brooklyn Backus shot 97 and 98, respectively, for the Lady Bucks and Savanna Cox carded a 100. Kaity Sample finished with a 109. Veronica Jones (110) and Hannah Havens carded a 129.

"I was very happy for the first time out," Milton said. "Those first four scores were good. Veronica said that is the best round she has played and Hannah was out there for the first time."

Lowry will be back on the road to eastern Nevada, as the regular season gets underway for the Division I-A North on Wednesday at Ruby View Golf Course in Elko. The schools move

over to Spring Creek on Thursday. The Lady Bucks will host the league on Thursday, Oct. 8.

The Division I-A North doesn't have regional championship and the top three teams based on the regular season standings advance to the state championships, which will be held Oct. 21-22 in Boulder City.

"Just watching them, there are things we need to work on," Milton said. "The girls need to improve around the greens, especially our putting. There were a lot of three and four putts. A lot of that was the girls not taking their time. They would have a three-foot putt and hit it three feet past the hole. If we can fix that we will be OK. All in all, I was happy with what we did at the icebreaker."

Tatyana is the granddaughter of Superior residents, Dora and Nacho "Mac" Villaverde.

Another minor capital project completed at Resolution Copper

Oddonetto Construction, a local contractor from Globe, recently worked with Resolution Copper to safely complete a pump house project in Superior.

The new upgrades will continue to supply water from the Arizona Water Company to Resolution Copper's current facilities. All employees on the job were from the local Copper Triangle area, including the San Carlos Reservation. They finished the job on time and incident free.

"We run our projects very systematically; Oddonetto came in and completed the job safely allowing us to have the water we need during the development of the project," said Resolution Copper construction superintendent Bo Deen.

For additional information about the project, visit our website at www.resolutioncopper.com or call the Resolution Copper community line at 520.689.3409.
