OBITUARY

Ernestine R. Avelar

It is with great sadness that the family of Ernestine R. Avelar, age 84, announce her passing in the early morning of Friday, Sept. 25, 2020, surrounded by loving family and after a long-time battle with dementia.

Ernestine (Tina), was born Sept. 30, 1935 in Tempe, AZ to Trinidad Corral and Juan Ruiz who later moved from Scottsdale to Sonora where she, her brothers and sisters shared wonderful memories growing up in their quaint but bustling town.

She moved to Ray/Kearny and married Raul C. Avelar, and they grew their family to six children. Later in life she became one of the first women to become a member of the local Elks Lodge where she was a member for 24 years. Tina took pride in cooking and cleaning for her lodge and for her church, the Infant Jesus of Prague, to which she donated both time and tithes.

She was welcomed into Heaven by her mother, father, brothers Albert and Jimmy, sisters Erma, Bobbie, Josie and Talita, son Patrick and granddaughter Elicia.

Tina will be greatly missed and forever remembered by her surviving children: Ruly (Vicki) Avelar, Cindy (Marco) Robles, Jackie (Leon) Abeyta, Anna (Matt) Vestal and J.T. (Susie) Avelar; 30 grandchildren, 12 great-grandchildren, nieces, nephews, and countless family and friends.

Funeral services will be closed to immediate family only due to the pandemic.

Obituaries are published free of charge in the San Manuel Miner. If you have an obituary you would like us to print, please submit it online at copperarea.com. Click on "Customer Service". You can also request our newspaper through the mortuary or funeral home.

CASA of Arizona celebrates 35 years; volunteers have been changing children's lives in Arizona since 1985

(Gila County, Ariz.— Sep. 25, 2020) Court Appointed Special Advocates (CASAs) have been standing up for children in Arizona's foster care system for 35 years. CASA volunteers are everyday people who get to know the kids to whom they are appointed, talk with everyone involved in the case and help judges identify the best outcome for the child. More than 25,000 children in Arizona have benefitted from having a CASA volunteer on their side.

The CASA program began in Seattle, Washington in 1977 when juvenile court judge David Soukup decided he needed an unbiased source to help guide him in juvenile cases. Pima County, Arizona started the second program in the nation in 1979 and CASA of Arizona was formed in October of 1985. The Arizona legislature passed a bill in 1991 that allowed CASA of Arizona to claim 30 percent of unclaimed lottery winnings. The funding mechanism allowed CASA of Arizona to open a CASA program in all of Arizona's 15 counties.

"We're proud of the growth CASA of Arizona has experienced over 35 years," said Deidre Calcoate, Program Manager for CASA of Arizona. "We have such dedicated volunteers who are changing the lives of children who have experienced abuse and/or neglect. This is not easy work, but we know it is important work. In a system that is so overwhelmed, our volunteers provide an extra set of eyes and ears for juvenile judges who make life changing decisions for children in out of home care."

Children with a CASA volunteer are more likely to receive services, twice as likely to find a safe, permanent home, and half as likely to re-enter the foster care system. Unfortunately, only 1 in 5 children in foster care in

Arizona get the support of a CASA volunteer.

There are nearly 1,200 CASA volunteers serving children in Arizona. During the 35th anniversary, CASA of Arizona is encouraging more people to get involved.

To learn more about becoming a CASA volunteer in Gila County, call us at 928-402-4427, email enader@courts.az.gov or visit our website at www.CASAofGilaCounty.org.

The Free Little Pantry located at the Butterfly Garden near the Oracle Community Center held a Grand Opening Ceremony on Thursday Sept. 24, 2020. Many of the people who had a helping hand in organizing and making the pantry a reality attended as well as Pinal County District 1 Supervisor Pete Rios.

The Free Little Pantry was an idea starting with Tina Acosta of the Oracle Fire District. She shared the idea with a few “movers and shakers” in Oracle which included Fire Chief Robert Jennings, Ellie Brown, Rachel Opinsky, Kevin Armbrust, Dale Suter and Laura Stiltner. Others that helped included the Oracle Fire District, Oracle Community Center, local artists and many volunteers including the American Flag Gang who built and secured the pantry. The Gang is made up of Kevin Armbrust, Dale Suter, Brian Kirkpatrick and John Medley. Leroy Fors helped the Gang renovate the old locker that was donated by the Fire District. Arizona Water Company donated bottled water to the pantry. It was a neighbor helping neighbor project.

Pete Rios talked about being proud of

Free Little

Oracle and how the Free Little Pantry is the first one in Pinal County. He figured if anyone could get this idea off the ground it would be people in Oracle.

“Oracle has a big heart,” he said.

It is something that is needed due to the pandemic’s impact on the economy and food supply chain.

Tina Acosta thanked everyone for helping. She said she would like to see other neighbors in Oracle and the Tri-Community step up and put a Little Free Pantry in their neighborhood.

“This is not a food bank but more of a safety net,” said Tina.

There are many ideas at the Little Free Pantry website: www.littlefreepantry.org. Tina is also willing to help anyone interested. The mini pantry movement is a grass roots initiative to help neighbors feed neighbors.

A recent national survey found that more than 17% of mothers reported that their children under 12 were not getting enough to eat because they could not afford to purchase food. This is a 400% increase over when the government measured hunger rates in 2018. The Oracle Free Little Food Pantry stocks non-perishable food items (canned food, dry beans, rice,

Free Little Pantry draws county attention

The Free Little Pantry in Oracle has drawn attention from Pinal County. Nancy Larsen, Community Liaison for Pinal County Attorney’s Office, visited the mini food pantry on Thursday, Sept. 24, 2020.

Nancy took an interest in the pantry and delivered some donated books and DVDs for the pantry. She liked the idea of the food pantry and thought other people in the county may want to set up mini pantries in their neighborhoods. Oracle is the first Little Free Pantry in Pinal County.

Also visiting with Nancy was Trevor Smith, Public Information Office. Trevor filmed a video about the Free Little Pantry and how it got started. He interviewed some of the people involved including Tina Acosta who initiated the idea and Kevin Armbrust, a member of the American Flag Ranch Gang who built and secured the pantry. Look for the video soon at the

pasta, cereal, peanut butter, jelly, etc.). They also stock hygiene items such as soap, shampoo, deodorant, toothpaste, tooth brushes, tampons, paper goods, etc. They do not accept razors, food in glass jars or other items considered dangerous. There is also a section for pet food.

Everyone is invited to bring food and other items to the pantry and stock the shelves or if you need food, take some. "Take what you need, bring what you can."

Thank you, Oracle for stepping up and taking a leadership role in starting this program to benefit those in need!

Rotary names Outstanding Teacher of the Year – Margaret Schofield

Dr. Michelle Poppen, right, presents the Rotary Teacher of the Year Award to Margaret Schofield.

Have you ever been at a place where you see a certain individual walking in the distance and you sigh a breath of relief because you know that help is on its way? This is the feeling at Mammoth-San Manuel PK-12 School when one of its teachers, Margaret Schofield, is on campus. She was recently honored for her achievements in serving her school community. This helpful educator is Margaret Schofield. She was recognized by the SaddleBrooke Sunrise Rotary Club as their Outstanding Teacher of the Year for the 2019-2020 school.

Mrs. Schofield has been with the Mammoth-San Manuel Unified School District for almost two decades in various positions. She didn't start off as a teacher. She transitioned from being a chemist at BHP to being the computer technician for the district after the mine shut down. Her talented math skills were soon recognized which ultimately landed her a job within the Math and Science Departments at the school.

Mr. Campbell, the former interim principal nominated her for her outstanding performance as a teacher. He stated that, "Mrs. Schofield goes above and beyond the call of duty for the school and community, but most importantly, for her students."

Mrs. Schofield is the first one to arrive at school and the last one to leave every night. Yes, night, it is usually dark when she leaves the school. She does many jobs for the district. She oversees the Google Classroom Learning Platform, she trains staff, teaches math and science along with digital photography. In addition, she oversees the

yearbook class. She is CTE certified and continues to educate herself with ongoing trainings to develop her skills as a lifelong learner.

Dr. Poppen, the current principal, states that "Mrs. Schofield has been an integral part in helping students, teachers and staff maneuver through the on-line learning process. She is eager to help and is efficient in her efforts."

There isn't much Margaret can't do. Her valiant work ethic, competence, determination and dedication to the vision and mission of the district is appreciated and valued. Her leadership sets the tone for others to follow. She's a trailblazer in her quest to help those in need within the school community!

Oracle District Extends Online Learning

Our Governing Board recently voted to continue distance learning at Mountain Vista K-8 School after our return from Fall Break on Tuesday, Oct. 13. This unanimous decision was not made quickly, easily, or without consideration of each possible alternative. Our Governing Board and I agree that traditional in-person learning is the best option for instruction, interaction, and interventions. It is our goal to resume traditional in-person learning at Mountain Vista K-8 School soon and when it is safe to do so.

The alternatives to distance learning are hybrid learning and traditional in-person learning. Many districts in our state will soon transition to hybrid learning. We agree that hybrid learning (an instruction model where half of the students attend school in-person while the other half of the students engage in distance learning and then each student group switches to in-person or distance learning on opposite days of the week) has its benefits. We also agree that hybrid learning includes a multitude of changes, challenges, and downsides that we do not want to require our staff and students to endure if not absolutely necessary.

We recognize that the continuation of distance learning may present a hardship for families who advocated for a transition to hybrid learning in our online survey during the week of Sept. 14. To meet the needs of students in need

Celebrating Hispanic Heritage Month 2020

By **John Hernandez**
Copper Area News

Sept. 15 to Oct. 15 is National Hispanic Heritage Month in the United States. It is a way of celebrating and promoting the history, culture and contributions of

Hispanic-Americans. Hispanic Americans make up the largest ethnic minority in the United States. This year's celebration theme is Heritage, Diversity, Integrity and Honor: The Renewed Hope of America.

Although the COVID-19 pandemic has put a halt to large gatherings and festivities, there are still ways you can celebrate National Hispanic Heritage Month. Learn about Hispanic/Latino influences on American culture and history. Celebrate the food, music, cinema, art, politics, literature and more.

FOOD: Living in the southwest, we are all familiar with Mexican cuisine. In fact, there are a number of good Mexican restaurants in the Tri-Community as well as the rest of the Copper Corridor. Get out and enjoy a good meal at one of these Mexican family owned restaurants or try some other Latin influenced cuisine. There are restaurants in Tucson that serve Cuban, Peruvian and other Latin American cuisine.

MUSIC: There is no shortage of Hispanic musicians or Latin inspired music that you can listen to. Latin music genres are many including Latin Jazz, Mambo, Salsa, Cha-Cha, Conga, Tejano, Corrido, Conjunto, Cumbia, Norteno, Ranchera, Reggaeton, Hip Hop, Rock and Roll (Chicano Rock) and more.

Hispanic musicians and their music genre include Rock & Roll Hall of Fame members: Richie Valens (Richard Valenzuela) known for the first commercially successful rock record sung entirely in Spanish - La Bamba; Carlos Santana; Linda Ronstadt; Jerry Garcia as a member of The Grateful Dead. Other successful artists include Los Lobos, Rage Against the Machine; Malo; Los Lonely Boys; Ozomatli; Tierra and for you oldies fans: Sam the Sham and the Pharoahs, "Wooly Bully"; Question Mark and the Mysterians, "96 Tears"; Cannibal and the Headhunters, "Land of 1,000 Dances"; and Rosie and the Originals, "Angel Baby".

Hip Hop/Rap musicians include: Pitbull; Frost originally Kid Frost known for album Hispanic Causing Panic; Cypress Hill; Big Pun; Fat Joe.

Salsa artists of renown: Celia Cruz "The Queen of Salsa"; Marc Anthony; Ruben Blades; Willie Colon; Hector Lavoe; Johnny Pacheco; Fania All Stars; Tito Puente.

Other popular Hispanic musicians that have influenced Latino music in the United States and around the world include: Los Tigres del Norte; Gloria & Emilio Estefan/Miami Sound Machine; Lila Downs; Daddy Yankee (Reggaeton); Lin-Manuel Miranda "Hamilton"; Selena; Christina Aguilera; Ricky Martin "Living the Vida Loca".

ORACLE SCHOOLS

Continued from page 6

of improved internet service, supervision, or support during the school day, we will expand our Cares Program and accommodate more students when we return from Fall Break.

We will continue to monitor the metrics established by the Arizona Department of Health and county health departments. Our Governing Board will reassess if a transition to traditional in-person learning will be safe during our October Governing Board Meeting on Thursday, Oct. 15, 2020 at 6 p.m. in the school cafeteria. If the number of positive COVID-19 cases in our community start to rise before the October Governing Board Meeting, our Governing Board will reassess a transition to traditional in-person learning during the November Governing Board Meeting on Thursday, Nov. 19 at 6 p.m. in the school cafeteria. Our staff and community are welcome and encouraged to attend the meetings of our Governing Board on the third Thursday of each month.

Our maintenance and custodial teams are working each day to prepare our campus for the return of students. When students return for traditional in-person learning, we will have touch-free hand soap and paper towel dispensers in each restroom, water bottle filling stations in place of drinking fountains on the playgrounds, hand sanitizer dispensers throughout campus, additional picnic tables for outdoor seating, a surplus of cleaning products to ensure the sanitation for surface areas, high quality air filters in each HVAC unit on campus, and both signage and training to help our students learn to consistently wash their hands properly.

When we return for traditional in-person learning we will continue to require students and staff who are sick to stay home. We will continue to use technology including Google Classroom to share assignments with students who are at home sick and work to make absences from school due to illness less of an

academic hardship than they were before the COVID-19 school closures. When children become sick at school, we ask that they be picked up by a parent, guardian, or emergency contact as soon as possible.

If a family does not plan to send their child to campus for traditional in-person learning this school year, I will ask that they reach out to my office directly at 520-896-3074 before Monday, Oct. 12, 2020. We will work together to create an educational plan for each child and will assign a "teacher of record" and online curriculum to support each child. We do not plan for our teachers to teach both distance learning and traditional in-person students simultaneously. Families that request continued distance learning options beyond our transition back to campus will be accommodated with online curriculum options for the remainder of the school year.

I'm enthusiastic to see the number of positive COVID-19 cases decrease in Arizona. I'm hopeful that the measures we each make at work and at home to stop the spread of this virus will help this pandemic end soon. I'm proud of the teaching that takes place each day in our Google Classrooms and the learning that takes place in each home. I'm inspired by the resilience of our students and the commitment of our staff. I know we are unique by not transitioning to hybrid learning after Fall Break. I'm confident that we are doing the right thing by maintaining the routines we created a month ago when the school year started. We will be able to welcome students back to school soon and when we do, it will be the most wonderful day this campus has seen since March.

Thank you for your continued support,

CASA OF ARIZONA

Continued from page 3

For more information about CASA of Arizona, visit www.CASAofArizona.org. More about CASA The CASA program is administered by the Arizona Supreme Court and has programs in all 15 Arizona counties. County programs recruit and train community-based volunteers to speak up for the rights of abused and neglected children in court. CASA volunteers are appointed by judges to foster children who have the greatest need for an advocate. Volunteers do not provide placement or a home for the child but are strictly advocates who submit their recommendations directly

to the judge hearing a child's case. CASA volunteers complete 30 hours of training to prepare them for their duties. Child Abuse Statistics

- In fiscal year 2020, the statewide Child Abuse Hotline received 155,905 calls.
- Neglect is the most common form of child abuse followed by physical abuse.
- The majority of children who are in out-of-home care in Arizona (44.6%) are ages 0 to 5.

CASA Volunteers

- Volunteers must be at least 21 years old.
- Volunteers go through a rigorous screening process including interviews, reference check, a fingerprint check, child welfare history check, and a polygraph exam.
- Volunteers are asked to make a commitment to one case until its conclusion, typically involving 15-20 hours per month.
- Volunteers must complete

30 hours of pre-service training.

- CASA volunteers build a 360-degree view of the child and his or her surroundings. To do this, they meet with teachers, counselors, physicians, care takers, etc.
- CASA volunteers work to ensure that children are in safe, permanent homes where they can thrive.

We regret that due to the lack of response and your failure to communicate with us as stated in the fee agreement, we now have to cancel our Contingency Fee Agreement. You should know that the statute of limitations in Arizona for a tort action is generally two years from the date of injury, or when you knew or should have known of your injury. If your claim involves a state public entity such as a city or town or school district, then the statute of limitations is only one year, and you must also properly serve notice of your claim on the state public entity within 180 days from the date of injury. Also, if your claim involves a worker's compensation claim, or a claim that arises by statute (such as a dog bite claim), you may have only one year from the date of injury to preserve your claim. There are other time periods, subject to several exceptions, may cut off your right to claim for your injury. We appreciate the opportunity to have represented you. We regret we cannot proceed further for you if we can help you or a loved one in the future, please let us know. Sincerely, GOLDBERG & OSBORNE Amanda L. 5. Notice is given that DCS is proposing to substantiate any allegations of abuse and/or neglect contained in the dependency petition for placement in the DCS Central Registry. Copper Area News is committed to providing our readers with as much information as possible. We post a daily update on our Facebook page with the total positive COVID-19 Data. This graph shows the daily counts of positive cases for the past week as of press time on Sept. 28, 2020.

There are a few points we would like our readers to consider when following this data.

1. This will continue to be a rolling total of positive cases. It does not reflect recoveries or deaths. The Arizona Department of Health Services does not break out this data.
2. If you see a reduction in numbers from day to day it is most likely due to a data entry error or mis-coding of a zip code (at the state level).
3. This is all zip code based data; most of our zip codes include unincorporated areas. There is no way to track exactly which areas each of the positive cases are. Example, Kearny and Winkelman each have small communities in their zip code that are not in the Town's incorporated boundaries.
4. If you live in Gila County, please follow the Gila County Health and Emergency Management, Facebook. They have maintained their data on recoveries and current positive cases.
5. You can follow other data such as ICU bed use, Ventilator use and hospital capacity online: <https://bit.ly/3inh280>

Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6 feet apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.

Bunnies Benefit for the Oracle Historical Society

Artists for these Benefit Bunnies are, from left: "Bunny Tale" by Christopher Lucic; "Bonnie the Bunny" by Barbara Kemp Cowlin; "Wild Elder Bunny" by Jenine Mayer; and "Rabbits rabbits everywhere" by Sheila Miles.

Retired art teacher and Oracle artist, Karen Medley, has gathered some of Oracle's finest artists to participate in a fundraiser for the Oracle Historical Society. The artists have creatively painted seven ceramic bunnies which will be put up for sale. The bunnies are approximately 13" tall and 6 1/4" wide at the base. A minimum donation of \$100 per bunny or bunnies of your choice is requested. Your donation is tax exempt and will go solely to OHS.

The seven local artists are: Sharon Holnback, Joy FoxMcGrew, Christopher Lucic, Barbara Kemp Cowlin, Jenine Mayer, Sheila Miles and Karen Medley.

Karen Medley will have all the bunnies on display at the Acadia Ranch Museum on

Sunday, Oct. 4, Sunday, Oct. 11, and Sunday, Oct. 18 from noon to 2 p.m. for in person viewing. Interested people can call her at 520-403-8269 if they prefer to schedule an appointment to view the bunnies. This benefit will help OHS to remain viable through these difficult times and allow the organization to open the Museum and other historical buildings to the public and provide events as soon as possible.

If you are interested in donating to own one of these unique bunnies, please email OHS at oraclehistoricalsociety@gmail.com or leave a message at 520-896-9609. Cash or check only! The bunnies cannot be shipped but OHS will make arrangements with you to pick up.
