OBITUARIES

Nancy Alverta Wilkinson

Nancy A. "Peaches" Wilkinson left us on Aug. 24, 2019 to join her sister, parents and her Charlie. Nancy was born on Aug. 16, 1941 in Phoenix, Arizona at St. Joseph's Hospital to George "Jack" and Marie D. Townshend. She and her twin were premature and Mary only lived for 20 days.

The Townshend family moved to Ray in 1946 after her father was discharged from the U.S. Navy. Nancy graduated Ray High School in 1959. After high school

"Peaches" attended Arizona State University for three years before marrying C.E. "Jack" Cummings in 1962. The first move with her new family was to Lander, Wyoming where she worked at a real estate company, then to Ely, Nevada and the birth of her first son Earl in 1965.

The family later moved to Lancaster, California where Nancy was employed at Edwards Air Force Base with top secret security clearance. Her second son Scott was born there in 1970.

The marriage ended in 1972 and she and her sons returned to Kearny where she met "her Charlie" and they were wed in 1973. This union brought Terri, Sherri, Vince and Donny into the family. Nancy worked at the Kennecott Hospital from 1972-1982. In 1983 She found her calling when she went to work for the Kearny Police Department as a dispatcher. She was convinced to go to the police academy where she served, with love and honor,

the town of Kearny for 24 years.

She is preceded in death by her sister Mary, her parents Jack and Marie, and her husband Charlie. She is survived by her brother, Jack; her children, Earl, Scott, Terri, Sherri, Vince and Donny; her grandchildren, Jake, Kyndra, Ashley, Dillan, Kyndell, Garrett and Shea; her great-grandchildren, Eylla Lou, Freya, Cameron, Josia, Charlee, Kyson and Wyatt.

Services were held on Saturday, Aug. 31, 2019 at the Ray High School Auditorium in Kearny, AZ.

The family was assisted with exceptional service by Griffith Mortuary.

Norma Williams

Norma Williams passed from this world unexpectedly Aug. 27, 2019. Norma was born to Manuel D. and Luisa Rios Dec. 2, 1952.

Norma is preceded in death by her father, Manuel D. Rios. She is survived by her mother, Luisa Rios; husband, Carlos M. Williams; daughters, Katrina Williams and Stacey Williams; sisters, Alice (Kent) Craig and Pat Rios; nephew, Seth Craig; and niece, Shawna Craig.

Norma was loved by all who knew her. She will be remembered for her enormous generosity, boundless kindness to all living beings and her keen sense of humor.

Norma was an avid University of Arizona Wildcat basketball fan. We looked forward to our annual PAC-12 basketball tournament trip. Norma always came back with many stories to share of our adventures. There was no better storyteller than Norma. Norma's endearing personality earned her new friendships everywhere she went.

Rest in peace, Norma; you will be greatly missed by all who had the good fortune to know you. BEAR DOWN!

Town of Kearny – Meeting Goals

There are many good things happening in the Town of Kearny. First of all, there are many projects happening at the same time. Every year the Town Council sets high goals and I can happily say, we will meet all of our goals again this year.

There were many grants written this year and awarded to the Town of Kearny. The CDBG grant from CAG was awarded to the Town of Kearny in the amount of \$271,526 to rehabilitate the filtration plant, which will provide some needed repairs, which has been a topic of discussion because of the dark water. The Town of Kearny has always had a high content of manganese, when there is a high volume of water usage, such as in the summer time, the water turns dark, however, it is safe to drink.

The other grant project the Town is working on is the USDA grant/loan in the amount of \$1,600,000 to upgrade the water tanks, the booster tank, up across the highway, install a new Well and install new water meters, which are over 50 years old. The current meters do not detect low flow and the Town is losing a large amount of revenue. The Town has been underbilling for many years. These are large projects, however, it is a much needed rehabilitation. The sewer system was rehabilitated last year. The lines were videoed and cleaned. Major repairs were completed, so now the Town does not need to worry about the sewer system for a couple of years.

The Town has applied for a Water Infrastructure Finance Authority Grant to refinance the USDA bond that was used to

build the waste water treatment plant. This will lower the 5.125% interest rate of the bond to about 3% to 4%.

Another topic of conversation is the golf course. ASARCO/GrupoMexico owns the golf course. The Town of Kearny has watered the golf course with the effluent water for the past 17.5 years, to the amount of \$525,000 and this is the electricity only being spent monthly, and the water usage, however does not account for the wear and tear of the pumps and machinery, or employee wages. At a meeting with ASARCO, and the Golf Club three years ago, I shared with everyone that the daily flow to the waste water facility is lower because of the decline of the population in the home per household, which has lowered the water availability significantly. Last year, the town had to stop watering the golf course because of the low water volume in the tank. Since the number of people in a household has declined, there is only enough water in the tank to help us with the wastewater treatment plant for approximately six to eight hours a week for the plant. The Town was giving 65,000 gallons of effluent water a day to the golf course, however, this wasn't meeting the demands of the golf course to keep it green. It takes \$1,500 per month of electricity to run the Well at the golf course, which is owned by ASARCO/GrupoMexico. We are hoping ASARCO/GrupoMexico will join in to help the Golf Club since the Town of Kearny has done their part for the past 17.5 years and can no longer provide water to the golf course because of the decrease of

daily flow to the waste water facility.

The Town recently received a grant from FEMA and Arizona State Forestry to mitigate the salt cedars along the Gila River in the amount of \$69,750. Arizona State Forestry did the hand work of the mitigation in March, free of charge to the Town, in the amount of \$16,429.85.

Since the Town is in a high fire zone area, this will help with the fire season.

The Town is also working diligently on Economic Development, Tourism and will repair the OHV Campground which the Town received a grant in the amount of \$166,000. This brings tourism to Kearny and boosts the local economy in our area.

The Kearny Volunteer Fire Department will host Fire Prevention Week with hot dogs and goodies in October and the Kearny Police Department will host its National Night Out also in October. There will be more information to come and a good time is expected.

FROM KEARNY'S MAYOR

By **Debbie Sommers**
Special to Copper Area News

Please remember if you have any questions regarding the water, sewer, or trash, please feel free to call the Town Hall at (520) 363-5547 and we will help you with any concerns or questions you may have.

Kearny Police Report

According to state law, there are two methods by which police may arrest suspected offenders. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are presumed innocent until proven guilty in a court of law. Only criminal citations are listed. All damages are estimates.

Activity listed Aug. 25-31. Aug. 30

Arnold P. Mariscal Jr., 54, was arrested in the 300 block of Greenwich Rd. and was charged with assault/domestic violence. He was cited and released.

Calls not listed include: ambulance request (5), traffic stop (16), found property (1), juvenile problem (1), citizen assist (4), animal complaint (2), suspicious activity (4), civil matter (1), welfare check (1), disturbance (2) and agency assist (3).

Obituaries are published free of charge in the Copper Basin News. If you have an obituary you would like us to print, please submit it online at copperarea.com. Click on "Customer Service". You can also request our newspaper through the mortuary or funeral home.

Making concessions even better at the Dave McFee field

Is there nothing better than taking in a football game on a Friday night and cheering on the local boys of fall? Well, there might be one more thing to make it better – some delicious treats and good eats from the concession stand. The concession stand at Ray High School's Dave McFee Field will be all new this year thanks to Newman Construction. Pictured above are Robin Newman Jr., Steven Howard and Ray Ford. The trio are rushing to get the new building built in time for Friday's home opener against Lincoln Prep.

Hayden-Winkelman Superintendent Gregorich visits CVIT Welding Program at CAC

Jeff Gregorich, pictured second from left, was excited to visit the CAC-CVIT welding program. Pictured with him are, from left, Avelino Rubal, Gregorich, Vincente Cruz Pablo Acuna, Damian Arbizo and Emiliano Camarena.

Superintendent Jeff Gregorich visited the new central Arizona College Aravaipa Campus on Aug. 27.

“I am very impressed with the state-of-the-art facility and the investment Central Arizona College has made to ensure the success of this program. It was a collaborative effort which came together last year, and it is exciting to see the students engaged in welding in high tech facility,” stated Gregorich.

“I would like to thank the leadership at CAC, and especially recognize Dr. James Busch for his hard work and support for industrial technology programs at Aravaipa Campus and the vision of creating a partnership with the local school districts. Without his leadership the program would not have been possible,” added Gregorich.

Professor Sam Colton said, “CAC is in process of investing more money into welding program which currently has more students than expected for the first year.”

Currently there are 24 high school welding students and 27 adults enrolled in the night classes three days a week.

“This exceeds our expectations and I know we will continue growing and add more classes, which may include industrial arts and diesel mechanics,” added Colton.

Cobre Valley Institute of Technology Superintendent Pete Guzman stated, “I am very blessed to see the CTE welding program successfully off and running with

Call for more info or apply online: Llave para mas info o solicite en linea: (520) 356-6245 pgccs.org/child-application or visit at 824 Thorne Avenue, Winkelman.

Hayden Senior Center receives much needed support

Earlier this year Supervisor Pete Rios emphasized the importance of passing an amendment to the Pinal County budget that would greatly benefit Hayden's Senior Center.

"The senior citizen center was on the chopping block. So when I heard they were going to close I did go and address a work session of the town council and wanted to see what their plans were and they indicted basically that they don't have the resources," explained Supervisor Rios.

As Supervisor Rios has stated in the past "It's important to take care of our greatest generation, our senior citizens who built this country. We must ensure their safety, health and well-being."

The Hayden Senior Center has the responsibility of providing food services to both the homebound and Senior Center for the entire Copper Corridor. The service area includes the communities of Oracle, Kearny, Superior, Mammoth, San Manuel, Dudleyville,

Hayden, Winkelman and all places in between.

County Manager Greg Stanley specified that a majority of the seniors utilizing this center are from Pinal County.

The motion was passed unanimously and Supervisor Rios delivered the funds to the Hayden Senior Center last week. These funds will help to defray many of the costs for the Senior Food Program.

"I wish to thank Supervisor Rios and the Pinal County Board of Supervisors for their generous donation of \$20,000.00 in addition to the normal annual donation of \$20,000.00. We, as a council, the citizens of Hayden, and citizens of the surrounding areas who utilize the services of the Hayden Senior Center are grateful for the donation in a time of need. Without this funding, it was likely the Senior Center would not be operating at its current capacity. Again, thank you very much for this much needed donation," said Hayden Mayor Dean Hetrick.

Supervisor Rios presents a check to Mayor Dean Hetrick and Center Director Annie Hinojos.

Helping Kearny Police protect and serve

The Kearny Police Department received a grant from the 100 Club in the amount of \$14,612.49, which will be used to purchase 12 tasers and 12 holsters. This stipend was made possible from the Bob and Renee Parsons Foundation. Pictured is Chief of Police Wallace Kenney and the 100 Club Representative Kelly Mishire.

more than expected enrollment numbers. Our next goal is to add more CTE program opportunities at the Aravaipa Campus. The more choices we have the more students we can reach and offer college and career classes. We know CTE programs and classes make a difference in ability of students being career ready and increase the likelihood of them continuing their education.”

College and Career Readiness Programs offer students the opportunity to explore careers while in high school and receive college credits to encourage them to continue their education after high school as well.

**TOWN OF KEARNY
CALL FOR BIDS**

1. Bids. The Town of Kearny will receive sealed Bids at the Town of Kearny, Town Hall, 912-C Tilbury Drive, Kearny, Arizona, 85137, telephone number, 520-363-5547, or questions for alfores@townofkearny.com, until 5:00 p.m., MST on Tuesday, September 17, 2019, when all Bids that have been duly received will be opened publicly. The project includes, but not necessarily limited to the following items of work:

105 acres of mechanical clearing of salt cedar in Kearny, Arizona. All six parcels are contiguous and treatment acres are located near the Gila River, but outside the active river channel. Treatment areas will occur on areas of dry sand, not in saturated soil. The overall scope of work of the project is to conduct mechanical fuels reduction treatments on six Town of Kearny parcels. Parcels range in size from just over 5 acres to 46 acres. Typical fuels on these parcels are mostly composed of native mesquite and non-native salt cedar along the Gila River floodplain.

Mechanical treatment will be grubbing done by using a dozer or front-end loader to uproot and push salt cedar trees out of the ground. Mastication will be done by machine, with a grinder implement to break up the trees and roots into mulch. The contractor should attempt to remove approximately 100 percent of salt cedar within the project boundary, taking care to ensure mastication and grubbing does not disrupt critical infrastructure within the boundary. Operations are expected to leave approximately 2-4 inches of wood chips from mastication on the ground in masticated areas, which will help with soil stability. One quote will be given as a standalone for the total 105 acres of the project block and the contractor shall provide all necessary equipment to complete the project. Project work will be completed by 2-11-20.

The Town of Kearny Council reserves the right to reject any or all Bids, to waive any non-conformance, to re-advertise for Bids, and to withhold the award for any reason the Town of Kearny determines. MINER, CBN, SUN Legal 9/4/19, 9/11/19
