Minutes matter for First Responders: Why Propositions 416 and 417 will improve public safety

**By Pinal County Attorney Kent Volkmer
and Pinal County Sheriff Mark Lamb**

Pinal County is a great place to live and work but the challenges created by our current roads and freeways not only make commuters late for dinner, these problems also make our county less safe.

Propositions 416 and 417 would create \$640 million worth of new roads and freeways in Pinal County. In addition to solving current and future traffic problems all over Pinal County, this project will also help reduce response times for sheriff's deputies, firefighters, police officers, and ambulances.

Minutes matter for first responders. Lives are put in danger when an ambulance driver is stuck in traffic. Public safety is threatened when a sheriff's deputy is delayed in getting to a call for help. Lives and property

are in harm's way when firefighters have to contend with traffic jams.

The new infrastructure created by Propositions 416 and 417 will also will help to reduce the number of fatal crashes in our county, which have been increasing significantly in recent years.

Let us share with you one example. Maricopa doesn't have a major regional hospital. Residents in need must be transported to Casa Grande or Chandler. So what happens when Highway 347 is jammed up along with I-10? This new plan widens the 347 from 4 to 6 lanes and provides a new highway between Casa Grande and Maricopa, reducing reliance on I-10. Go to www.yeson416and417.com and check out all the roads and freeways Propositions 416 and 417 will provide. From Apache Junction to Mammoth and Superior and SaddleBrooke to San Tan and Florence, the improvements are dramatic.

And while we speak to the public safety improvements, think of all the other improvements to your quality of life. Not being late for your kid's or grandkid's plays or games. Getting home for dinner on time. Not being stuck on I-10 forever. Enjoying open roads rather than clogged arterials. This vote on November 7th is a boon for Pinal County commerce and your quality of life.

We are proud to join nearly two dozen community leaders in filing ballot statements in support of

Propositions 416 and 417. Supporters include mayors from every corner of Pinal County as well as Democrats, Republicans, elected officials and business leaders.

This carefully crafted transportation plan addresses transportation concerns in every corner of the county, allowing motorists faster and safer ways to travel north

World War II Veteran honored with memorial flight

By **John Hernandez**
San Manuel Miner

A local World War II Veteran is being honored with a trip of a lifetime to Washington D.C. Onofre Tafoya from Mammoth will be traveling to Washington D.C. as part of the Honor Flight program. Honor Flight is a non-profit organization dedicated to providing veterans with honor and closure. The Honor Flight Network flies veterans to Washington D.C. where they spend two nights. The flight, hotel and meals are provided for the veteran by Honor Flight. While in the nation's capital, the veterans are escorted to the World War II Memorial, Korean War Memorial and the Vietnam Memorial. They are honored at the memorials and at a banquet dinner.

Each veteran has an assigned guardian to escort them. The guardians are volunteers and pay for their own expenses. At the present time, Honor Flight's priority is World War II veterans. They also honor those Korean War and Vietnam veterans who have a terminal illness with the trips helping them realize their dream of visiting the memorials. World War II veterans are passing swiftly (at the rate of 800 per day) and it is important that the "Greatest Generation" be honored. In the future, Honor Flight has plans to see that Korean War and Vietnam Veterans as well as veterans of other wars are given the opportunity to become part of the Honor Flight program.

Onofre's son Marty Tafoya will be his guardian. Onofre's Honor Flight departed Sept. 2 and they will return on Sept. 4.

Onofre Tafoya was born

April 8, 1929. His mother died when Onofre was young leaving his father to raise five kids. Onofre was the oldest and quit school to go to work. He got a job working in a bakery in Winslow, Arizona at age 13. He moved to Prescott, Arizona and was working in a bakery there when he saw a big poster with a picture of Uncle Sam and the words "I Need You" at the post office. He then went to see the recruiter and joined the Navy.

The local recruiting station was in the basement of the post office. Onofre was 14 and lied to the recruiter about his age saying he was 17. At that time, there was a policy that allowed for a 17-year-old to enlist and serve until they were 21. He told the recruiter he had no birth certificate when he was asked for one and the local truant officer would end up signing for him, as he needed an adult to grant him permission to join.

Onofre turned 15 before he arrived at San Diego for basic training. He said he liked boot camp.

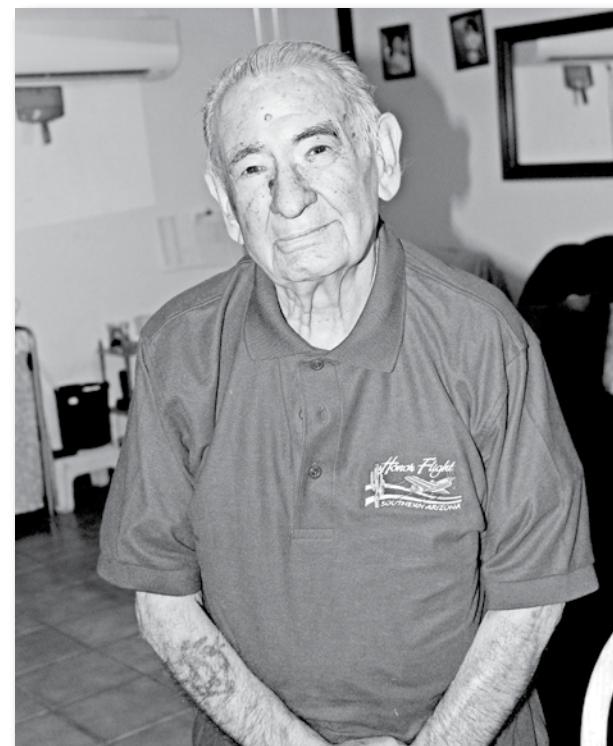

"I was in good physical shape and was young," he said.

The first time on a boat, he got sea sick. After basic training, Onofre was assigned as a passenger-laborer on a destroyer that would transport the sailors to Pearl Harbor on the island of Oahu in Hawaii. It took them seven days to get to Hawaii as they were zig zagging to avoid Japanese submarines. Onofre spent two years there. He was assigned for a short time to a submarine. He says at the time, submarine crews were all volunteer. He went out on some short patrols around Pearl Harbor but did not like it and was reassigned to the base where he was a baker.

The Navy tried to get him to volunteer to be assigned to a place called Bikini Atoll but he told them no. He would find

out later that they were testing atomic bombs there beginning in 1946 when he would have been there. Bikini Atoll would later become uninhabitable due to radiation. Many of the local inhabitants would become sick and their food supply, mainly fish was contaminated by radiation. Navy personnel were exposed to radiation during cleanup of target ships and from their close proximity to the target area.

Onofre served in the United States Navy three years and 13 days. He was discharged on April 7, 1947. He served in the Asiatic-Pacific Theater and received the Asiatic-Pacific Medal; American Area Medal; Victory Medal and Good Conduct Medal. You may know him from working with him at the Magma mine. He is also known for the two great books he wrote about the mine operations in San Manuel, Mother Magma and Los Mineros The

Onofre Tafoya was honored with Memorial Flight.

Learning More About Our Communities

I do my best to be out in the Copper Communities to learn more, to meet people, and get a sense of what all our communities are about. Last month Mammoth Town Manager Don Jones took me for a tour of his community. What an up and down place, both in terms of elevation and economic opportunities. The town has “good bones,” and even the empty buildings in the old downtown have real restoration potential. The growth of North Tucson and Oracle will certainly influence conditions in Mammoth, and the Apache Sky Casino is already making its presence known. The many successful cafes and services demonstrate the value of Mammoth's location along the San Pedro.

This past week I went to a planning session, led by Ginger Chester, the new President of the Board of the Copper Basin Chamber of Commerce, on the upcoming Great Pumpkin and Trunk-or-Treat Festival which will be held Saturday, October 28, in Kearny. Interest in the event has grown, and many new people came to be volunteers and help plan all the events. The group worked on improvements for this already popular event, thinking of more things for the children and also for their parents and friends.

It was good to experience all the excitement. Previous efforts for a great festival were affirmed, and new ideas were seamlessly worked into the fabric of the event.

and Kearny, and all the surrounding unincorporated areas. The Chamber is working to be more of service to the businesses of the area, to promote economic growth, and also to solidify the life and culture of these places.

The new Director of the Chamber will be announced at a community gathering at the Chamber Offices in the Pinal County Courthouse of Friday, Sept. 15, at 6 p.m. It will be an old-fashioned ice cream social with all the goodies. We will learn about the Chamber's work, meet the new Director and (this is not a paid advertisement) be given the opportunity to join the Chamber in its work for this and

Blessed Sacrament to host annual Fiesta

It's time for the annual Blessed Sacrament Church Fiesta, when great music, food, friends and fun blend together to create a pleasant day flowing into an exciting evening. Which is as true as it has been, year after year, sometimes with the help of the weather and sometimes in spite of it.

People come from all over the Copper Corridor to attend this event, which commemorates the ringing of church bell by Roman Catholic Priest Miguel Hidalgo y Costilla on Sept. 16, 1810, which began the call to arms that began the Mexican War of Independence. This happened in the town of Dolores in the state of Guanajuato.

In October 1825 this day became known as Mexican Independence Day. While the exact words and give or take between Hildago and the crowd during the Grito de Dolores (Cry of Dolores) are a matter of debate, the spirit of the message was an opposition to bad government and a call to adhere to their faith. This cry of independence has become an integral part of the celebration of Mexico's Independence Day.

On the night of Sept. 15, at 11 p.m., the President of Mexico rings the very same bell, but, from the National Palace in Mexico City. After each ringing of the bell, he then repeats a cry of patriotism based on the Grito de Dolores, known as a Grito

Mexicano. This will include the names of important heroes of the Mexican War of Independence who were present during the original bell ringing and end with the threefold shout of "Viva, Mexico!"

The following day is Fiesta Patrias (Patriot Festival), also known as Independence Day in Mexico, and is marked by parades, patriotic programs, marching bands, concerts and other outpourings of celebratory patriotism and community fellowship. This is also celebrated in the United States of America, in areas with large populations of persons with Mexican heritage.

In the Town of Mammoth and the surrounding Tri-Community, the celebration has been an annual event for a very long time. Sometimes, it was large and impressive, with delegates visiting from the Mexican Consulate, and other times the celebrations were more modest in scope. Regardless of size or impressive title of visitors, it is an event that brings people in the community closer to each other and reminds of the importance of human dignity.

This year, the Blessed Sacrament Parish Fiesta will be held on Saturday, Sept. 23, at 122 W. Church Dr., Highway 77 in Mammoth. It will start with a 2 p.m. Mass, followed by Joe Arbizio and Conjunto from 3 p.m. through 4:30 p.m. Ballet Folklorico Del Sol will perform from 4:45 p.m. - 5:45 p.m. The Mariachis Corazon de Tucson will perform from 6 p.m. through 8 p.m. and, finally, from 8 p.m. through midnight, Britney y Su Conjunto will round out the performances. All are invited to attend.

Miner swimmers win season opener

After several weeks of practices, the Miner Swim Team opened the season at home against Palo Verde High School on Aug. 31. Both Miners Girls and Boys teams won. The girls won by a score of 84 to 54, winning 10 out of the 11 races contested. With only four boys and only one entry per race, the boys had to make every race count. Fortunately, they finished first in 9 races and won the meet by a score of 61 to 49.

The girls relay team of Junior Darien Apuron, Freshman Star Chavez, Junior Gianna Sweeney, and Senior Raya Woods started things off with a win in the Medley Relay. Star Chavez went on to win the 200 Freestyle and 100 Breaststroke. Darien Apuron won the 200 IM and 400 Freestyle. Gianna Sweeney won the 50 Free and 100 Butterfly. Raya Woods went on to win the 100 Freestyle. The Miner relay team of Sweeney, Chavez, Woods, and Apuron won the 200 Freestyle Relay. The 400 Freestyle relay team of Sophomore BaiLee Hill,

Junior Jasmine Smith, Freshman Aubrey Bridges, and Junior Bonnie Bridges won the final event of the meet.

The boys team also started things off by winning the Medley Relay. Junior Michael Primero-Predgo, Freshman Jayden Smith, Freshman Evan Apuron, and Junior Daniel Garcia teamed up to win the opening event for the Boys. Michael Primero-Predgo went on to win the 200 Freestyle and 100 Freestyle. Evan Apuron won the 200 IM and 100 Breaststroke. Jayden Smith won the 100 Butterfly and 100 Backstroke. Daniel Garcia won the 400 Freestyle. The same four boys also won the 200 Freestyle relay. Since the boys team only has four swimmers, they were unable to put together a 400 Freestyle Relay.

Head Coach Alex Gort was pleased with the opening meet. "It was great to see this team compete. We have been practicing seven times a week along with weight training and everyone is a little run down and sore.

The times are very good for this time of the season," he said.

Five Freshmen had their first taste of high school competition and they all did great. The Freshman Five are Evan Apuron, Jayden Smith, Aubrey Bridges, Star Chavez, and Alyssa Riekofski. They are already making a big impact on this team.

Star Chavez was named Dynamite of the

Week by the team Captains. Star was a part of two winning relays and swam some very fast times to win both her individual events. In her first high school meet she has shown that the future is bright for Miner Swimming.

Miners host Arizona College Preparatory School at the San Manuel Pool on Thursday (9/7) at 4 p.m.

Learning a Little About Aravaipa Creek

Like so many rancher families, the Fred and Cliff Wood families had experienced both good and bad times when they had their Wood Brothers Panorama Ranch whose headquarters was located along the western end of Aravaipa Creek in Pinal County, Arizona. The children of both families had also

taken part in the hard work involved, and the memories of those earlier years are treasured.

Many changes concerning Aravaipa Creek and some of its residents had started in the 1960s. Aravaipa Canyon had become more well-known because of the publicity to "save it", so many

people wanted to come to the canyon, and those who had come through the west end had to first go through our ranch homesite along the creek to see the inner canyon, known as the Box, which wasn't far upstream of our home. In 1966, the Bureau of Land Management (BLM) wanted the inner canyon to be set aside as a Natural Scenic Recreation Area, and then in 1969 the over five-thousand acre Aravaipa Canyon Primitive Area was established, and BLM's plan was to coordinate recreation, grazing, and other public uses,

besides wildlife management.

Naturally, our lives were really affected, so in 1970 we sold our ranch to The Nature Conservancy (TNC), the national conservation organization who claimed their primary objective was to acquire and protect outstanding natural areas. It was in 1978 that Wilderness designation of the Aravaipa Primitive Area and contiguous lands had been recommended.

I have often wondered what our lives would have been like if we hadn't sold our ranch when we did. For those

who are interested in learning about some of the history of Aravaipa Canyon and some of the people who had lived there, read my 2014 published book *A CREEKSIDE STORY - FROM BUCKBOARD DAYS TO ECOTOURISM*. It can be obtained via Amazon, and I really appreciate the comments about my book on Amazon by some who had bought my book via Amazon and read it.

coming years. I hope to see you there.

This week I also went to the “rollout” in Superior of the Food Hub Study which the Economic Development groups of southern Gila County and eastern Pinal County sponsored this past year. A food hub is a

formal organization as well as an informal affiliation of people who grow food, make foods (such as cheeses and sauces), or raise animals for market. We learned there are many people who would

like to do these things, but need support in doing them. We also learned that the two EDCs (economic development commissions) are working together to help accomplish them. Rosemary

Slotter from Palo Verde RV Park in Dudleyville was also a participant in the meeting. Even backyard gardeners could be part of something like this. A marketing plan is in the works.

Do you realize there is a winery in Gila County (in Young)? Do you know that one of our area ranchers is already selling cuts of high-quality meat on the web? Do

you know that some local gardeners are already selling their produce? By working together we can make the label “Product of the Copper Basin” a real player in Arizona’s economy.

Local United Way Board awards \$173,369 in emergency assistance

Tri-Community Food Bank among recipients

Cindy Cook, Chair of the Local Emergency Food and Shelter (EFSP) Board, announced today that Pinal County has been advised that it will receive Phase 34 grant funds in the amount of \$173,369 for emergency food and shelter services. These funds are made available to Pinal County by a National Board that is chaired by the Department of Homeland Security's Federal Emergency Management Agency and consists of representatives from American Red Cross, Catholic Charities, USA, National Council of the Churches of Christ in the U.S.A., The Salvation Army, United Jewish Communities and United Way of America. Funds are appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country.

The United Way of Pinal County administers the local program under the guidance of the local volunteer EFSP Board that will determine how funds and to whom these grant funds will be awarded to. These funds are reserved for nonprofit agencies that as a part of normal business provide emergency food and shelter services and are not intended for startup, new agencies or individuals. Under the terms of the grant from the National Board, local agencies chosen to receive funds must: 1) be private voluntary non-profits or units of government, 2) have an accounting system, 3) practice nondiscrimination, 4) have demonstrated the capability to deliver emergency food and/or shelter programs, and 5) if they are a private voluntary organization, they must have a voluntary board.

The Pinal County Local EFSP Board distributed Emergency Food and Shelter funds through Phase 33 funding cycle to the following countywide agencies: Community Action Human Resources Agency (CAHRA) for food and rent; Community Alliance Against Family Abuse (CAFA) for emergency shelter and food assistance; Pinal Gila Council for Senior Citizens (PGCSC) for home

delivered meals; Salvation Army for rent and mortgage assistance, emergency shelter and food assistance; Seeds of Hope for served meals and other food; Catholic Community Services for served meals; Tri-Community Food Bank for rent/mortgage assistance; and Future Forward Foundation for community and backyard gardens that bring additional locally grown organic produce to pantry shelves.

Manuela Rehm-Bowler, United Way of Pinal County Executive Director mentioned that 1:4 children live in food insecure homes and 1:7 adults don't earn enough to support their household. These numbers are confirmed by the fact that 98% of the calls taken by the 2-1-1 Resource Referral System were for Rental Assistance, Utilities and Food. The 2017 EFSP Phase 34 Funding application deadline is September 8, 2017 with fund distributions after awards are approved by the federal agency. The application will be posted online at www.unitedwayofpc.org or can also be obtained by contacting the United Way office at 402 E. 10th St. in Casa Grande at 520-836-0736.
